*The Pioneer Women of Vancouver Island, 1843-1866. Written by N. de Bertrand Lugin. Edited by John Hosie. [With Portraits.]. Women's Canadian Club of Victoria (VICTORIA, B.C.), John HOSIE, N. de Bertrand LUGRIN, 1928* **The Pioneer Women of Vancouver Island 1843-1866** N. de Bertrand Lugin, 1928 *The Pioneer Women of Vancouver Island, 1843-1866* Nellie de Bertrand Lugin, 1928 J. F. Bosher, 2010-04 During the century 1850 1950 Vancouver Island attracted Imperial officers and other Imperials from India the British Isles and elsewhere in the Empire Victoria was the main British port on the north west Pacific Coast for forty years before the city of Vancouver was founded in 1886 to be the coastal terminus of the Canadian Pacific Railway These two coastal cities were historically and geographically different The Island joined Canada in 1871 and thirty five years later the Royal Navy withdrew from Esquimalt but Island communities did not lose their Imperial character until the 1950s P 4 of cover In the Days of Our Grandmothers Mary-Ellen Kelm, Lorna Townsend, 2006-01-01 From Ellen Gabriel to Tantoo Cardinal many of the faces of Aboriginal people in the media today are women In the Days of Our Grandmothers is a collection of essays detailing how Aboriginal women have found their voice in Canadian society over the past three centuries Collected in one volume for the first time these essays critically situate Aboriginal women in the fur trade missions labour and the economy the law sexuality and the politics of representation Leading scholars in their fields demonstrate important methodologies and interpretations that have advanced the fields of Aboriginal history women s history and Canadian history A scholarly introduction lays the groundwork for understanding how Aboriginal women s history has been researched and written and a comprehensive bibliography leads readers in new directions In the Days of our Grandmothers is essential reading for students and anyone interested in Aboriginal history in Canada Dictionary of Canadian Biography / Dictionnaire Biographique Du Canada Frances G. Halpenny, Jean Hamelin, 1990-05 These biographies of Canadians are arranged chronologically by date of death Entries in each volume are listed alphabetically with bibliographies of source material and an index to names **Many Tender Ties** Sylvia Van Kirk, 1983 Beginning with the founding of the Hudson s Bay Company in 1670 the fur trade dominated the development of the Canadian west Although detailed accounts of the fur trade era have appeared until recently the rich social history has been ignored In this book the fur trade is examined not simply as an economic activity but as a social and cultural complex that was to survive for nearly two centuries The author traces the development of a mutual dependency between Indian and European traders at the economic level that evolved into a significant cultural exchange as well Marriages of fur traders to Indian women created bonds that helped advance trade relations As a result of these many tender ties there emerged a unique society derived from both Indian and European culture Trials of Labour Brian E. Burtch, 1994 Brian Burtch looks at contemporary midwifery practice in Canada and the role of the state in shaping and defining that practice He examines the qualifications of midwives and discusses their legal status the legacy of competition between nurses and midwives and

the impact of legal actions concerning midwifery practice He emphasizes the pivotal role of the state in supporting midwifery and discusses the difficulties created by increasing interest in midwifery among expectant women and the social forces that inhibit the establishment of a self governing midwifery profession      **Colonial Relations** Adele Perry,2015-04-02 A new

perspective on the nineteenth century imperial world through one family s history across North America the Caribbean and United Kingdom Revealing how these figures demonstrate complicated historical trajectories of empire and nation Adele Perry illustrates how gender intimacy and family were key to making and remaking imperial politics      **Pacific Empires** Frost, Alan,Samson, Jane,2015-09-08 A new interest in European maritime exploration was aroused with the publication of the first volume of J C Beaglehole s edition of The Journals of Captain James Cook in 1955 In the forty odd years since then our knowledge of this exploration and of the imperialism of which it was a part has expanded enormously We now recognise that the scientific endeavours once seen as disinterested manifestations of the Enlightenment actually had both strategic and commercial implications And today much greater emphasis is given to the meanings fof early encounters for both the Natives of the Pacific islands and the Strangers from a European world Glyndwr Williams has played a leading role in the development of these new insights Pacific Empires offers stimulating contributions by a number of his colleagues all authorities in their respective fields It is a timely examination of historical understandings at the end of the twentieth century

