Pipe The Art And Love Of A Great Tradition:

The Great Tradition Edwin Greenlaw, James Holly Hanford, 1919 **The Pipe** Robin Crole, 1999 Today the seductive allure of pipe smoking has never been stronger This elegant full color book is both a celebration of the pipe the history romance and lore and a practical guide that advises readers on how to care for pipes choose the right blend of tobacco and enrich the smoking experience **Forthcoming Books** Rose Army, 1999 **Art, Education, and African-American Culture** Mary Ann Meyers, 2017-09-08 A physician who applied his knowledge of chemistry to the manufacture of a widely used antiseptic Albert Barnes is best remembered as one of the great American art collectors The Barnes Foundation which houses his treasures is a fabled repository of Impressionist post Impressionist and early modern paintings Less well known is the fact that Barnes attributed his passion for collecting art to his youthful experience of African American culture especially music Art Education and African American Culture is both a biography of an iconoclastic and innovative figure and a study of the often conflicted efforts of an emergent liberalism to seek out and showcase African American contributions to the American aesthetic tradition Mary Ann Meyers examines Barnes s background and career and the development and evolution of his enthusiasm for collecting pictures and sculpture She shows how Barnes s commitment to breaking down invidious distinctions and his use of the uniquely arranged works in his collection as textbooks for his school created a milieu where masterpieces of European and American late nineteenth and early twentieth century painting along with rare and beautiful African art objects became a backdrop for endless feuding A gallery requiring renovation a trust prohibiting the loan or sale of a single picture and the efforts of Lincoln University known as the black Princeton to balance conflicting needs and obligations all conspired to create a legacy of legal entanglement and disputes that remain in contention This volume is neither an idealized account of a quixotic do gooder nor is it a critique of a crank While fully documenting Barnes s notorious eccentricities along with the clashing interests of the main personalities associated with his Foundation Meyers eschews moral posturing in favor of a rich mosaic of peoples and institutions that illustrate many of the larger themes of American culture in general and African American culture in particular **Traditions of De-coo-dah** William Pidgeon, 1858 The Medical Fortnightly , 1896 *Zoo, or Letters Not about Love* Viktor Shklovsky, 2024-07-16 While living in exile in Berlin the formidable literary critic Viktor Shklovsky fell in love with Elsa Triolet He fell into the habit of sending Elsa several letters a day a situation she accepted under one condition he was forbidden to write about love Zoo or Letters Not about Love is an epistolary novel born of this constraint and although the brilliant and playful letters contained here cover everything from observations about contemporary German and Russian life to theories of art and literature nonetheless every one of them is indirectly dedicated to the one topic they are all required to avoid their author s own unrequited love **Traditions of De-coo-dah and Antiquarian Researches** William Pidgeon, 1858 **Orissa Society of Americas 39th Annual Convention Souvenir** , Orissa Society of Americas 39th Annual Convention Souvenir for Convention held in 2008 at Toronto

observations of both countryside and wilderness settings gave rise to a self evolved poetics of inclusiveness In his celebrations of nature in all its manifestations mild or bleak he anticipated the work of iconic Canadian painter Tom Thomson and he forecasted the environmentalism of our own time Progress for Lampman spelled societal rectification By forwarding the cause of social betterment one was part of a movement larger than oneself and this expansion too was redemptive Archibald Lampman Memory Nature Progress is the first book on this foundational figure in Canadian literature to appear in over twenty five years and the first thematically focused study Combining close analysis with biographical context it shows how Lampman s oeuvre was shaped by his responses to his physical surroundings and to his social intellectual milieu as filtered through his stubbornly independent outlook **New York Magazine** ,1988-05-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Musical Courier and Review of Recorded Music** ,1920 *ARTnews* ,1956 *The New Statesman* ,1925 The Eclectic Magazine of Foreign Literature, Science, and Art ,1885
