Jeff Wilson

Mindful Eating 101 Eating Mindfully In College And Beyond:

Mindful Eating 101 Susan Albers, Psy.D., 2013-01-11 In this book Dr Susan Albers brings her unique approach to college students their parents and college staff Using the principles of mindfulness Dr Albers presents a guide to healthy eating and self acceptance that will help readers navigate the weight obsessed diet crazed high pressured fast food saturated college environment establishing patterns of eating that will form the groundwork for a healthier life well beyond college More than a new diet book or collection of superficial self affirmations this book gets at issues such as the importance of making informed choices and the value of self acceptance and good health Stress Management Nanette Tummers, 2013 This text presents student tested tools for managing stress in six dimensions physical emotional intellectual social spiritual and environmental It takes a holistic view of managing stress rather than looking only at the symptoms It draws heavily from leading research and best practices from experts in the field and includes experiential activities for practicing stress management techniques **But I Deserve This Chocolate!** Susan Albers, 2011-09-01 Most of us are really really good at devising reasons to indulge in foods that derail our diets and healthy eating plans Who among us hasn't thought I had a stressful day so I deserve this chocolate or Buttery popcorn would go so well with this movie When we view food as a reward emotional eating can be difficult to overcome Most fad diets tell you to control your eating use willpower ignore your cravings or just stop eating Recall for a moment where this got you in the past Feeling frustrated or hopeless Maybe it led you to make more excuses Perhaps you're thinking I need to get control This is a sign that the diet mentality may be deeply ingrained in you Rest assured that there are alternatives to fad dieting and trying to control your body In *But I Deserve This Chocolate* psychologist Susan Albers takes aim at the fifty most common self sabotaging thoughts and excuses that keep you from eating right and looking great This guide dismantles each excuse and offers a mindfulness exercise to help reroute your thoughts so you can meet your health goals Whether you're a man or woman teen or adult this book is for you if you are trying to eat more mindfully manage your weight lose weight or take charge of your eating habits Forget the chocolate and unwrap some truly nourishing habits you can feel good about your body will thank you *Mindful America* Jeff Wilson, 2014-07-01 Thirty years ago mindfulness was a Buddhist principle mostly obscure to the west Today it is a popular cure all for Americans daily problems A massive and lucrative industry promotes mindfulness in every aspect of life however mundane or unlikely Americans of various faiths or none at all practice mindful eating mindful sex mindful parenting mindfulness in the office mindful sports mindfulness based stress relief and addiction recovery and hire mindful divorce lawyers Mindfulness is touted by members of Congress CEOs and Silicon Valley tech gurus and is even being taught in public schools hospitals and the military Focusing on such processes as the marketing medicalization and professionalization of meditation Jeff Wilson reveals how Buddhism shed its countercultural image and was assimilated into mainstream American culture The rise of mindfulness in America Wilson argues is a perfect example of how Buddhism enters new cultures and is

domesticated in each case the new cultures take from Buddhism what they believe will relieve their specific distresses and concerns and in the process create new forms of Buddhism adapted to their needs Wilson also tackles the economics of the mindfulness movement examining commercial programs therapeutic services and products such as books films CDs and even smartphone applications Mindful America is the first in depth study of this phenomenon invaluable for understanding how mindfulness came to be applied to such a vast array of non religious concerns and how it can be reconciled with traditional Buddhism in America

The Compassionate-Mind Guide to Ending Overeating Ken Goss,2011-07-13 You know the cycle you have a stressful day and find yourself snacking or overeating at dinner to make yourself feel better The ritual of eating becomes so calming you can't stop and the guilt and self criticism you feel can lead you to overeat even more the next day What you may not know is that simply replacing your negative feelings with compassion for yourself can interrupt this cycle so that you can meet your emotional needs without resorting to overeating The Compassionate Mind Guide to Ending Overeating presents an evidence based program designed to help you grow a deep and abiding love for your body and health that transcends your emotional connection with food As you work through the worksheets and evaluations in this book you'll discover the specific reasons for your overeating find out which foods trigger you to overeat and then develop satisfying meal plans for getting your eating back on track You'll also build compassionate mind skills for dealing with stress self criticism and shame and establish a balanced eating pattern that will free you from the overeating cycle

Nutritional Psychology Andrea Cook,Jennifer Champion,2025-03-31 Nutritional Psychology Understanding the Relationship Between Food and Mental Health provides a broad look at the intersection between food and mental health and offers a comprehensive approach to effectively prioritize nutrition as a powerful component to maintaining overall wellbeing Each of the 16 chapters deeply informs about a broad range of nutritional factors including those that promote stable blood sugar levels optimize brain functioning and contribute to the microbiome and hormone levels so important to the brain gut connection There are useful insights into the dynamics of food selection eating disorders obesity body image and nutrition quality that can stabilize or destabilize mental and emotional disorders Additionally environmental influences that shape eating behaviors are fully explored Nutritional Psychology Understanding the Relationship Between Food and Mental Health combines psychology nutrition and medicine to form a framework for optimizing the relationship between diet and mental wellbeing This textbook is designed for undergraduate and graduate psychology and nutrition college courses for students pursuing careers as psychologists dietitians nurses social workers and a variety of health professionals who want to incorporate nutrition and eating behavior into their discussions with patients Dr Cook and Dr Champion are both clinicians who work directly with clients with psychological and physical health issues and utilize a blend of nutritional and psychological interventions in their work providing useful clinical applications for nutritional psychology

