## **Minds Mothers Midwives The Psychology Of Childbirth:**

**Minds, Mothers, and Midwives** Joyce Prince, Margaret E. Adams, 1978      **Midwifery and the Medicalization of Childbirth** Edwin R. Van Teijlingen, 2004 This book provides an introduction to the sociological study of midwifery The readings have been selected to highlight the interplay between midwifery and medicine reflecting the medicalization of childbirth It highlights the major themes in both a historical and a current context as well as western and non western societies Two major themes underlie the organization of this book that the conception of midwifery must be broadened to encompass a sociological perspective and that the ongoing trend toward the medicalization of midwifery is crucial to an understanding of the historical current and future status of midwifery By medicalization of childbirth and midwifery the author mean the increasing tendency for women to prefer a hospital delivery to a home delivery the increasing trend toward the use of technology and clinical intervention in childbirth and the determination of medical practitioners to confine the role played by midwives in pregnancy and childbirth if any to a purely subordinate one      National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1988      *Midwives*, 1997      **Women and Weasels** Maurizio Bettini, 2024-05-31 If you told a woman her sex had a shared long lived history with weasels she might deck you But those familiar with mythology know better that the connection between women and weasels is an ancient and favorable one based in the Greek myth of a midwife who tricked the gods to ease Heracles s birth and was turned into a weasel by Hera as punishment Following this story as it is retold over centuries in literature and art *Women and Weasels* takes us on a journey through mythology and ancient belief revising our understanding of myth heroism and the status of women and animals in Western culture Maurizio Bettini recounts and analyzes a variety of key literary and visual moments that highlight the weasel s many attributes We learn of its legendary sexual and childbearing habits and symbolic association with witchcraft and midwifery its role as a domestic pet favored by women and its ability to slip in and out of tight spaces The weasel Bettini reveals is present at many unexpected moments in human history assisting women in labor and thwarting enemies who might plot their ruin With a parade of symbolic associations between weasels and women witches prostitutes midwives sisters in law brides mothers and heroes Bettini brings to life one of the most venerable and enduring myths of Western culture      *The Midwifery Research Database, MIRIAD* Carol Simms, 1994 This unique book is a unique source of information which will be an invaluable resource for midwives and childbearing women alike Details about relevant research studies are given including the research methods used the results of the studies and how to contact the researchers Midwives other health professionals researchers and childbearing women will find information about the latest developments in midwifery      **Current Catalog** National Library of Medicine (U.S.), 1979 First multi year cumulation covers six years 1965 70      **Midwives Chronicle**, 1988      **The Counterfeit Christmas** Jeffery Donley, 2016-09-30 Much has been said about the birth of Jesus Come face to face with Mary and Joseph as you ve never seen them before Let s unwrap the first Christmas as

Jeffery Donley takes you back in time to witness Mary and Joseph's courtship. Stand with Mary before the mighty angelic messenger Gabriel as he announces that she will give birth to the Messiah. Hear Mary sing ten stanzas. Cry with Mary when Joseph cannot accept her but will privately divorce her. Shout with joy with Mary when Joseph comes to take her home. Walk with Mary and Joseph as you will feel every grueling step to Bethlehem. A cold, damp, stinking urine feces-filled room. A burial garment. An animal feed trough. Smell the place where Mary gave birth. Witness what Mary and Joseph used to swaddle baby Jesus. Look where they laid him. Be astonished at what Joseph became. Shiver with Mary as she holds baby Jesus in her arms and sings a lullaby to him. Hear an angelic army sing about the birth of Jesus to shepherds. Tremble in fear with Herod the Great as the Wise Men, the powerful Parthian Megistanes, gallop into Jerusalem. Wake up in the middle of the night and make a strategic trip to Egypt with Joseph, Mary, and Jesus. And rejoice when Joseph, Mary, and Jesus return to Israel. After reading *The Counterfeit Christmas*, you'll understand the birth of Jesus in a whole new way. After reading this book, your life will not be the same. I have enjoyed my reading and imagining with Jeffery Donley what this most magnificent event of our Lord's birth must have felt like to those who were involved in one of the most astounding events in the celestial and terrestrial world. Here is a narrative that will force moderns to pause and to reflect on the central event in history. Christmas will never remain the same for all who live the story of our Lord's birth once again in the way it is retold here. Jeffery's writing takes a story we all think is so well known; it hardly bears repeating, yet Donley puts it so dramatically that it will never seem the same ever again. Interestingly enough, Dr. Donley quietly slips in some great archaeological, linguistic, and historical studies that will excite even the average reader. I commend this text wholeheartedly to readers of all ages and abilities. Dr. Walter C. Kaiser Jr., Biblical Scholar, President Emeritus, Gordon-Conwell Theological Seminary. *Psychology for Midwives*, Maureen Raynor, Carole England, 2010-04-16.
