ALEXANDER KING

Mine Enemy Grows Older

United States. Department of Justice

Mine Enemy Grows Older:

MINE ENEMY GROWS OLDER Alexander King, 1958 Mine Enemy Grows Older. [An Autobiography.]. Alexander King (Author of "Mine Enemy Grows Older".), 1959 *Mine Enemy Grows Older. [Reminiscences.].* Alexander KING (Artist.), 1962 **Book Parts** Dennis Duncan, Adam Smyth, 2019-06-27 What would an anatomy of the book look like There is the main text of course the file that the author proudly submits to their publisher But around this hemming it in on the page or enclosing it at the front and back of the book there are dozens of other texts page numbers and running heads copyright statements and errata lists each possessed of particular conventions each with their own lively histories To consider these paratexts recalling them from the margins letting them take centre stage is to be reminded that no book is the sole work of the author whose name appears on the cover rather every book is the sum of a series of collaborations It is to be reminded also that not everything is intended for us the readers There are sections that are solely directed at others binders librarians lawyers parts of the book that if they are working well are working discreetly like a theatrical prompt whispering out of the audience's ear shot Book Parts is a bold and imaginative intervention in the fast growing field of book history it pulls the book apart Over twenty two chapters Book Parts tells the story of the components of the book from title pages to endleaves from dust jackets to indexes and just about everything in between Book Parts covers a broad historical range that runs from the pre print era to the digital bringing together the expertise of some of the most exciting scholars working on book history today in order to shine a new light on these elements hiding in plain sight in the books we all read Henry R. Luce and the Rise of the American News Media James L. Baughman, 2001 A solid account of Luce's life and legacy A concise readable volume Journalism Quarterly **Library Book Catalog** National Institute of Law Enforcement and Criminal Justice. Office of Technology Transfer, 1972 **Visualizing Haiti in U.S. Culture, 1910-1950** Lindsay J Twa, 2014-05-28 From the 1910s until the 1950s the Caribbean nation of Haiti drew the attention of many U S literary and artistic luminaries yet while significant studies have been published on Haiti's history none analyze visual representations with any depth This book argues that choosing Haiti as subject matter was a highly charged decision by American artists to use their artwork to engage racial social and political issues Twa scrutinizes photographs illustrations paintings and theatre as well as textual and archival sources **Addiction and Opiates** Alfred R. Lindesmith, 2017-07-05 This classic study is concerned with addiction to opiate type drugs and their synthetic equivalents Lindesmith proposes and systematically elaborates a rational general theoretical account of the nature of the experiences which generate the addict's characteristic craving for drugs While this theoretical position has obvious implications for addictions that resemble opiate addiction in that they also involve drugs which produce physical dependence and withdrawal distress the author does not extend the theory to these other forms of addiction such as alcoholism The central theoretical problem is posed by the fact that some persons who experience the effects of opiate type drugs and use them for a period sufficient to establish physical dependence do not become addicts

