MORAL
VISION
OF
DOROTHY
DAY**

A FEMINIST PERSPECTIVE

JUNE E. O'CONNOR

Moral Vision Of Dorothy Day A Feminist Perspective

Claire Wolfteich

Moral Vision Of Dorothy Day A Feminist Perspective:

The Moral Vision of Dorothy Day June O'Connor, 1991 Discusses her life and work and the effect that her experience as a woman had on her leadership of a mostly male organization Dorothy Day for Armchair Theologians Elizabeth L. Hinson-Hasty, 2014-01-01 Dorothy Day was more than an armchair theologian enjoying casual conversations about theology with friends from the comfort of her easy chair She was a theologian with street cred Day commands respect because of her experience living among with and as the marginalized Her awareness and knowledge of the challenges faced by people living in poverty stemmed from and were shaped by her relationships with them The presumed distance of academic objectivity does not apply to her story She did more than think and talk about her faith she embodied it She did more than challenge the failures of the Christian church or surrounding local community to address the needs of people in poverty she created new community from the introduction *Women and Christian Mission* Frances Adeney, 2015-11-04 What are Christian women thinking about mission How do they do mission What informs their knowledge and action as they address issues in a complex world where religious proselytizing has become suspect This empirical study explores those questions finding congruence among women from diverse backgrounds and cultural contexts Women in mission face common identity issues utilize art and beauty in their work and develop character as they overcome obstacles in their cultural and denominational settings Through nearly one hundred interviews of women in Europe Asia Brazil and the United States a study of women's theologies of mission lectures and countless conversations with women around the globe this study finds common themes among contemporary women doing Christian mission This book fills a lacuna in mission studies that professors pastors and church women and men will find informative and refreshing **Is God Real?** Joseph Runzo, 1993-04-27 **Navigating New Terrain** Claire E. Wolfteich, 2002 A call to action for religious groups to understand the complex and changing roles of women today within the context of their spiritual lives Feminism, Law, and Religion Marie Failinger, Elizabeth Schiltz, Susan J. Stabile, 2016-04-15 With contributions from some of the most prominent voices writing on gender law and religion today this book illuminates some of the conflicts at the intersection of feminism theology and law It examines a range of themes from the viewpoint of identifiable traditions such as Judaism Christianity Islam and Buddhism from a theoretical and practical perspective Among the themes discussed are the cross over between religious and secular values and assumptions in the search for a just jurisprudence for women the application of theological insights from religious traditions to legal issues at the core of feminist work feminist legal readings of scriptural texts on women's rights and the place that religious law has assigned to women in ecclesiastic life Feminists of faith face challenges from many sides patriarchal remnants in their own tradition dismissal of their faith commitments by secular feminists and balancing the conflicting loyalties of their lives The book will be essential reading for legal and religious academics and students working in the area of gender and law or law and religion A Moral Creed for All Christians Daniel C. Maguire, Widely heralded for his bold

and prophetic ethical thought Maguire urges that Christianity's real relevance for the renewal of American public life lies not in the myopic morality of the Christian Right nor in any particular program of the Left but in the enduring relevance of Jesus and biblical Christianity His new work builds on his earlier volume *The Moral Core of Judaism and Christianity* with the benefit of a new generation of social studies of the New Testament and a keen appreciation for the radically changed situation Christians confront today Daniel C Maguire is Professor of Ethics at Marquette University a past president of the Society of Christian Ethics and president of the Religious Consultation on Population Reproductive Health and Ethics A frequent lecturer and media commentator Maguire is author of many influential works in ethics such as *Death by Choice* 1974 *The Moral Choice* 1975 *The Moral Revolution* 1986 *Sacred Energies* Fortress Press 2000 and *Sacred Choices* Fortress Press 2001

Critical Companion to Eugene O'Neill, 2-Volume Set Robert M. Dowling, 2009 This study explores the personal historical and artistic influences that combined to form such dark and influential American masterpieces as *The Iceman Cometh* *The Emperor Jones* *Mourning Becomes Electra* *Hughie* and arguably the finest tragedy ever written by an American *Long Day's Journey into Night*

