The Nursery Rhyme Murders Gerald Verner, 2011 Mr Budd and Sergeant Leek investigate a peculiar murder in the village of Marbury A body has been found in a derelict house called Jackson s Folly A note pinned to the door has the nursery rhyme The House That Jack Built scribbled on it Then Lady Conyers of nearby Marbury Court is also found dead in bed with the same rhyme scrawled on the bedroom door As Mr Budd encounters many false trails can he secure a successful conclusion *The Nursery Rhyme Murders* Nelson E. Bagsby, 2003-02-01 The Nursery Rhyme Murders is about a male female detective team assigned to catch the killer that is taking vengeance on five women who tormented him more than twenty years ago As a part of the killeras murder torture ritual he cuts off the victimas toes from the left foot He leaves four of the toes to be found while keeping one for himself The digit that he keeps assigns his victim to the role of one of the pigs in the game aThis Little Piggy a Also involved with the killer is one of his future victims who has her own motive for getting rid of the other four apiggies a as well as an ill conceived plan that she hopes will prevent her from becoming piggy number five This murder mystery is laced with humor suspense plot twists and sexual tension It keeps the reader keenly interested but it is by no means difficult to follow The ending will certainly take you by surprise *The Nursery Rhyme Murders* Agatha Christie, 1970 A nursery rhyme figures tantalizingly in each of these novels but there is nothing childlike about the dark secrets and darker deeds of some of the characters nothing innocent about the murderers Whether the detective featured is the delightful sharp eyed Miss Marple the redoubtable Hercule Poirot or Chief Inspector Taverner of Scotland Yard each one is challenged by an adversary worthy of a master of crime Here is Agatha Christie at her best baffling daringly logical and immensely entertaining **Agatha Christie: Mysteries and Murders in the Making** John Curran, 2025-04-22 Agatha Christie *Mysteries and Murders in the Making* has descriptive copy which is not yet available from the Publisher

Reading for Redemption Christian R. Davis, 2011-02-07 The goal of this book is to define and explain the archetypal pattern of redemption that underlies our whole notion of resolution in literature and to demonstrate through multiple examples that successful literature poems and stories that have shown endurance or popularity uses this pattern in specific ways This theory should help readers to interpret both particular works of literature and the general notion of literature The pattern of redemption employed here in its ideal form involves the sacrifice of an innocent redeemer to save something that has been lost Because this pattern of redemption is typically associated with Christianity this book can be taken as proposing a Christian theory of criticism Current textbooks on literary criticism and theory cover a range of perspectives such as Marxism feminism multiculturalism reader response and queer theory but they invariably ignore the field of Christian criticism Therefore this book may be most useful as a supplementary text for courses in literary criticism that might include a Christian perspective At the same time however the terms and methodology proposed here are not exclusive to or dependant on Christian beliefs so readers of all types may find this approach useful The greatest strength of this book is its application of the theory to numerous examples from a wide range of genres and periods of literature testing the theory on classical and Shakespearean works such as the Iliad and Odyssey Hamlet and Coriolanus best sellers such as The Lord of the Rings Le Petit Prince Valley of the Dolls and Harry Potter and the Deathly Hallows horror stories such as Frankenstein postcolonial novels such as Things Fall Apart and The Kite Runner and lyric poems Consequently even readers who are skeptical of the assumptions used here should find the many concrete examples thought provoking
