AND THE END OF THE WORLD

In 1818 a recent convert to Christianity came to the shocking conclusion that Jesus Christ would personally and visibly return to earth to

set up His eternal kingdom in about twenty-five years—1843. That conclusion filled William Miller with both joy and uneasiness."

**Adventism and the American Republic** Douglas Morgan, 2001 Adventism and the American Republic tells how their convictions led Adventist adherents to become champions of religious liberty and the separation of church and state all in the interest of delaying the fulfillment of a prophecy that foresees the abolition of most freedoms Through publication of Liberty magazine lobbying of legislatures and pressing court cases Adventists have been libertarian activists for more than a century and in recent times this stance has translated into strong resistance to the political agendas of Christian conservatives Drawing on Adventist writings that have never been

incorporated into a scholarly study Morgan shows how the movement has struggled successfully to maintain its identifying beliefs with some modifications and how their sectarian exclusiveness and support of liberty has led to some tensions and inconsistencies BOOK JACKET      **The Apocalyptic Vision and the Neutering of Adventism** George R. Knight, 2008 The Seventh day Adventist Church was founded upon an apocalyptic message that needed to be preached to the entire world immediately and at any cost But does the church today preach that same message with the same urgency Has the Adventist Church become irrelevant because it has sought to be more relevant to the world Knight challenges us to go back to our roots to examine the prophecies that fueled the early Seventh day Adventists determination to evangelize the world

vastly different ways that Christianity is experienced and understood by different groups around the world *Rethinking the End of the World* B. L. Cooper, 2015-06-01 Since the day Jesus ascended into heaven the church has eagerly awaited his second coming And during the intervening years too many Christians have focused their study of the Bible entirely on discovering the end time signs of his coming Does Jesus expect us to focus on dates and signs or does he want us to instead develop a healthy and mature apocalyptic spirituality as we await his coming and the culmination of his plan of redemption and restoration Many of today's Christians lack a basic understanding of apocalyptic spirituality or do not understand God's mission through the church Consequently they fail to see and appropriate the rich truths that can be learned and applied to their lives today Yes Revelation is a book for today This book begins by explaining how the historic misinterpretation of end time Biblical literature has distracted Christians from their true spiritual development and mission It then explains how developing a proper apocalyptic spirituality can lead believers to healthy applications of end time teachings Discover how apocalyptic Biblical literature can help you see the redemptive work that God has in store for us today while we await his imminent return
