Eid,2013-01-31 In this period of theological ferment unmatched since the first Christian century we once again have different ways of formulating Jesus s significance and identity while remaining within the one faith We are being called to read the Scripture with a new approach suitable to our time and place We must reclaim Jesus again so that his living updated legacy will be handed on to the next generation throughout this twenty first century This ferment is creating many levels of belief in the story of Jesus Today we have to admit that we live within the anonymity of an evolving universe where the ultimate mystery that Jesus identified as our Divine Father is the source and goal of all creation We cannot be genuinely human if we are not related to this divine mystery that pervades the human experience the one we live within as fish live in the sea
