Reimagining Buddhism Vishvapani,2025-08-12 Reimagining Buddhism explores Sangharakshita s pivotal role in modern Buddhism from founding the Triratna Buddhist Community to his innovative yet controversial approach of drawing from the entire tradition The book details his life teachings and the impact of his ideas offering both an introduction and in depth analysis of his legacy **God is a Woman** Edin Huskovic,2023-05-03

It may well be that you label the book in front of you as a natural continuation of the stream of thoughts in those fragments where your thoughts stopped or where your life stopped It may well be that you are caught off guard and unprepared in front of a text offered by the book God is a Woman You may find as well by reading the text which follows that your religious spiritual or national feelings cherished by you for

years are shaken and questioned too All in all book God is a Woman will not leave you indifferent And that is our only goal that after you read first five chapters of the book you simply do not remain indifferent And whether you will keep on reading the book with enthusiasm or throw it away from you in resignation let it be your choice only Even if we could we do not have the intention to make an influence on that decision anytime and anywhere Except that we propose that together with us you try to tread on your own Path of Onedifference Or Singlediversity Ilyana John Orford,2012-03-14 **Solitude and Loneliness** Sarvananda,2012-06-12 Referencing cultural touchstones such as Into The Wild the art of Edward Hopper and the work of Charlie Chaplin Sarvananda considers what we think about being alone Buddhism suggests that solitude can bring about positive emotion and change Exploring this idea through personal experience psychology and myth the author shows how facing our essential aloneness can lead us to better understand our essential relatedness Moving Against the Stream Sangharakshita,2014-08-22 In 1964 Sangharakshita left India for a visit to the UK After twenty years in the subcontinent travelling and lecturing writing working among the most deprived and extending and deepening his knowledge of the Dharma he had been invited by leading British Buddhists to help resolve tensions in the British Buddhist scene We witness the turning point at which he decided to dedicate his life to working for the good of Buddhism in his native land culminating in the birth of a new Buddhist movement Drop In Sara Harvey Yao,2025-07-30 In a society that deeply values productivity speed and external rewards we often find ourselves with less of what we really long for space clarity connection with others and a sense of well being Our attempts to improve our lives and bottom lines by adding more to our calendars expanding our to do lists and constantly being plugged in to technology is backfiring Instead of getting more done our minds are spinning leaving us stressed disconnected and unable to focus Drop In challenges our assumptions about the effectiveness of our busy lives and offers a compelling alternative approach to living and leading by inviting people to drop in to the present moment Deepening our awareness of the present moment asserts Sara Harvey Yao is the most efficient and sustainable way to navigate the complexities of work and life and to access our clarity connection and courage so we can lead your life more powerfully Full of practical tools Drop In will help busy professionals get out of the spin cycle of their minds and tune in to their already existing wisdom and clarity that resides within all of us **Milarepa and the Art of Discipleship II** Sangharakshita,2018-04-05 This is the continuing story of Milarepa and his disciple Rechungpa first encountered in volume 18 of The Complete Works As portrayed in The Hundred Thousand Songs of Milarepa Rechungpa is a promising disciple but he has a lot to learn being sometimes proud distracted anxious desirous of comfort and praise over attached to book learning stubborn sulky and liable to go to extremes In other words he is very human and surely recognizable to anyone who has embarked on the spiritual path He all too often takes his teacher s advice the wrong way or simply ignores it and it takes all of Milarepa s skill compassion and patience to keep their relationship intact and help his unruly disciple to stay on the path to Enlightenment In the story that begins this volume matters come to a head when

Milarepa burns the books that Rechungpa went all the way to India to acquire but by the end of the volume Rechungpa is able to set out on his own mission to teach the Dharma. Much happens in between. Sangharakshita's commentary based on seminars given in the late 1970s and early 1980s draws from the stories of Milarepa and his wayward disciple much valuable advice for any would-be spiritual practitioner.
