Mind Of The Guru:

The Mind of the Guru Rajiv Mehrotra, 2009-12-01 In *The Mind of the Guru* Rajiv Mehrotra presents dialogues with several contemporary sages and masters who have illumined the minds of millions around the world. Ranged here are gurus as diverse as B K S Iyengar who brought yoga from the world of the esoteric to our living rooms, Swami Ramdev who has democratized yoga via television, and Mata Amritanandamayi whose mere presence invokes an overwhelming awareness of love. There is Deepak Chopra discussing a quantum healing of mind and body, Sogyal Rinpoche encouraging us to look at death so that we might live a better life, and Sri Sri Ravi Shankar reaffirming each person's right and access to happiness. And there is the unique and contrary voice of U G Krishnamurti telling us that all talk of transformation is poppycock. There are no grand narratives or final solutions, only guides who can show the way to the light within. Here you learn from voices as diverse as that of Thich Nhat Hanh, Bishop Desmond Tutu, Baba Amte, and Stanislav Grof. Underlying the dialogues is their wisdom on how we can make ourselves unhappy and guidance on how we can turn our lives around to achieve happiness.

Soul Search Swarn Bains, 2016-07-14 This book is a translation of my Punjabi poetry excluding few English poems in the beginning. God came into existence first. God worshipped inner source of knowledge, guru, to come into existence. A teacher who teaches English is called English teacher. Teacher who teaches math is called math teacher. Same way the teacher who teaches spirituality is called guru. Worldly teachers teach from the brain to brain. The guru teaches the soul from soul. Guru is a mentor as well. It is telepathic transformation. Make your own judgment. When God felt lonely, he created the creation. He started caring for it. Doing so, he got attached to it and fell in love. God set love as prerequisite to realize him. The Creation is a testament to it. Mind is a thought processing system. Spirituality is a study of the mind. Divinity is a state of mind. Spirituality is a rehearsal of the mind to miss God, and it straightens following gurus' teaching. Sometimes it helps to follow the teachings of prophets or saints. But they have died long ago. So it has very little effect because the spirituality is learned telepathically.

from mind to mind from a living guru The mind does not tune to spirituality without the gurus blessing It can only be learnt by self surrendering It cannot be forced into the devotees mind It can be learned from a spiritual teacher through love humility and dedication God is great Everything created by God is also great So everything in the world is flawless and beautiful To stay abreast with Creation God assimilated himself in everything That is why God is called omnipresent God created his creations including human beings God abides in everything So God has mothers love and motherly relation with his subjects The subjects also have motherly relation with God God wants us to realize him and we also want to merge with him to end separation I do not know much about other species but man has instinct to go back and merge with the entity he separated from So it is a mother child relationship There are many types of faiths procedures and processes people use to find a way to go back to him We assume that God is one Therefore the final process to realize him also must be one only Finally all processes merge and end up in one that is to learn from a learned master the guru The world is a terrifying world ocean The being is on one side of it and godliness or to merge with God is on the other side of the ocean Gurus teaching is the process to take the being across the terrifying world ocean It is a lot easier to learn from a teacher than your own I was fortunate to meet my guru and become his devotee and follow his teaching and advice At the same time I started to read and contemplate the Sikh religious scripture Siree Guru Granth Sahib It is a spiritual book only It has no stories that a person has to learn from Writing in SGGS is by living saints and it emphasizes that guru is God One will have to console with guru to console with God Other important criteria to realize God is selfless love humility and dedication mentioned in SGGS Most harmful events from becoming divine are duality and slander I learned from my guru and from reading SGGS I decided my path and I follow it under my gurus guidance and following the teachings of SGGS Both have same message and advice God is the highest power in the universe In order to miss him recitation and repetition are necessary So there is lot of repetition about praising God in this book To understand this book the reader has to tune his mind to soul searching Some people follow other systems I have no opinion or knowledge about it It is a lifelong process Life is too short to learn on your own He who puts his feet on two boats does not cross the water doing so As they say a guest at many homes at the same time remains hungry It is my humble request to follow one path whatever pleases you **Divine Wisdom** Swarn Singh Bains,2010-06-25 There is no available information at this time *Order of the Day* Daljit Singh Jawa,2016-09-21 An important aspect of any Sikh religious service is the reading from the Guru Granth or taking Hukam Nama The Guru Granth Sahib is a hefty tome of 1 430 pages Sikh tradition is that from roughly the middle half of the Guru Granth usually at the beginning of a randomly selected page or the previous page if the hymn started there one hymn is selected This is read as the Hukam Nama or the Order of the Day Clearly many Sikhs living outside the Punjabi ambience would have great difficulty figuring out its meaning The Guru Drinks Bourbon? Dzongsar Jamyang Khyentse,2016-11-22 An enlightening accessible and highly entertaining guide to the guru disciple relationship the heart of Tibetan Buddhism The humility and

