

"Millionaires In Training" is a book about the only opportunity of financial success centered on a readily available manuscript. This book was written people in other countries and especially for those people that possess an available manuscript. During my 28 years in the banking business, I have seen just some success in some successful business methods that banking would not have, that is also universally applicable. George Thompson will be one of the most successful authors in the business. The other two of my most successful... George Thompson will be the best.