while others under what appear to be the same conditions do become addicted The focus of theoretical attention is on those aspects of addiction which may reasonably be regarded as basic or essential in the sense that they are invariably manifested by all types of addicts regardless of place time method of use social class and other similar variable circumstances Lindesmith then makes a brief statement of a view of current public policy concerning addiction in the United States reform which it is believed would substantially reduce the evils now associated with addiction and the large illicit traffic in drugs He interviews approximately fifty addicts over a fairly extended period of time sufficient to establish an informal friendly relationship of mutual trust The attempt to account for the differential reactions among drug users requires specification of the circumstances under which physical dependence results in addiction and in the absence of which it does not It also requires careful consideration of the meaning of addiction spelled out in terms of behavior and attitudes characteristic of opiate addicts everywhere This book strives to understand these aspects of addiction with t *Bibliography on Drug Dependence and Abuse, 1928-1966* National Clearinghouse for Mental Health Information (U.S.),1969 *Research Issues*,1974 *Bizzarrism II* Chris Mikul,2018-07-09 *Bizzarrism II* collects further tales of high weirdness from around the world including The curious death of Sherlock Holmes scholar Richard Lancelyn Green Baroness Eloise de Bosquet and the mystery of Floreana The strange odyssey of William Seabrook writer adventurer cannibal JLB Smith s obsessive search for the coelacanth The cult that promised eternal life The unexpectedly appalling story of Madalyn Murray O Hair and the American Atheists Leonard Lawson comic book artist and killer Padre Pio Italy s celebrity stigmatic The strange fate of Napoleon s penis and other illustrious male members Ferdinand Sauerbruch the senile surgeon Murder and mayhem among the Hare Krishnas The enduring enigma of Somerton Man Mikul brings these stories to life in meticulously researched accounts that will amuse appal and intrigue and leave you marvelling at the infinite strangeness of human beings **Bestseller** Robert McParland,2018-12-15 Whether curled up on a sofa with a good mystery lounging by the pool with a steamy romance or brooding over a classic novel Americans love to read Despite the distractions of modern living nothing quite satisfies many individuals more than a really good book And regardless of how one accesses that book through a tablet a smart phone or a good old fashioned hardcover those choices have been tallied for decades In Bestseller A Century of America s Favorite Books Robert McParland looks at the reading tastes of a nation from the beginning of the twentieth century to the present day Through extensive research McParland provides context for the literature that appealed to the masses from low brow potboilers like Forever Amber to Pulitzer Prize winners such as To Kill a Mockingbird Decade by decade McParland discusses the books that resonated with the American public and shows how current events and popular culture shaped the reading habits of millions Profiles of authors with frequent appearances from Ernest Hemingway to Danielle Steel are included along with standout titles that readers return to year after year A snapshot of America and its love of reading through the decades this volume informs and entertains while also providing a handy reference of the country s most popular books For those

wanting to learn more about the history of American culture through its reading habits Bestseller A Century of America's Favorite Books is a must read **Making the List** Michael Korda, 2001 Using the annual hardcover best seller lists from The Bookman and then Publishers Weekly examines twentieth century American social cultural and historical trends through the lens of popular literature **Library Book Catalog** United States. Law Enforcement Assistance Administration, 1972

Library Book Catalog United States. Department of Justice, 1972 [Rage for Fame](#) Sylvia Morris, 2014-04-01 A NEW YORK TIMES NOTABLE BOOK Her technique was simple aim for the top an envious colleague wrote of Clare Boothe Luce No American woman of the twentieth century aimed so accurately or rose so far as this legendary playwright politician and social seductress Born in New York's Spanish Harlem with nothing to recommend her but beauty ferocious intelligence and dry wit she transformed herself into the youthful managing editor of Vanity Fair She married two millionaires and wrote three Broadway hits including the biting satire The Women Her second husband Henry Luce the publisher of Time Fortune and later at her suggestion Life was only one of the dozens of men she entranced Adding politics and power to journalism and drama Clare used sex street smarts acid humor and money to plot a career more improbable than anything in her own fiction Not content with mere wealth and the acclaim of transatlantic café society Clare Boothe Luce confessed to a rage for fame This extraordinary book the result of more than fifteen years of research by Sylvia Jukes Morris her chosen biographer tells how she achieved it Praise for Rage for Fame A model biography the sort that only real writers can write Gore Vidal The New Yorker The riveting first part of a two volume biography Relentlessly candid meticulously documented Morris's book traces Clare Boothe Luce's rocketing rise from illegitimacy and poverty to wealth power and fame Hartford Courant Powerful and resonant admiring at times always critical at times searing but ultimately fair The Philadelphia Inquirer Crammed with enough drama for several mini series The New York Times An important book about an important figure a stunning feat of biography Forbes A dishy biography that is also a formidable work of research Slate One of those rare books where the reader dreads the final page Newport News Daily Press **The Real Nick and Nora** David L. Goodrich, 2004-10 Frances Goodrich and Albert Hackett wrote the screenplays for some of America's most treasured movies including It's a Wonderful Life The Thin Man Easter Parade Father of the Bride Naughty Marietta and Seven Brides for Seven Brothers Legendary films indeed but writing both the play and screenplay for The Diary of Anne Frank was their crowning achievement Controlled chaos best describes their writing method They discussed a scene at length sometimes acting it out Afterwards they each wrote a draft which they exchanged Then Frances said began free criticism which sometimes erupted into screaming matches Noisy and contentious the method worked splendidly Enormously successful and remarkably prolific Goodrich and Hackett began their thirty four year collaboration in 1928 Married after the first of their five plays became a hit they were in many ways an unlikely pair Frances the privileged daughter of well to do parents graduated from Vassar then played minor parts on Broadway Albert's mother put him on stage at age five when his father died to help pay the bills and he became a

