Kummer, 1992-06 The only quantitative deforestation study to focus on one country this case analysis of the Philippines since 1946 yields more concrete data than previous cross national studies David Kummer's close examination of the interactions among political economic and cultural factors and their environmental consequences sheds light on similar situations in other countries **Domesticating Forests: How Farmers Manage Forest Resources** Geneviève Michon, 2005-01-01 **Cutting Across the Lands** Eveline Ferretti, 2018-05-31 An annotated bibliography focused on
