Pinto Lowery:

Pinto Lowery G. Clifton Wisler, 2014-05-05 Pinto Lowery never wanted anything more than the chance to raise a family and find a piece of land he could call his own But after fighting in the Civil War he couldn't settle and instead drifted all over the West breaking mustangs haunted by the ghosts of his fallen comrades All that changed in a flash There didn't seem to be a good reason to leave mustanging to go work on the farm of Mister Tully Oakes while Oakes travels north on a cattle drive The man had a reputation for being stingy ornery and contrary But when Pinto met Elsie Oakes and her young children an old yearning stirs in his heart and Pinto decided to take Tully's offer Time goes by quickly when the work is hard Yet while the corn is being harvested and everyone is around the fire at night Pinto can almost fool himself into believing he's found a loving family and the first secure home he's known since boyhood But the day of Tully's return looms and the Hannigan gang has taken to raiding the local ranches imperiling Pinto Lowery's simple dreams of the future *Topsy-turvy 1585* Robin D. Gill, 2004 In 1585 Luis Frois a 53 year old Jesuit who spent all of his adult life in Japan listed 611 ways Europeans and Japanese were contrary completely opposite to one another Robin D Gill a 53 year old writer who spent most of his adulthood in Japan translates these topsy turvy claims we sniff the top of our melons to see if they are ripe they sniff the bottom of theirs 10% of the book examines their validity 20% of the book and plays with them 70% of the book Readers with the intellectual horsepower to enjoy ideas will be grateful for pages discussing things like the significance of black and white clothing or large eyes vs small ones while others with a keen eye to collect quirky facts will be delighted to find say that the women in Kyoto were known to urinate standing up or Japanese horses had their stale gathered by long handled ladles etc and serious students of history and comparative culture will gain a better understanding of the nature of radical difference exotic by definition and its relationship with the farsighted policy of accommodation pioneered by Valignano in the Far East