Contact and Conflict Robin Fisher,2011-11-01 Originally published in 1977 Contact and Conflict has remained an important book which has inspired numerous scholars to examine further the relationships between the Indians and the Europeans fur traders as well as settlers For this edition Robin Fisher has written a new introduction in which he surveys the literature since 1977 and comments on any new insights into these relationships Fisher contends that the fur trade had originally brought minimal cultural change to the Indians In 1858 it essentially came to an end and with the beginning of white settlement there was a fundamental change in the relationship between Indians and Europeans What had been a reciprocal system between the two civilizations became a pattern of white dominance He shows that while the Indians had been able to adjust gradually to the changes introduced by the traders in the contact period they lost control of their culture under the impact of colonization      *Tales From the West Coast* Adrienne Mason,2003 From record breaking tea clippers to rum runners and sea monsters life on the west coast has never been dull Rich in seafaring legend and adventure these stories will take you on a voyage of discovery into the past      *Music in Canada* Carl Morey,2013-11-26 Providing access to virtually any subject related to music and musicians in Canada more than 900 annotated entries are organized under 13 topics and indexed by author subject and title Background and supplementary information and suggestions for research are presented in introductory essays The material covered reflects the broad spectrum of music in Canadian society including historical analytical and biographical studies of music derived from the European tradition First Nations and Inuit music jazz and popular works folk and ethnic music education research and bibliographical materials The reader is also directed to some

important on line resources Musical activity in Canada has developed remarkably in the past 50 years with a parallel growth of musical scholarship examining historical social and ethnological aspects of Canadian musical life This Guide is the first to draw comprehensively on the wealth of studies now available which are often dispersed and not easily located Consequently this information is invaluable to students and researchers interested in Canadian music the music of North America and Canadian studies Index     **The Washington Historical Quarterly** ,1928     *The Birdcages* Robert Ratcliffe Taylor,2020-02-08 Revealing a little known chapter in the history of Victoria British Columbia The Birdcages the province s first legislative buildings were built 1859 1864 the formative tumultuous time of the Gold Rushes Constructed on the site of the present Legislature they were built amid controversy and derided for their style The brainchild of Governor James Douglas they resembled according to journalist politician Amor de Cosmos something between a Dutch toy and a Chinese pagoda Readers will discover how civil servants and politicians felt about them as a workplace and what the general public thought about them as civic architecture The career of their designer the mysterious Hermann Otto Tiedemann one of Victoria s vivid early characters is recounted as are the contributions of local contractors and tradesmen The site of events of national importance until their demise in 1898 the Birdcages reflected the history character and heritage of Victoria and played an important role in the developing political traditions of the province and the young Dominion of Canada A place for political demonstrations and community celebrations the House of Assembly was where the MLAs debated joining Confederation granting the vote to women and excluding Asian immigrants Based on personal memoirs and letters government documents photographs and plans this book will interest both students and adults history buffs and professional historians     The Canadian Annual Review of Public Affairs John Castell Hopkins,1929     **OLR Index** ,1928     **Strangers in Blood** Jennifer S. H. Brown,1996-01-01 For two centuries 1670 1870 English Scottish and Canadian fur traders voyaged the myriad waterways of Rupert s Land the vast territory chartered to the Hudson s Bay Company and later splintered among five Canadian provinces and four American states The knowledge and support of northern Native peoples were critical to the newcomer s survival and success With acquaintance and alliance came intermarriage and the unions of European traders and Native women generated thousands of descendants Jennifer Brown s *Strangers in Blood* is the first work to look systematically at these parents and their children Brown focuses on Hudson s Bay Company officers and North West Company wintering partners and clerks those whose relationships are best known from post journals correspondence accounts and wills The durability of such families varied greatly Settlers missionaries European women and sometimes the courts challenged fur trade marriages Some officers Scottish and Canadian relatives dismissed Native wives and Indian progeny as illegitimate Traders who took these ties seriously were obliged to defend them to leave wills recognizing their wives and children and to secure their legal and social status to prove that they were kin not strangers in blood Brown illustrates that the lives and identities of these children were shaped by factors far more complex than blood Sons and

daughters diverged along paths affected by gender Some descendants became Métis and espoused Métis nationhood under Louis Riel Others rejected or were never offered that course they passed into white or Indian communities or in some instances identified themselves without prejudice as half breeds The fur trade did not coalesce into a single society Rather like Rupert's Land it splintered and the historical consequences have been with us ever since *Ontario Library Review*, 1926