compassionate activity of the Dalai Lama is something many people can connect with but how can one understand the stories about some other Buddhist teachers unorthodox behavior The centrality of and reliance on a guru is one of most misunderstood elements of Tibetan Buddhism and one that is most often veiled in mystery Because the guru can and will use whatever means it takes to wake us up this relationship may require us to drop our most deeply held beliefs and expectations Dzongsar Jamyang Khyentse addresses some of the most misunderstood aspects of this powerful relationship and gives practical advice on making the most of this precious opportunity for transformation Through stories and classical examples he shows how to walk the path with eyes wide open with critical thinking skills sharpened and equipped to analyze the guru before taking the leap

Preparing for Tantra Rob Preece, 2011-09-16 The preliminary practices of Tantra aren't a hurdle to be gotten through in order to get somewhere else they're an extraordinarily rich collection of practices which have much to offer as a means of cultivating and maturing the practitioner's psychological ground They can enable experiences to unfold and they can clear the way when there seem to be problems or hindrances practitioners are struggling with In *Preparing for Tantra* Preece draws on his experience as a Tantric Buddhist practitioner meditation teacher and psychotherapist to explain how to make the preliminary practices psychologically meaningful and spiritually transformative He examines each of the practices with an eye to revealing how they may be used to heal and transform psychological trauma and offers practical suggestions for integrating them into daily life as well as ensuring that practitioners are prepared psychologically emotionally and energetically to start out safely on the tantric path *Preparing for Tantra* is an accessible guidebook for engaging in ngondro the preliminary practices that are done before engaging in a long tantric retreat These practices are also powerful tools for purifying negativities and alleviating guilt healing difficult experiences and enriching our minds with goodness so that we will be able to progress in our Dharma practice and gain realizations of the path

Remembering the Lotus-Born Daniel Hirshberg, 2016-10-25 *Remembering the Lotus Born* sheds light on the work of Nyangrel Nyima ser 1124 92 one of the most influential yet least known figures in the history of Tibetan Buddhism His pivotal work the *Copper Island* is the story of how the Indian tantric master Padmasambhava brought Buddhism to the region This work elevated Padmasambhava to central importance in Tibetan history and made treasure revelation and recognized reincarnations among the institutions that still define Tibetan culture Tibetan and Western scholars alike have long assumed that the *Copper Island Biography of Padmasambhava* was originally presented as a treasure text *terma* However investigating the sources of this narrative shows that rather than wholesale invention or simple revelation the *Copper Island* was a product of the Tibetan assimilation and innovation of core Indian Buddhist literary traditions These traditions were well known to Nyangrel who is renowned as the first of the great Buddhist treasure revealers *Remembering the Lotus Born* takes an unprecedented look at Nyangrel's work in the *Copper Island* including his contributions to hagiography reincarnation theory treasure recovery historiography Drawing all these threads together it concludes by comparing all the available versions of Nyangrel's

Padmasambhava narrative to challenge long held assumptions and clarify its origin and transmission It received an Honorable Mention from the E Gene Smith Book Prize Competition in 2018 by the Association for Asian Studies *Karma Chakme's Mountain Dharma* Khenpo Karthar Rinpoche,2004 Karma Chakme s Mountain Dharma includes the text as taught by Khenpo Karthar Rinpoche at Karma Triyana Dharmachakra KTD from 1999 to 2003 with translations by Lama Yeshe Gyamtso and Chojor Radha His Holiness the Sixteenth Karmapa Rangjung Rikpe Dorje 1923 1981 asked that Khenpo Karthar Rinpoche present Karma Chakme s Mountain Dharma to Western students In accordance with this wish Khenpo Rinpoche began teaching this text in 1999 at Karma Triyana Dharmachakra the North American seat of His Holiness located in Woodstock New York The original text by Karma Chakme Rinpoche was written in 1659 Due to the length of the text and commentary Khenpo Rinpoche s commentary on Mountain Dharma includes in five volumes with a separate volume for the Tibetan text Rinpoche omitted chapters that he considered restricted these restricted or secret parts will be taught and published separately at Karma Ling Retreat Center for use by qualified students This work makes the entire contents of Karma Chakme s Mountain Dharma available in English for the first time **Baba Naudh Singh** Wira Singha,1991

