explore evidence
that even those
blind from birth can
'see' during near-
death experiences.
Their evidence reveals
a unique type
of perception.
More than just
'seeing,' it involves
a deep awareness
and profound ability
to know that the
authors have called
'Mindsight.'*

Mindsight Neardeath And Outofbody Experiences In The Blind Paperback:

Mindsight Kenneth Ring, Sharon Cooper, 2008-03 This book investigates the astonishing claim that blind persons including those blind from birth can actually see during near death or out of body episodes The authors present their findings in scrupulous detail investigating case histories of blind persons who have actually reported visual experiences under these conditions There is fascinating evidence that the blind do see in these moments but it is not sight as we think of it Ring and Cooper suggest a kind of transcendental awareness they refer to as Mindsight It involves seeing in detail sometimes from all angles at once with everything in focus and a sense of knowing the subject not just visually but with multisensory knowledge Human beings may be more talented than we think gifted with amazing abilities of perception This book is an opportunity to assess the evidence for yourself

Mind Sight Sean McNamara, 2021-09-13 Mind Sight also known as seeing without eyes has recently become well known thanks to the internet and social media This book is a training manual intended for adults who seek to learn seeing without eyes in the comfort of their own home This is not designed for adults who are severely visually impaired This text includes many exercises and access to downloadable materials from the book's website Most importantly it offers a day by day practice program that can last the reader anywhere from one to three years depending on how regularly one engages in the training The exercises are for self training No partners groups or instructors are needed Training with others can be beneficial though These exercises are easily modified to use with a partner in person or over the internet For those who cannot afford expensive international training events or who would prefer solo training for any other reason this book is ideal Learning to perceive colors shapes black and white letters and numbers are significant portions of the training Boredom busters and ideas for keeping things fresh are included The paperback version of this book also includes a training log journal so that readers can track their progress and record their insights Because of this eBook readers or audiobook listeners are urged to consider the paperback version instead or purchase the paperback Mind Sight Training Log separately or use a blank notebook Mind Sight includes personal guidance and anecdotes from the author's own training experiences This book is designed for adult learners only as adults tend to learn this ability more slowly than children The reader's patience grit openness curiosity humor as well as a fun and relaxed attitude are required Being a self motivated person is extremely important for this process This book is a pilot program Therefore results will largely depend on how much time and effort the reader applies to it as well as other conditions of daily life i e stress Nothing is guaranteed Those who train regularly may realize various meditative and self developmental benefits Readers who engage the training will need to purchase simple materials listed in the book for their home training These materials are typically available in craft hobby and office supply stores Through his books online courses and in person classes Sean McNamara has taught Telekinesis Lucid Dreaming Out of Body Experiences Remote Viewing and Meditation He appeared in the 2020 film SUPERHUMAN The Invisible Made Visible in the segment on telekinesis as well as other shows For more about the author

M. H. Atwater, 2019-09-03 A groundbreaking study of the lifelong effects of near death experiences in the newly born babies toddlers and children up to age five Draws on interviews with nearly 400 childhood experiencers both fully matured and young as well as more than 40 years of NDE research involving over 5 000 people Reveals how those who experience a near death state at a young age are profoundly affected for the rest of their lives including developing psychic and intuitive abilities wisdom beyond their years and a pervasive feeling of being homesick for heaven Investigates the wide awake consciousness of babies being born womb memories and the experience of being alive on the other side of death In this major study of near death experiences with the newly born babies toddlers and children up to age five NDE expert P M H Atwater reveals how those who experience a near death state or other worlds at a very young age are profoundly affected for the rest of their lives including developing psychic and intuitive abilities higher intelligence and wisdom beyond their years and a pervasive feeling of being homesick for heaven Drawing on interviews with nearly 400 childhood experiencers both fully matured and young Atwater explores their accounts of what it is like to be alive on the other side of death as well as what makes them different from others complemented by a deep analysis of statistical evidence from her more than 40 years of NDE research involving more than 5 000 people She shows how in contrast to adult experiencers child and infant experiencers of near death states cannot compare before with after as adults do because they don't have a before The world of these forever angels is the life continuum a stream of consciousness that has always existed and always will Integrating where they once were with where they now are is a lifelong challenge The author explores how those who have a near death experience very early in life or even in utero grow up different sometimes geniuses sometimes lost yet unusually psychic and smart all at the same time She reveals how these experiences and their knowledge of the afterlife affect the individual in many areas including family life dating health education and spirituality as well as increasing the experiencer's potential for thoughts of suicide out of body experiences and PTSD symptoms Examining the forever angels memories of the womb birth early childhood and the other world Atwater investigates the wide awake consciousness of babies being born the vivid recall of mature childhood near death experiencers and how memory of the life continuum never fades nor does the desire to go back Heaven Hell Or?? N. SABIR, 2010-10-07 I will concentrate on telling the story of how poets playwrights religious zealots thinkers philosophers and theologians among others have tried to describe something that religions hold it ultimately ineffable very secretive beyond words and that non believers prefer to see as a collective delusion that has prevented us facing up to the finality of

death It leads us to so apt thought and concentration and perplexes ordinary human being endeavoring to meet ends meet that he gives up the thinking process You will see discussions about God and belief To discuss about heaven and hell one cant keep away from God and religion They are intertwined **A Simple Guide to Experience Miracles** J. P.

