## **Milton In America:**

**Milton in America** Peter Ackroyd, 2012-04-25 When Peter Ackroyd one of Britain's undisputed literary masters writes a new novel it is a literary event With his last novel *The Trial of Elizabeth Cree* as gripping and ingenious a murder mystery as you could hope to come across in the words of the *San Francisco Chronicle* he reached a whole new level of critical and popular success Now with his trademark blending of historical fact and fictive fancy Ackroyd has placed the towering poet of *Paradise Lost* in the new Eden that is colonial America John Milton aging blind fleeing the restoration of English monarchy and all the vain trappings that go with it misrule in his estimation comes to New England where he is adopted by a community of fellow puritans as their leader With his enormous powers of intellect his command of language and the awe the townspeople hold him in Milton takes on absolute power Insisting on strict and merciless application of puritan justice he soon becomes in his attempt at regaining paradise as much a tyrant as the despots from whom he and his comrades have sought refuge more brutal than the savage native Americans As always Ackroyd has crafted a thoroughly enjoyable novel that entertains while raising provocative questions this time about America's founding myths With a resurgence of interest in the puritans in the movie adaptations of *The Scarlet Letter* and the forthcoming *The Crucible* *Milton in America* is particularly relevant It is also entirely absorbing in short vintage Ackroyd

**Milton in Early America** George F. Sensabaugh, 1979  
Milton in Early America George Frank Sensebaugh, 2015-12-08 Searching through journals almanacs sermons tracts orations and volumes of verse Professor Sensabaugh traces Milton's influence on Americans of widely differing talents interests and tastes Cotton Mather Jonathan Mayhew John Adams and Thomas Jefferson as well as scores of others Originally published in 1964 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Milton Reinvented David Boocker, 2024-11-16 This book focuses on the cultural reception of Milton and his works in nineteenth century America Using reception theory the work analyzes the contributions of Milton and his writings to demonstrate how major social movements appropriated him in ways that reinvent him making him what Margaret Fuller called emphatically American The book centers on Milton's influence on the movements focused on the development of American Christianity abolition and women's suffrage Each group approaches his writings with different horizons of expectations determined in part by the social problems they address Each has unique ways of disseminating and consuming information about Milton and his writings sometimes determined by how readers in different geographical locations read him And each debate makes extensive use of American periodicals of the period revealing critical information about how Milton's writings were disseminated and deployed Milton's presence in these debates helped shape

American society at the time and provides proof for us of how Milton can remain relevant in the issues faced by Americans in our day

**Puritans and Puritanism in Europe and America** Francis J. Bremer, Tom Webster, 2005-12-19 This exhaustive treatment of the Puritan movement covers its doctrines its people its effects on politics and culture and its enduring legacy in modern Britain and America Puritanism began in the 1530s as a reform movement within the Church of England It endured into the 18th century In between it powerfully influenced the course of political events both in Britain and in the United States Puritanism shaped the American colonies particularly New England It was a key ingredient in literature from authors as diverse as John Milton and Nathaniel Hawthorne Although Puritanism as a formal movement has been gone for more than 300 years its influence continues on the mores and norms of America and Britain This ambitious work contains nearly 700 entries covering people events ideas and doctrines the whole of Puritanism Exhaustive and authoritative it draws on the work of more than 80 leading scholars in the field Impeccable scholarship combines with eminent readability to make this a valuable work for all readers and researchers from secondary school up