Women's Periodicals in the United States Kathleen L. Endres, 1996-11-25 Throughout American history women have worked in reform organizations informal community groups and consciousness raising societies to change their neighborhoods their states and their nation To accomplish social change women have needed to communicate effectively among themselves and with society as a whole Throughout the 19th and 20th centuries women created numerous periodicals to address social political and economic issues Many of these were short lived newsletters while others continue to be published today Through entries on more than 70 individual periodicals published in the 19th and 20th centuries this reference traces the history of women's involvement in many of the social political and economic issues in the United States From abolitionism to temperance from moral reform to birth control from suffragism to anti suffragism from pacifism to feminism this reference surveys a wide range of social movements Entries are arranged alphabetically and each is written by an expert contributor Each entry overviews the history of the periodical and provides circulation and related information The entries close with selected bibliographies and the volume concludes with a chronology and a general bibliography

Spirituality and Deep Connectedness Michael C. Brannigan, 2018-09-15 What is spirituality Does it enable us to be better persons Is spirituality related to religion These days is it even relevant On college campuses does it promote student well being Does it further moral growth Can spirituality make a difference in healthcare What about social justice and service to the marginalized This rich collection of essays by respected scholars and practitioners in diverse fields in academic healthcare social justice and interfaith contexts addresses these questions in strikingly profound and meaningful ways Their voices offer alternatives to the prevailing notion of spirituality as a purely private matter and make a case for living spiritually through deep and genuine engagement with others bridging our inherent and original fault line of Self and Other Their keen observations resuscitate the spiritual fabric of defiance against

and liberation from forces of oppression which show their face not only through chronic inequities and social injustice but in consumer capitalism's grip on our souls. This volume's dispatch to our minds and hearts is timely in an age of looming cynicism, pessimism, fear, and distrust. In carving out a renewed sense of what lies at the heart of living a life of the spirit or spirituality, it offers an antidote to our widespread hermeneutic of suspicion. None of the authors claims to encapsulate one pure meaning of the spiritual. Yet they share one collective voice: spirituality is indeed genuine when it calls forth compassion and wears the worn and tangled face of humaneness, freeing ourselves from the prison of ego. Here we find messages of hope much needed in a time when our society seems increasingly shadowed by dark clouds. These essays remind us of what's right in the world.

Notable American Women Susan Ware, 2004. This latest volume brings the project up to date with entries on almost 500 women whose death dates fall between 1976 and 1999. You will find here stars of the golden ages of radio, film, dance, and television; scientists and scholars; civil rights activists and religious leaders; Native American craftspeople and world-renowned artists. For each subject, the volume offers a biographical essay by a distinguished authority that integrates the woman's personal life with her professional achievements, set in the context of larger historical developments.

The World's Greatest Religious Leaders Scott E. Hendrix, Uchenna Okeja, 2018-03-01. This book provides reliable information about important world religious leaders, correcting the misinformation that can be found on the internet. Religious leaders have shaped the course of history and deeply affected the lives of many individuals. This book offers alphabetically arranged profiles of roughly 160 religious leaders from around the world and across time, carefully chosen for their impact and importance and to maximize inclusiveness of faiths from around the world. Scholars from around the world, each one an expert in his or her field and all holding advanced degrees, came together to create an essential resource for students and for those with an interest in religion and its history. Every entry has been carefully edited in a two-stage review process, guaranteeing accuracy and readability throughout the work. Not strictly a biographical reference that recounts the facts of religious figures' lives, the book helps users understand how the selected figures changed history. The entries are accompanied by excerpts of primary source documents and suggestions for further reading, while the book closes with a bibliography of essential print and electronic resources for further research.

