Elusiveness of Peace in a Suspect Global System Mentan, Tatah,2016-02-02 A convenient veil is drawn over the many issues facing the majority of citizens on a daily basis as a result of the so called free market One is left with an impression that we live in a glorious utopia in which the crusaders of international capitalism continue in their quest to make life peaceful and better for all of humanity It is also a world which has been at peace for 70 years with no ideological or economic conflict and in which all of humanity live their lives in harmony benefiting from the fruits of globalization This claim is nothing less than the rearrangement of the deck chairs on the Titanic where the Titanic is actually the Global Economic Financial System GE FS storming its way through all countries and causing untold human suffering engineered by global pathocrats In this book Professor Tatah Mentan dissects human suffering from multidimensional crises such as terrorism population explosion denial of human rights economic inequality racial discrimination ideological extremism religious intolerance social injustice ecological imbalance consumerism oppression of the weak and so on He then calls for a radical global ethics that expects us to realize our roles and duties regarding global peace It includes the role and ideals of

Cook and Maria Cristina Azcona (eds),2016-06-13 Full Index I join Maria Cristina Azcona in offering this collection of viewpoints on peace making She and I joined Ernest Kahan in 2014 to establish the Worldwide Peace Organization in Argentina Here we identify a startling variety of facets on the crystal which represents peace Virtually everyone claims to want world peace Only a few take measures to promote it Each writer who seeks peace suggests a unique dimension It s our hope that this volume will encourage students professors and peacemakers to consider this comprehensive look at ten strategy perspectives which if taken seriously in private and public life might lead to our shared objective worldwide peace in our time Leadership Language and Leadership Interspiritual World Citizenship Family Relations Role of Women Education Medical Actions The Arts Conflict Resolution Ascent to Freedom Glen T.
