Milovan Djilas A Revolutionary As A Writer:

Milovan Djilas, a Revolutionary as a Writer Dennis Reinhartz, 1981 A sensitive literary biography of Milovan Djilas

Memoir of a Revolutionary Milovan Djilas, 1973 **The Columbia Guide to the Literatures of Eastern Europe**

Since 1945 Harold B. Segel, 2003 The Iron Curtain concealed from western eyes a vital group of national and regional writers Marked by not only geographical proximity but also by the shared experience of communism and its collapse the countries of Eastern Europe Poland Hungary Albania Romania Bulgaria and the former states of Yugoslavia Czechoslovakia and East Germany share literatures that reveal many common themes when examined together Compiled by a leading scholar the guide includes an overview of literary trends in historical context a listing of some 700 authors by country and an A to Z section of articles on the most influential writers *The 20th Century A-GI* Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography **Europe Since 1945** Bernard A. Cook, 2014-01-27 Europe Since 1945 An Encyclopedia is a comprehensive reference work of some 1 700 entries in two volumes Its scope includes all of Europe and the successor states to the former Soviet Union The volumes provide a broad coverage of topics with an emphasis on politics governments organizations people and events crucial to an understanding of postwar Europe Also includes 100 maps and photos **Rise and Fall** Milovan Djilas, 1985 In the aftermath of the partisan victory that gave the Communists control of Yugoslavia in 1944 Djilas became one of Tito's closest aides A decade later he was expelled from the Central Committee and imprisoned for nine years His inside account of a revolution gone awry is a painful passionate book of bitter truths Index Copyright Libri GmbH All rights reserved Power And Persuasion Carol S Lilly, 2018-02-13 When the Communist Party of Yugoslavia CPY took power after the Second World War it had a vision for a new and better society in which all humans would live together in peace and prosperity and in which their mutual exploitation would be eliminated That vision required changes not only in the country's political and economic structure but in its citizen's values morals goals aesthetics and social behavior Based on extensive archival research Lilly's study describes the CPY's struggle to realize that social and cultural transformation by means of oral written and visual persuasion in the first nine years after the war Lilly's descriptions of party policies in such media as newspapers journals educational curricula group activities like parades workplace competitions and volunteer labor brigades and the production of both high and popular culture depict the evolving form and content of the party's persuasive rhetoric Her archival work moreover reveals both societal reaction to such rhetoric and the extent to which party leaders

adapted their persuasive policies in response to feedback from below In this respect Lilly places her work at the intersection of cultural history cultural studies and politics by discussing how individuals and different groups perceive digest and remake culture from above in their own image Ultimately then this study not only modifies current understandings of Yugoslavia's postwar history but informs us about the nature of state society relations in dictatorial regimes and the complexities of cultural change Moving beyond an interpretation of Yugoslavia's political and cultural history in the 1940s it addresses broader questions like How do dictatorial regimes maintain power and support How do subject populations express their views and exert influence even under oppressive conditions When and how does persuasive rhetoric work and what are its limits

Biographical Dictionary of Central and Eastern Europe in the Twentieth Century Wojciech Roszkowski, Jan Kofman, 2016-07-08 Drawing on newly accessible archives as well as memoirs and other sources this biographical dictionary documents the lives of some two thousand notable figures in twentieth century Central and Eastern Europe A unique compendium of information that is not currently available in any other single resource the dictionary provides concise profiles of the region's most important historical and cultural actors from Ivo Andric to King Zog Coverage includes Albania Belarus the Czech and Slovak Republics Hungary Estonia Latvia Lithuania Poland Romania and Moldova Ukraine and the countries that made up Yugoslavia

Literature and War, 1985 *The Fourth Revolution* Robert V. Daniels, 2013-01-11 The USA has been going through a new kind of revolution which though it did not literally overthrow the government transformed racial gender and other social relationships and bequeathed the deep divisions now felt in the nation's politics and culture

Plutocrats Chrystia Freeland, 2012-10-11 A Financial Times Best Book of the Year Shortlisted for the Lionel Gelber Prize There has always been some gap between rich and poor in this country but recently what it means to be rich has changed dramatically Forget the 1 percent Plutocrats proves that it is the wealthiest 0.1 percent who are outpacing the rest of us at breakneck speed Most of these new fortunes are not inherited amassed instead by perceptive businesspeople who see themselves as deserving victors in a cutthroat international competition With empathy and intelligence Plutocrats reveals the consequences of concentrating the world's wealth into fewer and fewer hands Propelled by fascinating original interviews with the plutocrats themselves Plutocrats is a tour de force of social and economic history the definitive examination of inequality in our time

Problems of Communism, 1977 **The Theory of the General Strike from the French Revolution to Poland** Phil H. Goodstein, 1984 **Biographical Memoirs of Fellows, III** P J

Marshall, 2005-01-20 Volume 124 of the Proceedings of the British Academy contains 19 obituaries of recently deceased Fellows of the British Academy

The Neoconservative Revolution Murray Friedman, 2005 This book which will come as a surprise to many educated observers and historians suggests that Jews and Jewish intellectuals have played a considerable role in the development and shaping of modern American conservatism The focus is on the rise of a group of Jewish intellectuals and activists known as neoconservatives who began to impact on American public policy during the Cold War

with the Soviet Union and most recently in the lead up to and invasion of Iraq It presents a portrait of the life and work of the original and small group of neocons including Irving Kristol Norman Podhoretz and Sidney Hook This group has grown into a new generation who operate as columnists in conservative think tanks like The Heritage and The American Enterprise Institute at colleges and universities and in government in the second Bush Administration including such lightning rod figures as Paul Wolfowitz Richard Perle and Elliot Abrams The book suggests the neo cons have been so significant in reshaping modern American conservatism and public policy that they constitute a Neoconservative Revolution

The Columbia Dictionary of Quotations Robert Andrews,1993 Over 11 000 of these 18 000 quotations have never before appeared in a quotation book Chosen not for their familiarity but for their quality and their relevance in the 1990s these provocative quotations cover subjects from adolescence and adoption to yuppies and zoos

Censorship Derek Jones,2001-12-01 Censorship A World Encyclopedia presents a comprehensive view of censorship from Ancient Egypt to those modern societies that claim to have abolished the practice For each country in the world the history of censorship is described and placed in context and the media censored are examined art cyberspace literature music the press popular culture radio television and the theatre not to mention the censorship of language the most fundamental censorship of all Also included are surveys of major controversies and chronicles of resistance Censorship will be an essential reference work for students of the many subjects touched by censorship and for all those who are interested in the history of and contemporary fate of freedom of expression

Marx, Lenin, and the Revolutionary Experience Paul LeBlanc,2014-06-03 Marx Lenin and the Revolutionary Experience offers a fresh look at Communism both the bad and good and also touches on anarchism Christian theory conservatism liberalism Marxism and more to argue for the enduring relevance of Karl Marx and V I Lenin as democratic revolutionaries It examines the Red Decade of the 1930s and the civil rights movement and the New Left of the 1960s in the United States as well Studying the past to grapple with issues of war and terrorism exploitation hunger ecological crisis and trends toward deadening de spiritualization the book shows how the revolutionaries of the past are still relevant to today s struggles It offers a clearly written and carefully reasoned thematic discussion of globalization Marxism Christianity and religion in general Communism the history of the USSR and US radical and social movements