Eat, Drink, and Be Mindful Susan Albers,2009-01-02 Presents tools for applying the principles of mindful eating to daily life such as self assessment questions

and tables that track eating patterns and the emotions accompanying them

The Oxford Handbook of Psychology and Spirituality Lisa J. Miller, 2024 This updated edition of The Oxford Handbook of Psychology and Spirituality codifies the leading empirical evidence in the support and application of postmaterial psychological science Lisa J Miller has gathered together a group of ground breaking scholars to showcase their work of many decades that has come further to fruition in the past ten years with the collective momentum of a Spiritual Renaissance in Psychological Science With new and updated chapters from leading scholars in psychology medicine physics and biology the Handbook is an interdisciplinary reference for a rapidly emerging approach to contemporary science Highlighting fresh ideas and supporting science this overarching work provides both a foundation and a roadmap for what is truly a new ideological age

Religion and Spirituality Across Cultures Chu Kim-Prieto, 2014-08-07 This book presents an integrated review and critical analysis of the recent research in the positive psychology of religion with focus on the positive psychology of religion across different cultures and religions The book provides a review of the literature on different contributions of religion and spirituality to positive functioning and well being and reviews religions across the world including Christianity Islam Buddhism Judaism Sikhism Native American religions and Hinduism It fills a unique place in the market s increasing interest and demand in the psychology of religion as well as positive psychology While the target audience is researchers scholars and students in psychology cross cultural studies religious studies and social sciences it will be useful for anyone interested in better understanding the contributions of religion and culture in subjective well being

Religion, Food, and Eating in North America Benjamin E. Zeller, Marie W. Dallam, Reid L. Neilson, Nora L Rubel, 2014-03-11 The way in which religious people eat reflects not only their understanding of food and religious practice but also their conception of society and their place within it This anthology considers theological foodways identity foodways negotiated foodways and activist foodways in the United States Canada and the Caribbean Original essays explore the role of food and eating in defining theologies and belief structures creating personal and collective identities establishing and challenging boundaries and borders and helping to negotiate issues of community religion race and nationality Contributors consider food practices and beliefs among Christians Jews Muslims and Buddhists as well as members of new religious movements Afro Caribbean religions interfaith families and individuals who consider food itself a religion They traverse a range of geographic regions from the Southern Appalachian Mountains to North America s urban centers and span historical periods from the colonial era to the present These essays contain a variety of methodological and theoretical perspectives emphasizing the embeddedness of food and eating practices within specific religions and the embeddedness of religion within society and culture The volume makes an excellent resource for scholars hoping to add greater depth to their research and for instructors seeking a thematically rich vivid and relevant tool for the classroom

Interpersonal and Intrapersonal Expectancies Sławomir Trusz, Przemysław Bąbel, 2016-05-20 Do our expectancies about ourselves and about others have any effect on our actual experiences Over fifty years of research studies suggest not only that this is the case but also that our expectancies can shape other people s experience in different contexts In some cases they can help but other times they can do harm instead Interpersonal and Intrapersonal Expectancies provides a theory a research review and a summary of the current knowledge on intra and interpersonal expectancy effects and related phenomena Based on extensive study and written by eminent experts from some of the world s leading academic institutions the book presents the most recent knowledge on social and psychological mechanisms of forming both intra and

interpersonal expectancies It also considers how expectancies are sustained and what their consequences are as well as discussing the latest theoretical concepts and the most up to date research on expectancy effects This book represents the first review of the phenomenon of interpersonal expectancies in over 20 years and the only publication presenting a complementary view of both intra and interpersonal expectancies It aims to open up a discussion between researchers and theoreticians from both perspectives and to promote an integrative approach that incorporates both

Menopocalypse Amanda Thebe, 2020-10-20 A kick ass book on menopause Do yourself a favor and pick up this gem Dr Jen Gunter bestselling author of The Vagina Bible and The Menopause Manifesto Menopause and perimenopause are no laughing matter but that doesn't stop Amanda Thebe from approaching her 50s with a sense of humor In this hilarious and personal account the fitness trainer shares how she lost weight dealt with her depression improved her sleep and overhauled her diet to survive and thrive during menopause Now you can too Includes a Bonus Strength Training Guide for Women Over 40 At a time when menopause has become an urgent topic of public discussion with the likes of Michelle Obama revealing their struggles for the first time personal trainer Amanda Thebe shares her journey with bold and big hearted writing that will be familiar to readers of Glennon Doyle Readers will come away from the book with A better understanding of your own hormones and how they factor in menopause and your overall health Confidence to speak your truth about your menopause symptoms to your doctor other health professionals your family and friends Zero bull sh t tips for nutrition fitness vagina health sex and more Amanda Thebe was working as a personal trainer and fitness coach when at age 43 she started experiencing debilitating exhaustion dizziness and depression The busy mother of two boys was used to traveling the world and climbing mountains Now she struggled to climb out of bed After several failed doctor's appointments Thebe saw her gynaecologist who finally named the source of her struggles perimenopause the period of 5-10 years before menopause when a woman's fluctuating estrogen levels put her at risk of depression anxiety headaches and more ailments related to female hormone health Empowered by information Thebe began her journey back to her former self overhauling her approach to diet mental health and exercise In Menopocalypse she explains how to deal with migraines hot flashes weight gain exhaustion poor sleep vaginal dryness and mood swings offering tips that have worked for her and others She shares information about hormone therapy She even shares her own strength training routine complete with a suggested workout schedule easy to follow instructions and pictures of herself doing the exercises so you can feel empowered fit and ready to tackle the day Menopause isn't fun sexy or cool and a woman might spend one third of her life in it but that doesn't mean women should suffer in silence without support Let the outspoken and honest Amanda Thebe be your guide to surviving and thriving during menopocalypse

Fight Heart Disease Like Cancer Michael V. McConnell, 2024-01-30 This work reframes the narrative of heart disease through stories of patients and the author's own family history
