Pioneer Days In British Columbia:

Pioneer Days in British Columbia Art Downs, 1979-05 *Pioneer Days* is a blend of words and photos that proves British Columbia's history is as interesting as that recorded anywhere else in North America. Every article is true, many written or narrated by those who 100 or more years ago lived the experiences they relate. Each volume contains 160 pages plus some 60 000 words of text and over 200 historical photos, many published for the first time. *Pioneer Days in British Columbia* Art Downs, 1973. *Pioneer Days in British Columbia* Art Downs, 1991. *Alex Lord's British Columbia* Alexander Russell Lord, 1991. Alex Lord, a pioneer inspector of rural BC schools, shares in these recollections his experiences in a province barely out of the stage coach era. Travelling through vast northern territory utilizing unreliable transportation and enduring climatic extremes, Lord became familiar with the aspirations of remote communities and their faith in the humanizing effects of tiny assisted schools. En route he performed in resolute yet imaginative fashion the supervisory functions of a top government educator, developing an educational philosophy of his own based on an understanding of the provincial geography, a reverence for citizenship, and a work ethic tuned to challenge and accomplishment. Although not completed, these memoirs invite the reader to experience the British Columbia that Alex Lord knew. Through his words we endure the difficulties of travel in this mountainous province. We meet many of the unusual characters who inhabited this last frontier and learn of their hopes, fears, joys, sorrows, and eccentricities. More particularly, we are reminded of the historical significance of the one room rural school and its role as an indispensable instrument of community cohesion. John Calam has organized the memoirs according to the regions through which Lord travelled. He has included in his introduction a biography of Alex Lord, a brief description of the British Columbia he knew, a sketch of its public education system, and an assessment of the place Lord's writing now occupies among other works on education and society. **Frontier Days in British Columbia** Garnet Basque, 2006-04-20. BC's best history writers bring the province's early days to life in these pages. Illustrated with over 80 colour photos plus maps and archival illustrations, *Frontier Days in British Columbia* is a fountain of information and a visual treat. Editor Garnet Basque's selection of 20 great west coast stories offers entertaining lore from the high seas to the high country, ranging from the fateful voyage of the Grappler to the legendary exploits of packer Jean Cataline Caux and from the first Hudson's Bay Company forts to the age of whaling. **British Columbia and Yukon Gold Hunters** Donald E. Waite, 2015. A look at the 19th century gold rushes in British Columbia and the Yukon. Includes archival photographs and hand drawn maps. *Alex Lord's British Columbia* John Calam, 2007-10-01. Alex Lord, a pioneer inspector of rural British Columbia schools, shares in these recollections his experiences in a province barely out of the stage coach era. Travelling through vast northern territory utilizing unreliable transportation and enduring climatic extremes, Lord became familiar with the aspirations of remote communities and their faith in the humanizing effects of tiny assisted schools. En route he performed in resolute yet imaginative fashion the supervisory functions of a top government educator, developing an

educational philosophy of his own based on an understanding of the provincial geography a reverence for citizenship and a work ethic tuned to challenge and accomplishment *British Columbia-Yukon Sternwheel Days Art Downs*,1992 Over 300 sternwheelers plied the BC Yukon waters a record in North America In icy northern lakes rivers and the open sea these flat bottomed steamers served for 100 years Ripped open by rapids gutted by fire crushed by ice they left a memorable wake that altered history forever This book includes portraits of flamboyant captains and crews details on how the vessels were constructed and operated historical background of the communities they served and more Salmon Fishing British Columbia Mike Cramond,1989 Vancouver Island is one of the world s best year round salmon fishing areas This comprehensive guide describes popular fishing holes including a map of each and data on gear best time of year methods and more **Carving the Western Path** R. G. Harvey,2011-06-15 The history of British Columbia s transportation systems north of the Canadian National Railway s mainline may not be well known but it certainly is colourful Continuing the story he began in the first volume of Carving the Western Path R G Harvey describes the development of river road and rail routes that crossed the northern two thirds of BC This was a land of dreams and schemes that seemed to feed on each other It started with the Collins Overland Telegraph a communication link that was to connect Europe and America in the 1860s Though this plan collapsed with the success of the trans Atlantic cable the telegraph surveyors established patterns for future roads and settlement They also sparked the Omineca gold rush It was a land full of larger than life characters including Charles Hays who dreamed of a major seaport at Prince Rupert but died on the Titanic before he could realize his vision Charles Bedaux who in the 1930s carved his 416 mile path into the northern Rockies Railway promoters Warburton Pike Sir Edward Phillipps Wolley William Mackenzie and Donald Mann who got gifts of land and money but couldn t always meet their promises Their stories mingle with those of the Grand Trunk Pacific Railway the Alaska Highway the White Pass and Yukon Railway and those of the sternwheelers fur traders gold miners and other adventurers who were drawn to this last frontier *Wagon Road North Art Downs*,2021-06-18 A newly revised and updated edition of the classic pictorial account of the Cariboo Gold Rush trail First published in 1960 Wagon Road North is the quintessential popular history book chronicling gold rush era BC Focusing on the Cariboo Wagon Road the crucial transportation route stretching from Fort Yale to Barkerville that made it possible for tens of thousands of prospectors to make their way to the Cariboo goldfields in the 1860s this newly updated expanded and re designed edition brings to life the adventures hardships and blind ambitions of the men and women who risked everything in the quest for gold Packed with more than one hundred archival photos many of them rarely seen as well as maps and contemporary images of historical sites this fascinating book is a visual celebration of a pivotal chapter in early BC history **British Columbia Bizarre** Rosemary Neering,2011 British Columbia Bizarre is a fascinating and eclectic mix of tales snippets historical facts fancies and misconceptions teased from the history of British Columbia No one should read this book to obtain a balanced view of the province s history It ignores the important people

and trends that contributed to BC's story and instead favours the often strange sometimes wonderful and frequently insignificant events and people that make this province a storyteller's dream Amuse yourself with tales of the brothels bowdy houses and bagnios that existed in every town the wild camels of Vancouver Island communists well sort of duels to the death and goose races And if that isn't enough fill your boots with a potpourri of editorial feuds gamblers and professional hangmen lepers and lynching and let's not forget angry moose Sure to delight and surprise British Columbia Bizarreis a wild safari through provincial history that will confuse your assumptions and tickle your taste for the unusual Dictionary Catalogue of the Library of the Provincial Archives of British Columbia, Victoria Provincial Archives of British Columbia.
