The Nick of Time Rosmarie Waldrop,2021-09-07 A philosophical tour de force melding astrophysics and grief by the American maestra of the prose poem If memory serves it was five years ago that yours began to refuse Rosmarie Waldrop writes to her husband in The Nick of Time Does it feel like crossing from an open field into the woods the sunlight suddenly switched off Or like a roof without edge or frame pushed sideways in time Ten years in the making Waldrop s phenomenally beautiful new collection explores the felt nature of existence as well as gravity and velocity the second hemisphere of time mortality and aging language and immigration a Chinese primer the artist Hannah H ch and dwarf stars Of one sequence White Is a Color first published as a chapbook the Irish poet Billy Mills wrote In what must be less than 1000 words Waldrop says more about the human condition and how we explore it through words than most of us would manage in a thousand pages Love blooms in the cut in the gap in the nick between memory and thought sentence and experience Like the late work of C zanne Waldrop s art has found a new way of seeing and thinking that vibrates on multiple registers through endless restless exploration citation for the Los Angeles Times Book Prize My Year 2005 Douglas Messerli,2006 For years the noted author and founded publisher of Sun Moon Press and Green Integer has been spurred by fellow writers and friends to write his memoirs But Messerli argues that he does not have the sensibility to write only about his personal experiences since his life has been primarily defined by cultural encounters thus this annual collection of essays on these experiences as well as the hundreds of notable figures with whom he has had friendships and working relationships The 2005 volume includes Paul Auster Robert Creeley and John O Keefe among others

Merciless Beauty Samuel Abraham Eisenstein,2007 Loni is imprisoned for murdering her husband Michael But as the story of this beautiful and increasingly hardened woman gradually reveals he is not her only victim Time and time again she has murdered his likeness as it appeared in its various guises be it a childhood piano teacher or a lover Like a vampire Loni is doomed to destroy any man who falls in love with her This novel is both a stunning poem in the manner of Schubert s Death and the Maiden and a hilarious riff on contemporary culture

Means Matter Manuel Brito,2010 This book is a major source for scholars of the latest American poetry These exciting essays comprise energy and documented discussions on

experimentalism multiculturalism hyperspace and gender Anthologies and little magazines form the matrix for this exploration on conceptual issues surrounding language The author widens the perspective in which a great deal of writing forced the limits of poetry in this kind of publications At the same time he analyzes new contexts and enters into conversation with other sources for inspiration found through other disciplines such as social theory philosophy linguistics and art generated at both sides of the Atlantic Ocean Reflective taut with alertness and exploding the postmodern concept of word object as a liberating experience this book becomes a driving force to address poetry and challenging political issues with admirable depth

My Year 2004 Douglas Messerli, 2008 The third volume in Messerli's ongoing cultural memoirs beginning in the year 2000 considers all things under the skin readings events and memories that have defined him as a person In his ongoing attempt to write about a life defined by cultural experiences Messerli delves deep into the cultural events both popular and literary he was witness to during his lifetime

Thin Gloves Deborah Meadows, 2006 If a person watched King Lear and then trotted across the street for a helping of Monty Python and the Holy Grail they wouldn't be far off the experience gained by reading Deborah Meadows poetry Grand themes inhabit literature and by wrinkling them out of their shells and sticking them together poetry can examine the nature of the themes rather than the body they were found in Author of Representing Absence published by Green Integer Deborah Meadows teaches at California Polytechnic State University Pomona

History and Its Making Joe Ross, 2017-06-28 L'Histoire comment Comment l'histoire est un long texte narratif qui constitue le récit d'une vie Le temps est venu pour le poète de tirer des conclusions quelques temporaires et transitoires qu'elles puissent être de ce qu'il a vécu et appris jusqu'au présent Il met ainsi régulièrement en scène des personnes et des voix venues du passé Ce texte peut aussi être lu comme une sorte d'art poétique Le fait de développer son langage spécifique et de prendre la langue par le corps amène à reconnaître le fait que nous aussi sommes le produit des langues et des vies des autres de nos traditions Une langue est un ensemble de vies Au fil du temps les littératures archivent de tels ensembles
