

An abstract painting with a textured, layered appearance. The color palette is dominated by earthy tones: ochre, sienna, and terracotta, with some darker, almost black, areas. The brushstrokes are visible and expressive, creating a sense of depth and movement. The overall composition is non-representational, focusing on color and form.

Pious Passion:

Pious Passion Martin Riesebrodt, 1993 For all who want to make sense of fundamentalism as a long term consequence of the modern world Pious Passion will be required reading It is also enjoyable abounding in cogent arguments set forth in lucid prose and supported by compelling examples Bruce B Lawrence author of Defenders of God Riesebrodt's trenchant analysis brings the comparative study of religious activism to a new level of sophistication exploring not only the ideological development of fundamentalist movements but also the changes in social structure that produced them Pious Passion is a signal event in the modern social sciences for it helps to establish a new academic field the comparative study of

fundamentalism Mark Juergensmeyer author of The New Cold War

Understanding Fundamentalism Richard T.

Antoun, 2008-02-21 The second edition of Understanding Fundamentalism provides a compelling and up to date picture of religious reactions against the modern secular world Comparing Christian Islamic and Jewish fundamentalist movements anthropologist Richard Antoun shows how all three share common characteristics In each tradition fundamentalists seek purity in an impure world attempt to make the ancient past relevant to their contemporary situation look to move religion out of the worship center and into every aspect of life and actively struggle against the aspects of the modern world they regard as evil The new edition addresses fundamentalism in the post 9 11 world transnational religion and the impact of religious migration on Afghanistan and Western Europe A glossary and Antoun's readable style make the concepts readily accessible for beginning students For classes in religious studies anthropology or sociology of religion Understanding Fundamentalism brings a balanced introduction to these often misunderstood religious activists [Fundamentalism and Gender](#) Ulrike

Auga, Christina von Braun, Claudia Bruns, Jana Husmann, 2013-10-04 This anthology addresses the topic of fundamentalism and gender from inter and trans disciplinary perspectives By referring to three major themes Literalism Religion and Science Nation State and Community and Body Life and Biopolitics the book focuses on the analytical diversification of the term fundamentalism and on intersections between religion gender sexuality race and nation International scholars in cultural history and theory religious studies Christian theologies Islamic studies history social sciences anthropology comparative literature and women and gender studies examine the historical and current specifics of religious as well as of secular forms of fundamentalism They also take a critical look at the Western discourse about religious fundamentalism and the ambivalent role feminism plays in this context considering questions such as Why do all religious fundamentalisms claim normalizing definitions of sexuality gender roles and intergender relations In what way do gender and sexual politics play a role in secular criticism of religious fundamentalism And how are forms of secular fundamentalism characterized by gender constructs and sexual politics