Moreland,2021-11-16 Does God Still Do Miracles Today A Simple Guide to Experience Miracles will give you confidence in and awareness of the supernatural realm as you learn how to flourish spiritually by experiencing more miraculous interventions in your life and ministry Internationally renowned philosopher J P Moreland looks at the nature of miracles and explains why bearing and receiving credible testimony to God s miraculous acts is a crucial feature of a mature Jesus follower He also shows how to distinguish a real miracle from a mere coincidence Miracles bring comfort to believers strengthening faith in God and creating boldness in our lives While miraculous healings have occurred frequently throughout church history Moreland provides data showing how the last fifty years have seen a massive outbreak of miracles and supernatural activity Today he argues the church should humbly expect to see more of these miraculous works of God than we do Moreland looks at topics like The relationship between sickness and suffering along with two different ways to pray for healing How to discern clearly the difference between a genuine miracle and a mere coincidence How to increase your faith that petitionary prayer really works and what to make of unanswered prayer Six ways God speaks to us and advice for hearing God wisely and biblically The role angels play in our lives how they appear to us and how to combat demonic influence The biblical basis for most Near Death Experiences and what we can learn from them A Simple Guide to Experience Miracles increases your expectation and hope that God can and often does miraculously intervene to bring help and comfort Moreland shows that it makes rational sense to step out and engage in employing Kingdom power and to strengthen courage to witness and act on behalf of the gospel of Jesus Filled with inspiring credible motivating accounts of miracles he covers five different kinds of supernatural activities and provides practical wisdom about how to begin practices such as healing prayer and learning to deal with the demonic **A Skeptic's Guide to Belief** Ken Crispin,2019-04-04 What would happen if you faced your doubts

set aside your preconceptions and decided to follow the path of truth wherever it might lead Most people whether believers or atheists doggedly defend what they have always believed Many see this as an expression of faith Yet there is something almost inexpressibly sad about the plight of people living out their lives in reliance upon beliefs they dare not question Perhaps that is why many of us come to a point at which we feel compelled to pursue the truth no matter what the implications But even if we found the courage to embark upon such a journey could we really find a path through the scientific philosophical experiential and theological thickets that surround the great questions of life And if we did would we know the truth and be set free Would we be forced to face a long feared despair Or would we find ourselves still staring impotently at an enigmatic universe This is a book unlike any other It addresses these questions with unflinching honesty drawing evidence from a diversity of scientific fields and subjecting the competing arguments to rigorous skeptical analysis

Conversations about Heaven Brian G. Chilton, 2023-04-28 Will heaven be boring What will God and heaven look like Will I enjoy heaven Are animals in heaven These questions among others often enter the hearts and minds of people envisioning their final heavenly home Often theologians and pastors have placed unnecessary restrictions on heaven whereas others have claimed that heaven should not be discussed because of so many uncertainties But is this helpful Furthermore is it even biblical In the book *Conversations about Heaven* Dr Brian Chilton reflects on a conversation he had with a lady from Huntsville Baptist Church who asked some of the most challenging questions he ever received They both discovered that if God is the greatest possible being and heaven is God's greatest gift then heaven is a place that is far greater than anything ever imagined *Conversations about Heaven* challenges you to vastly expand your thoughts on heaven as heaven will far exceed even our greatest imaginations and it encourages you to regularly reflect on the great things that lie ahead in your heavenly home

Rethinking Our Story G. Douglas Hammack, 2014-01-13 If it ain't broke don't fix it But it's no secret that the Christian church is broke and does need fixing Despite great effort things are going badly for us We've tried trendy and tech savvy entrepreneurial and coffee house gritty They're not helping Our problem is deeper than that Our problem is our instincts instincts informed by our story There was a time when the Christian church was a powerfully transformative presence in society It can be again but it will require radical rethinking of the story that informs our instincts And it's time It's been five hundred years since the Reformation our last major update Today is a pivotal moment in history With our worldview upended by quantum physics history is demanding we renew the Christian story for our times *Rethinking Our Story* reframes the elements of the Christian narrative for the new era It explores quantum ways of thinking about God human nature Jesus salvation and the afterlife The future of the church and the health of our society depend on our willingness to rethink retell and live out a better story We will either update our instincts and contribute to the earth's well being or disappear into oblivion

