The Pioneer Experiment Station, 1875-1975 James Gordon Horsfall, 1992 A History of the Connecticut Agricultural Experiment Station in New Haven Connecticut **Bibliography of Agriculture with Subject Index**, 1993-11 Writings on New England History, 2003 **A Century of News and People in the East Oregonian, 1875-1975** Gordon Macnab, 1975 Hundred Years of Weather Service, 1875-1975 India Meteorological Department, 1976 **New York's Food & Life Sciences Quarterly**, 1974 *Vermont, a Bibliography of Its History* Thomas D. Seymour Bassett, 1983

America, History and Life, 1982 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **Minnesota's St. Croix River Valley and the Anoka Sandplain** Daniel S. Wovcha, We tend to take the landscape around us for granted believing that the land has looked smelled and sounded as it does now for as far back in time as we can imagine from the book Just 150 years after the first Euro American settlers moved into the region now known as the St Croix River Valley and Anoka Sandplain only small fragments of the native landscape remain For example only about 6 percent of the forests present 150 years ago are left and a mere 1 percent of the prairies remain Minnesota s St Croix River Valley and Anoka Sandplain offers a fascinating landscape history of this six county region in east central Minnesota including detailed descriptions of thirty nine varieties of native habitats that still exist there The region includes the counties of Anoka Chisago Isanti Ramsey Sherburne and Washington Much of the data presented in Minnesota s St Croix River Valley and Anoka Sandplain was recently gathered by the Minnesota County Biological Survey and is appearing in print for the first time All of the data is summarized and interpreted to provide a convenient guide for anyone interested in the natural history of the region including landowners seeking more information on a forest or prairie on their land persons interested in visiting native habitats in the region government planners and resource managers and high school biology classes For each native habitat the authors include descriptive text photographs line drawings distribution maps and lists of associated plants and animals The book also contains a guide providing directions to and interpretation of 35 sites accessible to the public where these native habitats can be explored No other single book gives such a thorough and integrated treatment of the native habitats and landscape of the area A set of companion color wall maps is also available Minnesota s St Croix River Valley and Anoka Sandplain Maps of Native Habitats These document the location of the remaining native habitats along with rare plants and animals

educational reform for most of the twentieth century rural school consolidation has received remarkably little scholarly attention The social history and geography of the movement the widespread resistance it provoked and the cultural landscapes its proponents sought to transform have remained largely unexplored Now in *There Goes the Neighborhood* David Reynolds remedies this situation by examining the rural school consolidation movement in that most midwestern of midwestern states Iowa From 1912 to 1921 Iowa was the center of national attention as state and local education leaders attempted to implement a new model of rural education intended to be emulated throughout the rest of the Midwest As part of the Country Life movement whose leaders sought to create a more modern future for farm families an alternative form of rural community that combined the advantages of both city and country the initially successful model collapsed in the early twenties not to be revived until after World War II Reynolds focuses on how and why rural school consolidation was so vigorously resisted in most of Iowa why it failed in the twenties and what its lasting consequences have been Combining social and oral history modern social theory historical geography and ethnography *There Goes the Neighborhood* is the most authoritative analysis to date of the politics geography and social history of rural school consolidation in any state

Spanning Washington Craig E. Holstine, Richard Hobbs, 2005 Designed first and foremost to be practical bridges nevertheless are often breathtaking in their construction combining function and aesthetics The historic structures that span the Evergreen State s highways are no exception These technological wonders are extraordinary by any measure yet their stories have remained largely unknown Conceived by visionary engineers and built by anonymous workmen Washington s highway bridges are amazing triumphs of skill and played a significant role in the state s history Several at the time of their completion attracted worldwide attention and the praise of professional engineers influencing the course of bridge construction In their quest to compile the first comprehensive history of the state s highway bridges the authors poured through the extensive records at the Washington State Department of Transportation WSDOT collecting definitive documentation and photographs from across the state This magnificent book including more than 100 illustrations represents the culmination of years of study by many individuals associated with WSDOT and the Office of Archaeology and Historic Preservation Olympia **National Union Catalog** , Includes entries for maps and atlases **'The Bay of All Beauties'** Lise Fernanda Sedrez, 2004 Historical Abstracts , 1988
