Miners And Moonshiners:

Coal Miners and Moon Shiners Nancy Richmond, 2015-04-15 Based on the life of West Virginia coal miner and moonshiner Edward Peter Burdiss this volume transports readers to the early years of the coal mining industry including the history of coal mining children coal miners mine wars and life in the coal camps of the early 1900s Edward Burdiss went to work in the coal mines of West Virginia at the age of eleven to help support his family He became a moonshiner during prohibition for the same reason and was considered the greatest rumrunner in the history of Raleigh County WV His story personifies the spirit and the struggle of coalminers and moonshiners

Rural Life and Culture in the Upper Cumberland Michael E. Birdwell, W. Calvin Dickinson, 2004-12-24 Tennessee History Book Award Finalist The Upper Cumberland region of Kentucky and Tennessee often regarded as isolated and out of pace with the rest of the country has a far richer history and culture than has been documented The contributors to Rural Life and Culture in the Upper Cumberland discuss an extensive array of subjects including popular music movies architecture folklore religion and literature Seventeen original essays by prominent scholars such as Lynwood Montell Charles Wolfe Allison Ensor and Jeannette Keith uncover fascinating stories and personalities as they explore topics including wartime hero Alvin C York Socialist Party Tennessee gubernatorial candidate Kate Brockford Stockton and even a thriving nudist colony the Timberline Lodge

Haunted Arizona Charles A. Stansfield, 2020-06-11 UFOs ghost trains and El Chupacabra figure prominently in this collection of eerie tales from the Grand Canyon State From the arid desert to the population centers of Phoenix and Tucson Arizona come a variety of stories and legends including the phantom of Jack the Ripper Sedona's mysterious magnetic fields and ghostly and homicidal guardians of the Lost Dutchman Mine

Revenuers and Moonshiners Wilbur R. Miller, 2017-11-01 The federal government's attempt to enforce civil rights measures during Reconstruction is usually regarded as a failure Far more successful however was the collection of federal excise taxes on liquor during the same period an effort that secured for the government its single most important source of internal revenue In Revenuers and Moonshiners Wilbur Miller explores the development and professionalization of the federal bureaucracy by examining federal liquor law enforcement in the mountain South after the Civil War He addresses the central questions of the conditions under which unpopular federal laws could be enforced and the ways in which enforcement remained limited The extension of federal taxing power to cover homemade whiskey was fiercely resisted by mountain people who had long relied on distilling to produce an easily transported and readily salable product made from their corn As a result the collection of the tax required the creation of the most extensive civilian law enforcement agency in the nation's history the Bureau of Internal Revenue The bureau both regulated taxpaying distilleries and combated illicit production This battle against moonshiners Miller argues implemented by the Republican party's vision of a federal authority capable of reaching into the most remote parts of the nation Miller concentrates his analysis on the revenuers but he nevertheless draws a clear picture of the mountain people who resisted them He dispels

traditional views of moonshiners as folk heroes imbued with a stubborn individualism or simple country folk victimized by outside forces beyond their control or understanding Rather Miller shows that the men and sometimes women who made moonshine were members of a complex and changing society that was a product of both traditional aspects of mountain culture and the forces of industrialization that were reshaping their society after the Civil War Originally published in 1991 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *Class-Conscious Coal Miners* Alan J.
