The Millwall FC Miscellany David Sullivan,2017-03-17 Millwall FC founded in Victorian times have a tremendous history to delve into This book will provide you with all you want to know about the Lions and some stuff you don t The Millwall Miscellany is a book on the Lions like no other packed with facts stats trivia stories and legends Featured here are loads of stories about the club from 1885 to the present day Here you will find player feats individual records and plenty of weird and wonderful tales quotes ranging from the profound to the downright bizarre and cult heroes from yesteryear a book no true Millwall fan should be without **A Natural High** Merv Payne,2019-05-08 August 1988 The second Summer of Love The UK wasn t basking in a heatwave but the euphoric mix of acid house rave and psychedelia meant that most were completely oblivious to the weather anyway A year that had started like any other had blossomed in a feel good factor not experienced since the sixties Love was in the air house prices were up unemployment was down and Millwall were in the First Division The Lions appearance at football s top table for the first time in their 103 year history is probably best compared with Punk than Rave culture Exploding on the scene and sticking two fingers up to the establishment shocking their way to the top of the pile before being chewed up and spat out and then disappearing as quickly as they had arrived But this was 1988 not 1976 and while their somewhat unwelcome arrival was no less dramatic and explosive than the opening chords to Anarchy in The UK there was little bit more class about these boys as they slotted into the high life to the assured but no less revolutionary backing track of Voodoo Ray This is the story of a humble south London football club and its unique fans How a

team built on a shoestring budget and made up largely of locals and boyhood Millwall supporters stunned the football world for a brief but beautiful time back in 1988 when football really was the beautiful game For two years Millwall rubbed shoulders with the game's elite Their fans when they weren't raving in fields or warehouses were gleefully gatecrashing a party where only the wealthy usually received an invite There was delight and disappointment triumph and tragedy but what a ride During the late eighties the drug of choice was Ecstasy but for many just following Millwall was enough a truly natural high With contributions from members of that historic Millwall squad as well as fans and opposition players and fans this is a footballing tale that will never be repeated Enjoy this trip and it is a trip **Millwall** Chris Bethell,David

Sullivan,2002-07-01 This book is part of the Classic Matches series in which long term followers of various sporting clubs and teams look back on some of their finest moments This book looks at fifty of Millwall Football Club's best matches *Millwall Football Club Official Yearbook* Deano Standing,2004-08-01 **Everything You Ever Wanted to Know about - Millwall**

FC Ian Carroll,2016-11-25 The ULTIMATE Secret Santa gift for the avid football fan The book contains absolutely nothing just the title on each page throughout the 130 pages The book is blank and sold as a joke for people who dislike the team or a joke to play on people who absolutely love and adore their team would make an ideal Christmas Present and is available for many many football teams Just wait until they open their present to find a book on their favourite or least favourite football team Watch them look annoyed or laughing with joy as they flick through the quality blank pages The book would be ideal to use as a notebook and will amuse and thrill your family and friends
