Bull Gravano once one of the mafia's most feared hit men. With nineteen confessed murders, the former Gambino Crime Family underboss and John Gotti's right hand man is the highest ranking gangster ever to turn State's evidence and testify against members of his high profile crime family. But to Karen Sammy Gravano was a sometimes elusive but always loving father figure. He was ever present at the head of the dinner table. He made a living running a construction firm and several nightclubs. He stayed out late and sometimes he didn't come home at all. He hosted secret meetings at their house and had countless whispered conversations with business associates. By the age of twelve Karen knew he was a gangster. And as she grew up while her peers worried about clothes and schoolwork she was coming face to face with crime and murder. Gravano was nineteen years old when her father turned his back on the mob and cooperated with the Feds. The fabric of her family was ripped apart and they were instantly rejected by the communities they grew up in. This is the story of a daughter's struggle to reconcile the image of her loving father with that of a murdering Mafioso and how in healing the rift between the two she was able to forge a new life.

Her Improper Affair Shea McMaster, 2016-11-22 He's about to be conquered and hasn't a clue. After college Birdie Ferguson hits London like a ray of California sunshine. She's fresh, cheery and positive. She's about to be the best Executive Assistant her father has ever had. But her chipper outlook is guaranteed to clash with her stuffy coworker Oswald Attenborough who has probably never had a belly laugh in his life. Oswald knows he's not good enough for the boss's daughter. Although he's born of aristocracy and is proving himself at Lynford International, he's always had to play second or third fiddle to his Peers. But now he's ready to take his talents elsewhere. Until he's tasked with mentoring Birdie. Despite his own reluctance, he can't help but notice life's a lot less dreary with this West Coast beauty around.

Party of Five Vasileios Kalampakas, 2013-05-06 Two exiled princesses, Lerneia and Parcifal, happen upon the roguish Winceham. After a quick chase, they witness the murder of a local innkeeper, Ned's father. Pledging their sword, shield and bow to cleansing the local lands of the tyrannical pirate lord Hobb and avenging the death of Ned's father, they meet with a strange elven sorcerer by the name of Hanultheofodor, Theo for short, and his pet magical bunny. When they reach his village, the villagers are all gone and the village has turned into a heap of smouldering ruins. The quest for vengeance has turned into a rescue mission that will take them across space, have them face abyssal alien terrors, and learn so much more about themselves and everything they have taken for granted. In the grand chessboard of life, they slowly turn from unwitting pawns into grandmasters themselves. And they manage a good laugh in the process as well.
