## **Pinocchio The Tale Of A Puppet:**

**Pinocchio** Carlo Collodi, 2011-12-07 Though one of the best known books in the world Pinocchio at the same time remains unknown linked in many minds to the Walt Disney movie that bears little relation to Carlo Collodi's splendid original That story is of course about a puppet who after many trials succeeds in becoming a real boy Yet it is hardly a sentimental or morally improving tale To the contrary Pinocchio is one of the great subversives of the written page a madcap genius hurtled along at the pleasure and mercy of his desires a renegade who in many ways resembles his near contemporary Huck Finn Pinocchio the novel no less than Pinocchio the character is one of the great inventions of modern literature A sublime anomaly the book merges the traditions of the picaresque of street theater and of folk and fairy tales into a work that is at once adventure satire and a powerful enchantment that anticipates surrealism and magical realism Thronged with memorable characters and composed with the fluid but inevitable logic of a dream Pinocchio is an endlessly fascinating work that is essential equipment for life

*The Adventures of Pinocchio* Carlo Collodi, 2002 Readers familiar only with the Disney adaptations of Collodi's classic will be surprised by this dark masterpiece a central work in the Italian literary canon First published in serial form in 1881 in the Italian periodical *Giornale dei Bambini* *The Adventures of Pinocchio* garnered immediate acclaim as a children's story Today Italians consider Pinocchio along with *The Divine Comedy* and *The Decameron* one of their most important works of literature Collodi did more than merely weave a captivating tale Through metaphor and allusion he summed up the national character of Italy and made biting commentary on many of the prominent social concerns of the nineteenth century among them the despair and hunger of poverty the importance of an education and the hypocrisy of the judicial and medical establishments Indeed the universality of Collodi's themes led Benedetto Croce to remark The wood from which Pinocchio is carved is humanity itself This vibrant new translation fully renders Collodi's subtle and sarcastic wit reclaiming the book for adult readers The evocative illustrations by Carmelo Lettere are as delightfully refreshing and timeless as the story itself
