Pipes of a Distant Clansman Gary Burns, 2002-02-05 The Pipes Of A Distant Clansman begins with an overview of the Celtic history and traditions Historical accounts gradually melt into story telling just as the Irish poets and bards have done for centuries The adventures and exploits of the characters are historically correct in every way but are told in the words of those experiencing the events as they happened In the third chapter we meet the American Long Hunters We join them in their fights against Indians British Tories and sometimes each other as they stretch out toward the western sunset These hardy pioneers tell their accounts as part of elite Revolutionary War units such as Morgan s Riflemen We join them in celebration of the British surrender at Saratoga and King s Mountain From tender youth to the rocking chairs of old age we march with them through life as the first Americans Through the continuing chapters the pioneers and their children move over the mountains into the Dark and Bloody Land Kentucky We experience with the pioneers bear hunts making salt and cattle raids Their lives are then torn by a bitter civil war Their children join Union and Confederate armies to fight bloody battles against former family and friend After the war lives are changed forever some for the good others not Spies become lawyers others head west some return to their farms to forget what they have seen Some go in search of treasure others go off to school and the rest choose sides once more in the ranks of the feudists Life in the Eastern Kentucky Mountains moves on slow and separate as it always has until two world wars force the mountaineers from their homes Differences are forgotten as the mountain people once more give their sons to the fight for freedom America becomes a mass of industry to support the war effort As veterans survive or die on distant battlefields their wives learn how to work as independent leaders of the household Here we see the power and resilience of the mountain women their undying love of family and of their welcome knowledge of their own worth The last chapters reflect on all that has been passed to the children of America through these forefathers our strength our love and our long forgotten Celtic ideas The characters gave birth to a nation freed it from its European ties and reached out to touch the Pacific Ocean It is the story of the individual of the single soldier and of the unheard of farmer the story of the common man and where we came from It is the story of the long hunter the spy and the treasure hunter in all of us

A Heart of Stone Barbara Cartland, 2014-06-13 The beautiful Vanora is helping her uncle Lord Blairmond the distinguished Statesman who lives in London to write his autobiography when she has an urgent call from her brother Ewen to return immediately to Scotland He has just become Chieftain of the McKyle Clan and she wonders why he wants her The McKyles have for years fought with the MacFiles whose Chieftain is the Earl of Glenfile The Earl has also returned to Scotland because his father is dying and he has been tricked and deceived by two women he has been having affaires de coeur with in London He comes to the decision that he will never fall in love again and trusts no one Vanora finds when she reaches Scotland that her brother wants her to steal back from the MacFiles the sacred Stone of the Clan McKyle whose Chieftains have used it down the centuries when they accepted the allegiance of their Clansmen Ewen

has seen that the Earl is advertising for a librarian and thinks that is a good excuse to get his sister into Killdona Castle in disguise When Vanora refuses to do what he wants he threatens to have her exiled from the Clan which is something she contemplates in horror Finally she goes to The Castle which she finds very different to what she had expected It is filled with the most marvellous treasures including books she had always longed to feel and read She saves some of the Earl s greatest treasures from being stolen and finally as he is so handsome she falls in love with him She is certain that when he knows who she is he will never speak to her again and drive her away from his castle How the McKyles get back their Stone and how the Earl and Vanora find real love is told in this exciting and unusual story by BARBARA CARTLAND

**Enmascarados** Dick Barnes,2001-03 his reaction was automatic instinctive He pushed the bolt closed as he placed the crosshairs on the truck The necessary adjustments for range and the drop in altitude were made instantly The echo of the big 300 WinMag cartridge crackled through the canyons like desert thunder and the left headlight of the pickup exploded in a silvery cloud A second later the right headlight followed suit He slammed the third round into the rifle s chamber Thus John McClernand raised by his Navajo grandfather to become the clan tracker and hunter is thrust into an adventure that will take

him from the high deserts of Arizona into the heart of the Caribbean A Marine Corps Recon Team sniper John will be moved by his personal sense of destiny to join a group of mercenaries some of them Vietnam veterans on a covert mission tasked with destroying a secret biological warfare center in Havana He cannot foresee that he and his companions will find themselves cut off from CIA resources forced to become the allies of Cuban dissidents veterans of that island nation s war in Angola and with the very scientists whom they were sent to neutralize

**Peace Child** Don Richardson,2005-08-08 From Cannibals to Christ Followers A True Story In 1962 Don and Carol Richardson risked their lives to share the gospel with the Sawi people of New Guinea Peace Child tells their unforgettable story of living among these headhunters and cannibals who valued treachery through fattening victims with friendship before the slaughter God gave Don and Carol the key to the Sawi hearts via a redemptive analogy from their own mythology The peace child became the secret to unlocking a value system that had existed through generations This analogy became a stepping stone by which the gospel came into the Sawi culture and started both a spiritual and a social revolution from within With an epilogue updating how the gospel has impacted the Sawi people this missionary classic will inspire a new generation of readers who need to hear this remarkable story and the lessons it teaches us about communicating Christ in a meaningful way to those around us
