Nurturing Pentecostal Families:

Nurturing Pentecostal Families: A COvenant to Nurture our Family John Kie Vining, 1996 In the same fashion as Growing Pentecostal Kids and Developing Pentecostal Teens this powerful resource is essential for local church workers and Pentecostal families who want to make a difference in their homes **The Hermeneutical Spirit** Amos Yong, 2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author's previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context **Gospel, Culture, and Transformation** Chris Sugden, 2011-05-13 Gospel Culture and Transformation explores the practice of mission especially in relation to transforming cultures and communities Mission as Transformation has become a mainstream definition of mission in orthodox Christian circles especially in the Two Thirds World and among those involved in ministry with the poor Vinay Samuel has played a leading role in developing this understanding of mission which he defines as follows Transformation is to enable God's vision of society to be actualized in all relationships social economic and spiritual so that God's will may be reflected in human society and his love be experienced by all communities especially the poor Christian faith is faith in the incarnation of God in a particular place in history so all theology should have to do with the particular This work studies mission in the work of the leading Indian Mission Theologian Canon Dr Vinay Samuel between 1984 1996 It is taken from the author's larger work Seeking the Asian Face of Jesus Wipf and Stock 2011 Lamin Sanneh D Willis Professor of Mission and World Christianity Yale University wrote of that book Dr Sugden brings a sharp theological focus to bear on issues of context identity and cultural particularity The literature on contextual theology and situational ethics now has a standard to rise to A companion volume Mission as Transformation is edited by Viney Samuel and Chris Sugden Wipf and Stock 2009 **Pentecostal Ecclesiology** Chris Green, 2016-06-27 This reader in Pentecostal ecclesiology edited by Chris Green brings together in a single volume a number of critically important previously published essays written by leading Pentecostal and charismatic scholars addressing the

theology of the church sacraments and ministry in the Pentecostal charismatic traditions Contributors include Estrela Alexander Peter Althouse Jonathan E Alvarado Ken Archer Daniela Augustine Simon Chan Graciela Esparza Jenny Everts Chris E W Green Walter Hollenweger Cheryl Bridges Johns Veli Matti K rkk inen Andy Lord Frank Macchia Clark Pinnock Margaret M Poloma Lisa Stephenson Wolfgang Vondey and Amos Yong

Faith of Our Mothers Donald S. Aultman,2014-04-11 Dr Donald Aultman brings together in one volume leaders from the Church of God to reveal the Faith of Our Mothers stories of faithful women who valued nourished and trained their children sometimes against all odds These are women of virtue and godly character whose faith patience sacrifice and humor forever shaped the sons and daughters now walking in their footsteps In a culture where Christianity is increasingly marginalized and children are pulled away from faith in a world that s cold raw and harsh in a society built on high achievement self serving goals and shortsighted pursuits may God continue to raise up women of faith who will minister the Word of God love their families and show us the way home

Mark L Williams Church of God Overseer **The Spirit Poured Out on All Flesh** Amos Yong,2005-07-01 The Pentecostal movement has had an incredible impact on the shape of worldwide Christianity in the past century Estimates are that Pentecostals and charismatics make up approximately one fourth of Christians worldwide and the numbers are only expected to grow With these developments comes the need for thoughtful Christians of all persuasions to better understand Pentecostal theology In fact Amos Yong believes that Pentecostal theology can be a great gift to the church at large Yong presents a thoroughly Pentecostal theology of salvation the church the nature of God and creation He also provides a fascinating survey of the state of worldwide Pentecostalism examining how Pentecostal theology is influencing Christian churches in other countries

Seeking the Asian Face of Jesus Chris Sugden,1997 *Evangelical Identity and Gendered Family Life* Sally K. Gallagher,2003 *Evangelical Identity and Gendered Family Life* provides a sociological and historical analysis of gender family and work among evangelical Protestants In this innovative study Sally Gallagher traces two lines of gender ideals one of husbands authority

and leadership the other of mutuality and partnership in marriage from the Puritans to the Promise Keepers into the lives of ordinary evangelicals today Rather than simply reacting against or accommodating themselves to secular society Gallagher argues that both traditional and egalitarian evangelicals draw on longstanding beliefs about gender human nature and the person of God The author bases her arguments on an analysis of evangelical family advice literature data from a large national survey and personal interviews with over 300 evangelicals nationwide No other work in this area draws on such a range of data and methodological resources Evangelical Identity and Gendered Family Life establishes a standard for future research by locating the sources strategies and meaning of gender within evangelical Protestantism **Latino Fathers**