Living Beyond Ivan Rudolph, 2019-04-17 What happens when we die This is one of humankind's most important questions *Living Beyond* brings a fresh and exciting perspective to

this enduring question Ivan Rudolph shares dramatic evidence supporting near death experiences This book is expertly written remarkably easy to read and enthusiastically recommended Jeffrey Long M D founder of the Near Death Experiences Research Foundation author of the New York Times bestseller Evidence of the Afterlife The Science of Near Death Experiences What are Near Death Experiences NDEs and how do they fit in with Christianity For over 40 years the author Ivan Rudolph has been conducting interviews studying hundreds of accounts and now has clarity about this mysterious phenomenon The truth is surprising exciting and ultimately relevant for everyone Did you know that there are at least 16 million Americans who have had an NDE including celebrities like Goldie Hawn Sharon Stone Elizabeth Taylor Nikki Sixx Burt Reynolds and many others Did you know that they are a part of a huge family of 350 million returnees alive today The problem is many returnees remain confused about their experience They fear they will never feel normal again and seeking empathy seems impossible from loved ones that don't understand This is not only a guide to help the confused traumatized and sometimes depressed returnees incorporate their experiences successfully back into their relationships and life on earth The thoroughly researched text will help families and loved ones to provide support and understand what the returnee is going through Very well presented with substantial solid evidence well explained point by point From an Orthodox viewpoint its theology is sound Father John D Alton Orthodox Priest *Death and Afterlife* Terence Nichols, 2010-03 eschatology practical theology and pastoral care courses as well as pastors and priests Book Jacket **Voyage of Purpose** David Bennett, Cindy Griffith-Bennett, 2011-10-01 By relating one man's amazing tale of triumph over death on multiple occasions this book brings a fresh perspective to near death experience literature David Bennett once a brash young commercial diver whose personal philosophy was cut your way through life to survive was caught in a violent storm off the California coast one night where he drowned While technically dead he met beings of light relived his life and peeked into his future resulting in a complete paradigm shift for him Later he discovered he had stage IV lung and bone cancer so advanced that his spine collapsed Miraculously he survived once again and this second close call taught him even more about living loving and how to find purpose in his life Voyage of Purpose brings readers right into the heart of the near death experience including the sensations of dying being surrounded by the light and meeting the Soul Family Part memoir and part guide for achieving spiritual growth this book shows how to integrate the most traumatic of incidents into one's spiritual path in order to live a more meaningful life Pathways to Wholeness Renn Butler, 2019-06-06 The exploration of the psyche in non ordinary states of consciousness provides access to powerful transformative experiences that can lead us towards a more complete experience of being human the realization of a deeper identity while also yielding extraordinary insights into the ultimate nature of reality In this book Renn Butler explains how to use archetypal astrology as a guide to the transpersonal journey Described by Stanislav Grof as the Rosetta Stone of consciousness research archetypal astrology is based on a correspondence between planetary alignments and archetypal patterns in human experience Here by drawing on the work of

Grof and Richard Tarnas Butler systematically describes the archetypal themes and qualities associated with each of the major planetary combinations studied in astrology and considers how these themes might manifest and be supported in deep psychological self exploration Based on thirty years of research Pathways to Wholeness is an indispensable reference book for explorers of the inner worlds Pathways to Wholeness Explores the intersection between Grofian transpersonal psychology and archetypal astrology Describes the nature of the planetary archetypes in astrology Explores the archetypal meaning of all the main planetary combinations as applied to everyday life perinatal psychology and transpersonal experience Provides illuminating case studies and vignettes Illustrated with mandala drawings

Christianity And The Supernatural: Why the Bible is Relevant Today Mark Apelt, 2017-01-09 All of us want to believe in an afterlife If it's true then we must have a soul or spirit We question this however because we are taught science has all the answers It is science vs the bible Physical vs supernatural To believe in the afterlife is to believe in God One area of research that has not been thoroughly examined in relationship to Christianity is the supernatural This book explores how archaeology scientific studies and personal stories reveal the accuracy of the bible Discover how we know we have a spirit why select people encounter angels and why some prayers are answered It will show you that there is an afterlife there is hope and that there is a God The stories of today resemble the stories of the bible The mystical events that happened then are similar in almost all aspects to what the bible tells us will happen Prophecies are continuing to be fulfilled The foreknowledge He gave his chosen people are still applicable today Angels are still sent to serve and protect us Our spirit will rejoin with God as told by near death experiencers God does exist and millions of people maybe even yourself have witnessed Him through the supernatural This leads to the conclusion God the bible and the supernatural are relevant today
