## Joint Inversion: One Mans Perspective

G.M. Hoversten<sup>1\*</sup>

<sup>1</sup> Chevron

### Summary

Tremendous advances have been made in the last two decades in joint inversion of multiple data sets. Coupling of all forms of geophysical data and flow data have been demonstrated. Advances in methods to link the data sets and associated parameters, both by structural and rock-physics coupling approaches have been key to the impressive results currently being demonstrated.

Looking forward it seems that applications of joint inversion to improve our reservoir flow models holds the largest benefit compared to other applications such as structural imaging. In the reservoir application, combining of both structural and rock-physics coupling in joint inversion of seismic, EM, gravity and flow data will undoubtedly be needed to maximize results.

Advances in theory and compute power will lead to stochastic MCMC based sampling techniques as the preferred method for joint inversion. MCMC techniques ability to provide a global solution, the easy of incorporating multiple and disparate a priori information, and accurate uncertainty estimation will all drive the field toward stochastic approaches.

**Never Too Late** Rob Rienow, 2017-05-31 I have no greater joy than to hear that my children are walking in the truth 3 John 4 Never Too Late is full of practical and biblical wisdom to guide parents trying to reach their adult children for Christ The four biblical principles outlined in this time tested resource have been honed at the popular Never Too Late conferences organized by Visionary Family Ministries Most importantly this book has been an encouragement for parents desperately wanting their children to have deep faith and a personal relationship with Jesus Christ Writing with compassion and honesty pastor Rob Rienow shares a powerful message of hope it s never too late to point an adult child s heart toward God Parents grandparents and great grandparents will find practical help in this book to build closer relationships with their children Rob reminds us we must hold fast to the goal of our children placing their full faith and trust in Christ You will richly benefit from reading this book John White Wheaton Bible Church Rob Rienow has done an incredible job of capturing the burden that so many parents feel

for their adult children *Never Too Late* brings you hope even in the midst of painful times Jim Burns author of *Confident Parenting*

**Three Perspectives: Jewish, Christian, and Muslim** Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world

**Practical views on the proposed improvement of the Ohio**

**River. (With remarks by Ellwood Morris.).** William Milnor ROBERTS, 1857

**Why Veterans Run** Jeremy M. Teigen, 2018-01-11 The assumptions that military service helps candidates attract votes while lacking it harms a candidate's chances has been an article of faith since the electoral coronation of George Washington in 1789 Perhaps the most compelling fact driving the perception that military service helps win votes is the large number of veterans who have held public office Some candidates even exaggerate their military service to persuade voters However sufficient counter examples undermine the idea that military veterans enjoy an advantage when seeking political office In *Why Veterans Run* Jeremy Teigen explains the tendency of parties to elevate those with armed forces experience to run for high office He describes the veteran candidate phenomenon by examining the related factors and patterns showing why different eras have more former generals running and why the number of veterans in election cycles varies With both quantitative and qualitative analysis *Why Veterans Run* investigates each postwar era in U S electoral history and elaborates why so many veterans run for office Teigen also reveals how election outcomes with veteran candidates illuminate the relationship between the military and civilian spheres as well as the preferences of the American electorate