highly paid comedian The Hacketts were known for their wit and high spirits and the pleasure of their Bel Air dinner parties They waged memorable battles with their powerful bosses and were key activists in the stressful creation of the Screen Writers Guild Once they had created Nick and Nora Charles The Thin Man s bright charming sophisticated lead couple played memorably by William Powell and Myrna Loy many people saw a strong resemblance and the Hacketts acknowledged that they put themselves into Nick and Nora The Real Nick and Nora is a dazzling assemblage of anecdotes featuring some of the most talented writers and the brightest lights of American stage and screen The work was arduous the parties luminous On any given night the guests singing and acting out scripts at a party might include F Scott Fitzgerald and Sheilah Graham S J Perelman Oscar Levant Ogden Nash Judy Garland Abe Burrows Hoagy Carmichael Johnny Mercer Ira Gershwin George Burns and Gracie Allen Pat O Brien Dick Powell and June Allyson Dashiell Hammett Lillian Hellman James Cagney and Dorothy Parker

Addiction Controversies David M. Warburton, 2023-04-28 In the past the prototypes for characterizing drug use were heroin and cocaine so that research has focused on possible commonalities between any substance and these drugs Addiction controversies explores the problems of the commonalities approach by looking at dissimilarities as well The first chapters of Addiction Controversies trace the development of modern medical attitudes to drug use and the current controversy over its decriminalization The second set of chapters examines the extent to which drugs have common biological and sociological mechanisms of action and contrasts these explanations The final chapters consider the extent to which the desires for different substances are the same and the biological and social explanations of relapse Clinicians researchers and students in all areas of substance use will be stimulated by these challenges to current thinking and will enjoy the comparative approach that is taken by the contributors to Addiction Controversies

Haiti and the Americas Carla Calargé, Raphael Dalleo, Luis Duno-Gottberg, Clevis Headley, 2013-04-23 Haiti has long played a significant role in global perception of the western hemisphere but ideas about Haiti often appear paradoxical Is it a land of tyranny and oppression or a beacon of freedom as site of the world s only successful slave revolution A bastion of devilish practices or a devoutly religious island Does its status as the second independent nation in the hemisphere give it special lessons to teach about postcolonialism or is its main lesson one of failure Haiti and the Americas brings together an interdisciplinary group of essays to examine the influence of Haiti throughout the hemisphere to contextualize the ways that Haiti has been represented over time and to look at Haiti s own cultural expressions in order to think about alternative ways of imagining its culture and history Thinking about Haiti requires breaking through a thick layer of stereotypes Haiti is often portrayed as the region s nadir of poverty of political dysfunction and of savagery Contemporary media coverage fits very easily into the narrative of Haiti as a dependent nation unable to govern or even fend for itself a site of lawlessness that s in need of more powerful neighbors to take control Essayists in Haiti and the Americas present a fuller picture developing approaches that can account for the complexity of Haitian history and culture

Pathways William L. White, 1996-04-30 Pathways from the Culture of

Addiction to the Culture of Recovery
