Hannah West on Millionaire's Row Linda Johns,2007-10-18 Hannah West is back in an all new mystery and this time

she's living in the lap of luxury in a mansion on Millionaire's Row in Seattle's Capitol Hill neighborhood. When someone starts breaking into homes and doing feng shui, Hannah is immediately intrigued. It all seems innocent at first. But when some small but valuable objects start to disappear from the neighbors' houses, Hannah can't help wondering if there's a connection. Could it have anything to do with the Antiques Caravan that's in town to tape an episode of their television show? [The Millionaire's Seduction](#) Cheryl Phipps, 2015-08-24

What if the man you want is bad for you? Trouble follows Charlotte Charlie Danvers. When impossibly hot millionaire Jake Bridges reluctantly helps her, she finds herself in more hot water than ever. The sparks between them are unmistakable, but Jake's a renowned playboy, therefore a waste of her time. Isn't he the focus and control, as well as trusting no one but himself, has kept Jake Bridges safe since childhood? Sure, his attitude keeps people at a distance, but that's his preference. He's not a candidate for any relationship, business, or pleasure that isn't efficient and short. Until he meets his headstrong, sexy-as-hell dog walker. For the first time in his life, Jake's willing to take a risk; he can't measure odds. On convincing Charlie to take a chance on them, might be his biggest challenge ever.

5 Review: Interesting storyline with some nice distractions and a happy ending.

[Mom's Got Money](#) Catherine Alford, 2021-03-30

Mom's Got Money is a mother's guide, an instruction manual to help them use the skills they already possess to become extraordinarily confident managers of their money. Alford won't pretend mothers don't have a lot on their plate. She already knows they're pressed for time. The weight of their daily decisions takes a toll. Sometimes it feels like they manage everything, whether they have a supportive spouse or not. She knows this because it's that way in her house, too. However, we all have a choice on how to handle that responsibility, and Alford thinks we can flip the script. Instead of being frustrated or feeling resentful, Alford teaches moms how to recognize their own strengths and develop true financial confidence. Once readers master Alford's money lessons, they'll start to truly enjoy money. Vacations are more fun when they're already planned, and paid for. Christmas shopping is a breeze when you have a fully funded holiday spending account. Never worry about the worst that can happen because you have a fully funded emergency fund and life insurance. Feel in control of your bills, caught up and with room to spare. In this book, you'll learn how to become an exceptional leader of your family with a growth mindset. Calculate your net worth. Effectively budget and manage your household cash flow. Work with your spouse or partner on financial goals. Understand what impacts your credit score. Ensure you pay all your bills on time every time. Make sure you plan for emergencies. Protect your family by buying term life insurance. Do the math on childcare costs vs. career costs when having a family. Plan and save for holiday spending, birthdays, and special events. Learn the art and joy of giving. Ideal for moms everywhere, but especially new and millennial moms.

Mom's Got Money is an indispensable guide to taking financial control of your life.
