**Trauma and Its Wake: The study and treatment of post-traumatic stress disorder** Charles R. Figley, 1985      The Uncommon Appeal of Clouds Alexander McCall

Smith, 2012-10-23 Isabel Jamie and Charlie are off to Highland Perthshire to visit an old schoolfriend of Isabel's who married into a family of wealthy newspaper owners. The weekend is a success apart from one thing: Charlie witnesses a fox being shot by the estate manager and is very upset. A few weeks later, the Edinburgh press reports a major art theft from the friend's Highland estate, including a valuable Dutch masterwork that was going to pay the estate tax. In helping her friend and the team of lawyers to negotiate the ethical dilemmas of paying ransom for the painting's return, Isabel will face her first real criminals. The lawyers are distinctly suspect and may be closely tied to the thieves; they may even be the thieves themselves. At the same time, she must confront the thorny issues of old friendships that have run their course and truth-telling in the provision of references.

**A Nurse's Life in War and Peace** Eleanor Constance Laurence, 1912

PREFACE The charm of these letters it will at once be found depends upon their simplicity their artlessness their obvious candour They present a plain untinted account of a nurse's career of the difficulties she has to face and the problems she has to solve Those who wish to know something of a nurse's life and times will find in this writing a convincing narrative unemotional and matter of fact This is no small merit since the record of nursing experiences is apt to be blurred by exaggeration or made nauseous by sickly romance There is pathos enough in the sick room and in the presence of death but those who come in touch with it would do better to hush the knowledge in their hearts rather than to proclaim it on the house tops Apart from this the world must be a little weary of the astute sick child who lisps melodrama into the ear of the kind nurse as well as of the bizarre aphorisms of the dying tramp