Women's Rights in the United States Tiffany K. Wayne, 2014-12-09. A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day. Few realize that the origin of the discussion on women's rights emerged out of the anti-slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted. Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America. Through 4 volumes and more than 800 entries, editor Tiffany K. Wayne, with advising editor Lois Banner, examines the issues, people, and events of women's activism from the early period of American history to the present time. This comprehensive reference not only traces the historical evolution of the movement

but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights Nine Women Judith Nies,2002-10-15 Historian Judith Nies highlights the lives of nine women who worked effectively to give women equal rights and access to public life in the U S and she writes of women whose environmental activism has been crucial in the ongoing effort to preserve biological diversity on our earth

Spiritual Socialists Vaneesa Cook,2019-10-25 Refuting the common perception that the American left has a religion problem Vaneesa Cook highlights an important but overlooked intellectual and political tradition that she calls spiritual socialism Spiritual socialists emphasized the social side of socialism and believed the most basic expression of religious values caring for the sick tired hungry and exploited members of one s community created a firm footing for society Their unorthodox perspective on the spiritual and cultural meaning of socialist principles helped make leftist thought more palatable to Americans who associated socialism with Soviet atheism and autocracy In this way spiritual socialism continually put pressure on liberals conservatives and Marxists to address the essential connection between morality and social justice Cook tells her story through an eclectic group of activists whose lives and works span the twentieth century Sherwood Eddy A J Muste Myles Horton Dorothy Day Henry Wallace Pauli Murray Staughton Lynd and Martin Luther King Jr spoke and wrote publicly about the connection between religious values and socialism Equality cooperation and peace they argued would not develop overnight and a more humane society would never emerge through top down legislation Instead they believed that the process of their vision of the world had to happen in homes villages and cities from the bottom up By insisting that people start treating each other better in everyday life spiritual socialists transformed radical activism from projects of political policy making to grass roots organizing For Cook contemporary public figures such as Senator Bernie Sanders Pope Francis Reverend William Barber and Cornel West are part of a long standing tradition that exemplifies how non Communist socialism has gained traction in American politics *Gentle Disciplines* Jonathan Nambu,2017-12-01 As I grow older I sense in myself a deepening desire to grow wiser and more compassionate I long to take greater risks to become more vulnerable I realize the need to develop practices that cultivate a deeper life of prayer Do you sense a desire to grow in compassion and wisdom Do you long to live a more open and more authentic life Do you want your prayer life to be richer and deeper In *Gentle Disciplines* Jonathan Nambu husband father cancer survivor missionary and co founder of Samaritana Transformation Ministries shares the lessons he has learned and is continuing to learn Perhaps these lessons are for you as well Use this book during your personal devotions or take it with you during spiritual retreats or times of reflection

Grassroots Warriors Nancy A. Naples,2014-01-14 Who are the grassroots warriors on the front lines of the war on poverty Through in depth interviews Nancy Naples presents the voices of over sixty women African American Puerto Rican and white European American who have fought for social and economic justice in the low income neighborhoods of New York City and Philadelphia These women as community workers and activist mothers contribute vital and often unpaid services to

ther communities offering complex political perspectives and empowering others Naples reconceptualizes labor mothering and politics from the standpoint of women committed to work and politically organize on behalf of low income urban communities Her analysis reveals significant legacies from past social movements and examines how gender ethnicity and class influence political consciousness and practice *Mothering, Public Leadership, and Women's Life Writing* Claire Wolfteich, 2017-07-31 In *Mothering Public Leadership and Women's Life Writing* Claire E Wolfteich presents a series of case studies in Christian spirituality bringing mothers autobiographical writing into focus for theological reflection From the medieval mystic Margery Kempe to the twentieth century activist Dorothy Day from African American preacher Jarena Lee to labor organizer Dolores Huerta the book mines women's first person writing surfacing critical issues for theological analysis Listening deeply to these diverse maternal voices the book advances creative theological reflection on work vocation time poverty Sabbath and spiritual guidance *Mothering Public Leadership and Women's Life Writing* demonstrates the significance of the study of mothering for theology and spirituality studies and the import of life writing as an underutilized source for practical theology *The Moral Vision of César Chávez* Frederick John Dalton, 2003 A moving story of why and how Cesar Chavez struggled for justice for farm workers and left an indelible mark on the struggle for human dignity

Christianity in the Public Square: Literatures of Politics, Protest and Social Justice Anthony R. Grasso, CSC, Editor, 2014-04-29 Proceedings of the Conference on Christianity Literature Northeast Regional Meeting Nov 2 3 2012 King's College Wilkes Barre PA Rev Anthony R Grasso CSC Ph D Editor
