Managing Yourself Elearn,2009-11-03 Structured well presented material in a large format ideal for training and self study Focused on the skills and knowledge needed to improve performance Series books cover a broad range of practical management topics **Erotic Lucid Dreaming** Dante X,2020-10-06 Erotic Lucid dreaming A Technique for Seduction This is a little different to my usual stories and I had to write this down as I ve just realised how Lucid Dreaming works Well let me clarify that statement I now understand how Lucid Dreaming works for me Now with that that said I have no idea if it will work for you in the same way but it most definitely works for me And in this short book I ll go through my experiences and explain the technique A lucid dream is a dream during which the dreamer is aware that they are dreaming During a lucid dream the dreamer may gain some amount of control over the dream characters narrative and environment however this is not actually necessary for a dream to be described as lucid Wikipedia Strictly 18 Adults only 7300 words **Introducing NLP** Joseph O'Connor,John Seymour,2011-05-01 Some people appear more gifted than others NLP one of the fastest growing developments in applied psychology describes in simple terms what they do differently and enables you to learn these patterns of excellence Introducing NLP by Joseph O Connor a leading international NLP trainer and the author of NLP Workbook offers the practical skills used by outstanding communicators Excellent communication is the basis of creating excellent results NLP skills are proving invaluable for personal development and professional excellence in counseling education and business Introducing NLP includes How to create rapport with others Influencing skills Understanding and using body language How to think about and achieve the results you want The art of asking key questions Effective meetings negotiations and selling Accelerated learning strategies **Executive Advantage** Jacqui Grey,2013-02-03 The pressures on executives to succeed both internal and external are intense They are constantly fighting to make sense of their changing worlds and to make the right decisions for themselves their teams and their business Executive Advantage gives ambitious leaders the powerful strategies they need to become authentic 21st century leaders It makes sense of the complexities faced by organizations especially in the face of aggressive growth or conversely recession and downsizing Any change presents challenges and it s the leader s role to tackle these head on Understanding human needs and the consequences of not meeting these needs is key to effective handling of change conflict and executive gremlins the barriers and sticking points that can get in the way of optimal business performance Leadership expert Jacqui Grey presents a 10 step solution for leaders who are looking to make a real difference in their business **Spiritual Care in Everyday Nursing Practice**

Janice Clarke,2013-05-31 As changes in technology policy and management put an increasing emphasis on processes and procedures in nursing and health care how do we continue to make room for compassion the ancient human value that calls most nurses to the profession In *Spiritual Care in Everyday Nursing Practice* Janice Clarke argues that it is compassionate care of the whole person body and soul which is at the heart of nursing practice that values the individual and respects their dignity Rather than seeing spiritual care as an addition to what nurses already do this new approach considers it a natural part of compassionate care which doesn't present the nurse with an extra ambiguous burden to deal with Providing a brief historical introduction to the concept of spirituality Clarke examines the ways in which our spiritual life a source of strength and meaning can be influenced by factors such as age illness and suffering and mental illness as well as our religious beliefs Providing a practical guide to talking about and working with spirituality she explores how nurses might imbue all their practice including the physical aspects of care from use of touch to helping patients to move bathe and eat with an attention to spiritual needs A timely accessible and practical introduction to a concept that is under explored in contemporary nursing literature this book will be of great value to students and professionals alike *Happy Kids Happy You* Sue

Beever,2009-04-01 Every child every family situation is different and parenting is a journey of constant change There are no right answers only what works for you and your family This book will give you a toolkit of practical NLP Neuro Linguistic Programming methods flexible enough to cover all situations It focuses equally on the needs of you the parent as well as your child and will help you get your family life running more smoothly understand your children support and encourage them and their development more effectively recognise and meet your own needs so you can be more resourceful in family life feel more confident and positive so you can have fun and enjoy being a parent more of the time Rather than giving prescriptive advice *Happy Kids Happy You* will enable you to develop your own solutions to situations You will learn to speak and behave more positively with your children and experience outstanding results **Community Development, Social Action and**
