Legal Documents from the Judean Desert Aharon Layish, 2011-07-12 English translations of modern legal documents from the Judean Desert cast light on the Islamization of the tribal customary law in the tribal judge s precinct This book is intended for students of Islamic law of customary law and comparative law legal social and economic historians and Arabists

Because of Our Unbelief Paul E Orman, 2024-08-22 Because of Our Unbelief encompasses the social issues of our day and examines them from both a secular and a Biblical point of view The issues that divide us as a nation The issues that clearly show a battle for Good and Evil that which is Right and that which is Wrong It shows how Holy Scripture may influence our thinking and help shape the important decisions we make in life It outlines how we have abandoned our belief in God the Creator and how that has led us down a path of destruction Both the Christian and non Christian worldviews are examined and the affects they have on one another is examined And it intends to show that our poor decisions are made due to our unbelief in God For Christians our compromise of His moral truth and for non Christians the suppression of God s Law written on our hearts and minds And that if we were to correct that unbelief not only would we free God to heal our land but that we could see a great revival sweep across the globe resulting in hundreds of thousands of souls being added to the Kingdom of God A third Great Awakening where God makes one last plea with humanity before the return of our Lord and Savior Jesus Christ
