Minds in Many Pieces

Unveiling the Spiritual Side of Multiple Personality Disorder

by Ralph R. Allison, M.D. and Ted Schwarz

FOR THE LAST 30 YEARS on his continuing journey into the hidden human mind, where demons hide and angels do not fear to reveal, in the first edition of this book (1981), Dr. Allison told astonishing stories about his dissociated patients' powerful alter personalities and other psychic beings who live here. Nine to thirty years following, he answers many of the questions that intrigued him then. In doing so, he opens up new vistas for students of the human psyche.

Dr. Allison's discovery of the Inner Self Helper has illustrated the spiritual aspect of the human mind — an aspect feared and then ignored by others in the field. In fact, guiding his multiple personality patients' Inner Self Helpers, the author successfully "exorcised" thought-forms masquerading as evil demons. This permitted him to get back to doing the classical hypnotherapy. Only by understanding parapsychological forces, as well as his patients' deepest fears and fears, did he shatter many of their long-standing psychological taboos. This book describes the Inner Self Helpers and tells how they operate — and how their protective energy can be tapped in an alliance beneficial to the patient.

Ralph R. Allison, M.D., is a retired Life Fellow of the American Psychiatric Association, was educated at Occidental College, UCLA School of Medicine, and Harbor Medical Center. In 1969 he was honored with the Carlotta B. Wilbur Award of the International Society for the Study of Dissociation for his "extraordinary and original contributions to psychiatric and clinical medicine in studying, diagnosing and treating patients with dissociative disorders." Now living in Los Angeles, California, Ralph Allison studies, teaches, and writes about how the two parts of the human mind really operate.
