Philip Murphy     *The Sincerest Form of Parody* John Benson, 2012-04-02 The best and funniest material from the bandwagon jumping MAD imitators with work by Jack Davis Will Elder Dick Ayers Bill Everett Jack Kirby and many more plus expert commentary Casual comics readers are probably familiar with the later satirical magazines that continued to be published in the 60s and 70s such as Cracked and Sick but the comics collected in this volume were imitations of the MAD comic book not the magazine and virtually unknown among all but the most die hard collectors For the first time Fantagraphics is collecting the best of these comics in an unprecedented collection     **The Satanism Scare** Joel Best, 2017-09-29 Although there is growing concern over Satanism as a threat to American life the topic has received surprisingly little serious attention Recognizing this the editors of this volume have selected papers from a wide variety of disciplines broadly covering contemporary aspects of Satanism from the vantage points of studies in folklore cults religion deviance rock music rumor and the mass media All contributors are skeptical of claims that a large powerful satanic conspiracy can be substantiated Their research focuses instead on claims about Satanism and on the question of whose interests are served by such claims Several papers consider the impact of anti Satanism campaigns on public opinion law enforcement and civil litigation child protection services and other sectors of American society The constructionist perspective adopted by the editors does not deny the existence of some activities by real Satanists and two papers describe the workings of satanic groups Whatever the basis of the claims examined and analyzed there is growing evidence that belief in the satanic menace will have real social consequences in the years ahead     *The Spectrum Of Child Abuse* R. Kim Oates, 2013-10-28 First published in 1996 With so much information available today in the area of child abuse figuring out where to begin quickly becomes overwhelming But the Spectrum of Child Abuse stands out from current literature in its comprehensiveness and balance Dr Oates presents a detailed thoroughly referenced overview of the entire field rather than focusing exclusively on one particular professional viewpoint or facet of the problem The chapters encompass physical abuse sexual abuse emotional abuse and neglect For each of these areas the text offers a clear historical perspective in addition to pertinent data on incidence and epidemiology contributing factors assessment treatment and prevention Moreover a wealth of case studies underscores the importance and meaning of various intervention strategies     *Four Color Fear* Greg Sadowski, John Benson, 2010-10-18 A massive collection of never before collected pre Comics Code horror comics of the 1950s Of the myriad genres comic books ventured into during its golden age none was as controversial as or came at a greater cost than horror the public outrage it incited almost destroyed the entire industry Yet before the watchdog groups and Congress could intercede horror books were flying off the newsstands During its peak period 1951-54 over fifty titles appeared each month Apparently there was something perversely irresistible about these graphic excursions into our dark side and Four Color Fear collects the finest of these into a single robust volume     **American Tabloid Media and the Satanic Panic, 1970-2000** Sarah A. Hughes, 2021-10-27 This book examines the satanic panic of the 1980s as an essential

part of the growing relationship between tabloid media and American conservative politics in the 1980s It argues that widespread fears of Satanism in a range of cultural institutions was indispensable to the development and success of both infotainment or tabloid content on television and the rise of the New Right a conservative political movement that was heavily guided by a growing coalition of influential televangelists or evangelical preachers on television It takes as its particular focus the hundreds of accusations that devil worshippers were operating America s white middle class suburban daycare centers Dozens of communities around the country became embroiled in trials against center owners the most publicized of which was the McMartin Preschool trial in Manhattan Beach California It remains the longest and most expensive criminal trial in the nation s history