here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume five of the It Is The Same Light series SGGS pages 801 1000 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurumukhi history or context The following are some of the comments received on the volume 1 pages 1 200 of SGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabads summary message is given there is connection between the shabads to reveal continuity of thought process in Guru jis message Thanks to S Daljit Singh ji for the great work which will benefit future generations understand Guru Jis message easily Amarjit Singh M D University at Buffalo Buffalo NY A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granths many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general Barry Crawford Ph D Washburn Univesity Topeka Kansas *Laghu Guru Upanishad* Gurprasad,2016-03-03 Modern life is very competitive and stressful only a thoughtful few want to rid themselves of constant worries and find a way to live a life of real happiness Teachings of Sri Sivabala Yogi contained in Laghu Guru Upanishad are especially relevant for such people There are many grades of aspirants some just want to lead a peaceful life some want a lower type of salvation and a few blessed ones who desire total freedom by realising their true natures Ultimate liberation is attained only if one knows the absolute Self or Reality or God No matter what ones goal is the Gurus teaching given in Laghu Guru Upanishad if practised sincerely offers hope to everyone to attain ones desired end The book is set out in question and answer format The questions asked by Gurprasad have been framed from an aspirants point of view Questions and doubts like these arise in the minds of all those who want to follow a spiritual path The Guru has given answers that are suitable for ease of understanding by beginners as well as more advanced aspirants In doing so the Guru has adopted a rational approach suited to the modern generation and covers all well known paths to realise the Truth Sri Sivabala Yogis basic teaching deals with control of mind and it does not advocate any religious beliefs Mind is the cause of ones suffering and unhappiness and it also has the power to get rid of them Bookish knowledge is of no avail unless it is practised Every reader of this book can attain his or her desired spiritual object provided its teaching is put into effect through earnest effort *Sikhism and Christianity* W.O. Cole,Piara Singh Sambhi,2016-02-08 This volume will provide a thorough comparison of the rituals beliefs and history of Sikhism and Christianity Chapters will focus on God revelation the scriptures worship ethics and the history of these two religions and will highlight both differences and similarities **The Call of the Upanishads** Rohit Mehta,1970 The seers and sages of Ancient India revealed fundamental principles of perennial philosophy The Upanishads contain the essential principles of this

perennial this ageless philosophy They contain a large number of inspiring and instructive passages and verses It has not been possible to include all of them in this book For the purposes of this book the author has taken those verses and passages that have a bearing on the mystical teaching of the Upanishads It is mysticism which is the very core of the Upanishads and so in understanding its mysticism one comes to the heart of the sublime and magnificent teaching of the Upanishads In this age where science and technology may lead us into a world devoid of meaning and significance Modern man needs today a meaningful philosophy if the achievements of science are not to lead him to greater and greater destruction but to sublime and majestic heights of creative living It is in the Vision of Life given by the Upanishads that man can find the fundamental philosophy of Creative Living a philosophy that can serve as a Beacon Light even in the midst of surrounding darkness a philosophy that can lead him from the unreal to the Real from darkness to Light from death to Immortality *The Ādi-Granth, Or* Ernst Trumpp, 1877 **Two Gurus One Message** Savinder Kaur Gill, Sonam Wangmo, 2019-01-01 Buddhism and Sikhism founded by the Lord Buddha and Guru Nanak respectively are both religions of India with a two thousand year gap between the two faiths Tarungpa Tulku in his 1966 article Guru Nanak in Tibet A Buddhist view point wrote that Tibetan Buddhists have a special connection with Sikhism due to the belief that Guru Nanak was a manifestation of Guru Padmasambhava It is with this curiosity that the idea for this book was conceived leading to the discovery of an astonishing number of similarities between the two spiritual traditions This comparative study the first major attempt of its kind scoured the entire Sikh Scripture Shri Guru Granth Sahib and found numerous parallels with the Buddhist Canon especially Pali ranging from the life stories of the founding fathers of the two faiths their social agenda and core tenets to articles of faith including religious symbolism It is hoped that this research can in some way help to blur the divisions between religious labels and bring out pure spirituality devoid of fixation on religious externalities which leads to much dissent especially in this degenerate era While acknowledging the rich diversity and uniqueness of each spiritual tradition this book eventually comes to the conclusion that spirituality transcends religious labels We have come to appreciate that although the externalities of religion may differ vastly spiritual insights remain universal **Nectar #9** Babaji Bob Kindler, Lex Hixon, Tilopa, Father Abbot Joseph Homick, Lama Surya Das, OP Sharma, Annapurna Sarada, 2002-09-02 The Fall issue of Nectar of Nondual Truth is graced by articles from teachers and practitioners of the different religious traditions of the world all offering knowledge and approbation of their especial path and ideal And since application is more beneficial than approbation the various verses and views expressed cogently herein should compel us to implement the important lessons and teachings into our everyday existence not merely as transitory experiences but as transforming transmission As God exists both with eyes open and eyes closed so too do all walks of life abound with the possibility of divine communion As is said in our Vedanta tradition To Labor is to pray to conquer is to renounce to have and to hold is as stern a trust as to quit and to avoid Life itself is religion The farmyard and the field the workshop the study the studio are as true and fit scenes for
