03: One People One World One Accord Melvin William Reed, 2005-07 In Truth versus Falsehood Mr Gabel uses Cyclical Data Analysis to pinpoint the two major events that define the end of the age phenomena namely the rapture or fetching away of the Holy Saints who are known in holy writ as The Bride of Christ This event will occur just prior to the rise of an antichrist dictatorship that will precipitate an end of the age worldwide holocaust through which hardly any flesh will survive on the earth In the meantime we can see the two opposing forces of good and evil butting heads with a ferocity that crescendos as we get closer to the end of the age All twenty one chapters contain less than 120 pages of reading material however they will provide a balanced insight into what really matters and what really doesn't matter as we approach the final curtain So pucker up your lips It's time to kiss the two thousand year old Church Age goodbye **03 One People, One World, One Accord** Melvin W. Shanti Peace and Prema Love the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam, the Abode of Highest Peace, and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the Eternal Charioteer. It signifies the presence of the Lord in every being as the Atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical, and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis, streams of sacredness known as the Vahini Series, comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha, and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam, and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively of every month from Prasanthi Nilayam. This magazine has wide ever-increasing circulation in India as well as abroad as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language.

THUS SPAKE SAI Discoursing during the launch of Sanathana Sarathi: From this day our Sanathana Sarathi will lead to victory, the cohorts of truth, the Vedas, the Sastras, and similar scriptures of all faiths against the forces of the ego, such as injustice, falsehood, immorality, and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paean of triumph when universal Ananda is achieved. One People, One World, One Accord Melvin W. Reed, 2008-07-01. Why YOU should read this book regardless of your religion: After I was ordained into the Gospel of Jesus in Charlotte, N.C., I came to realize that most religions are more concerned with worshipping their beliefs than God. This book finds that church leaders are a primary reason our children are not taught to love their neighbor as themselves through scriptural misinterpretations. It does not ask you to change your faith just to simply think about what it says. I predict that after you read this book, you will want to tell others about it. As you tell them, they will see a new you. Hereafter, the miraculous power of brotherhood will create a world of one people, one world, and one accord. May God bless and keep you, may He make His face to smile upon you and bring peace to you and yours. **English Mechanic and Mirror of Science**, 1873. Islam For Dummies Malcolm Clark, 2011-03-10.
