**God's Plan for Man and Planet Earth** Rev. Elton Yutzy, 2013-11 This book covers Pastor Yutzy's thoughts regarding some theological issues from eternity past to eternity future from the creation of the first heaven and earth (Genesis 1:1) to the new heaven and new earth (Revelation 21:22). He rejects evolution but does not agree with the young earth creationists. In eschatology, he is premillennial but does not accept the doctrine of imminence. Today we do not know the day of his coming, but he believes if we know what we are to look for, we will know the time when it arrives. Christ's coming will not be as a thief in the night to those who know what to look for regarding the rapture of the church. The last part of the book covers his perspective on God's special purpose for the church, Israel, and the Gentiles. He gives his views on abortion, tattoos, cremation, the lake of fire, Gehenna, outer darkness, heaven, the New Jerusalem, and other topics relevant for the church today. **The**

**Real Devil** Duncan Heaster, 2009 *Bible Basics* Duncan Heaster, 2011-01-05 *Bible Basics* is a detailed study of basic Biblical doctrines and teachings. It's a self-study guide with questions at the end of each of the 11 sections. It's designed to go through the basic message of the Bible from start to finish. *Bible Basics* is a positive presentation of the Gospel, but there are digressions to discuss difficult Bible passages and to demonstrate that many confusing doctrines such as the Trinity, immortal soul, and infant sprinkling are not Biblical nor strictly Christian but instead merely the creation of mainstream church theologians. The book presents Biblical Christianity. Duncan Heaster is a Christadelphian, and the book is also a summary of the doctrines of the Christadelphian faith. The Christadelphian church uses the book as a standard reference.
