## **Pippi Goes To School:**

*Pippi Goes to School* Astrid Lindgren, 1998 After Tommy and Annika entice Pippi into going to school her first and only day there is unlike anything they ever expected Pippi Goes to School, 2018 **I Want to Go to School Too** Astrid Lindgren, Barbara Lucas, Ilon Wikland, 1987 Five year old Lena longs to go to school and is excited when her older brother takes her with him to spend the day at his school **Pippi Goes Aboard** Astrid Lindgren, 2002 Pippi's father a cannibal king comes to visit 8 yrs *Pippi Goes on Board* Astrid Lindgren, 1977-02-24 Outrageous Pippi Longstocking has no parents around and no rules to follow so she lives according to her own daredevilish ways She's been treating her friends Tommy and Annika to wild adventures too like buying and eating seventy two pounds of candy or sailing off to an island in the middle of a lake to see what it's like to be shipwrecked But then Pippi's long lost father returns and she might have to leave Villa Villekulla From the Hans Christian Andersen Medal winning author of the classic Pippi Longstocking this is another rollicking adventure that's sure to please fans of the freckled fun loving little girl Lovers of Pippi Longstocking will welcome this rollicking tale of a topsy turvy world in which Pippi and her next door neighbors put into practice some ideas about good times School Library Journal Pippi Longstocking Astrid Lindgren, 2020-08-18 The beloved story of a spunky young girl and her hilarious escapades Tommy and his sister Annika have a new neighbor and her name is Pippi Longstocking She has red pigtails no parents to tell her what to do a horse that lives on her porch and a pet monkey named Mr Nilsson Whether Pippi's scrubbing her floors doing arithmetic or stirring things up at a fancy tea party her flair for the outrageous always seems to lead to another adventure A rollicking story The Horn Book **Beyond Pippi Longstocking** Bettina Kümmerling-Meibauer, Astrid Surmatz, 2011-05-09 Astrid Lindgren author of the famed Pippi Longstocking novels is perhaps one of the most significant children's authors of the last half of the twentieth century In this collection contributors consider films music and picturebooks relating to Lindgren in addition to the author's reception internationally Touching on everything from the Astrid Lindgren theme park at Vimmerby Sweden to the hidden folk songs in Lindgren's works to the use of nostalgia in film adaptations of Lindgren's novels this collection is distinguished by its intermedial and international scope in the realm of Lindgren research **Pippi Longstocking, by Astrid Lindgren Lit Link Grades 4-6** Ruth Solski, 2011-05-11 Chapter questions and answer key language teacher guide for easy implementation Cover **Beyond Babar** Sandra L. Beckett, Maria Nikolajeva, 2006-08-19 All too often attention is paid only to those children's novels that were written in English with non English language works being passed over and neglected Beyond Babar The European Tradition in Children's Literature examines eleven of the most celebrated European children's novels in substantial critical essays written by well known international scholars This approach provides a comprehensive discussion of the selected works from a variety of theoretical perspectives Each essay offers a critical introduction to the text that can serve as a point of departure for literary scholars professors of children's literature primary and secondary school teachers and librarians who are

interested in texts that cross languages and cultures Beyond Babar is especially meant to assist instructors of children's literature who would like to use these texts in the classroom in order to begin to redress the English language dominance of many children's literature courses This volume will also be of interest to the general public as its ultimate aim is to bring to the attention of all English speaking readers the literature from other parts of the world in this case from Europe Beyond Babar helps to facilitate the border crossings of these European masterpieces of children's literature into the English speaking world

**The Rhetoric of Character in Children's Literature** Maria Nikolajeva, 2002-01-01 Now available in paperback Until now there was no theoretical research of character in children's fiction and very few comprehensive theoretical studies of literary characters in general In her latest intellectual foray the author of *From Mythic to Linear* ponders the art of characterization Through a variety of critical perspectives she uncovers the essential differences between story what we are told and discourse how we are told and carefully distinguishes between how these are employed in children's fiction and in general fiction Yet another masterful work by a leading figure in contemporary criticism

**How to Get Your Child to Love Reading** Esmé Raji Codell, 2003-01-01 Offers advice and guidelines on how to expand a child's world through books and reading introducing three thousand teacher recommended book titles craft ideas projects recipes and reading club tips

**One-on-One Tutoring by Humans and Computers** Martha Evens, Joel Michael, 2006-08-15 One on One Tutoring by Humans and Computers articulates the CIRCSIM Tutor project an attempt to develop a computer tutor that generates a natural language dialogue with a student Editors Martha Evens and Joel Michael present the educational context within which the project was launched as well as research into tutoring the process of implementation of CIRCSIM Tutor and the results of using CIRCSIM Tutor in the classroom The domain of this project is cardiovascular physiology specifically targeting first year medical students though the idea is applicable to the development of intelligent tutoring systems across populations disciplines and domains This 5 year long project was motivated by the belief that students need assistance in building appropriate mental models of complex physiological phenomena as well as practice in expressing these ideas in their own words to fully develop those models and experience in problem solving to use those models effectively The book outlines directions for future research and includes distinct features such as detailed studies of human one on one tutoring learning outcomes resulting from use of the tutor natural language input parsed and translated into logical form and natural language output generated using the LFG paradigm This volume will appeal to educators who want to improve human tutoring or use computer tutors in the classroom and it will interest computer scientists who want to build those computer tutors as well as anyone who believes that language is central to teaching and learning

**Teaching Literature in Modern Foreign Languages** Fotini Diamantidaki, 2019-04-04 From plays to poetry Le Petit Nicolas to the Association for Language Learning ALL Literature wiki this book shows trainee teachers of MFL teachers in schools teacher educators how literature can be an essential tool for developing students cultural awareness as well as language skills With contributions

from Ruth Heilbronn Jane Jones and other leading scholars it covers a wide range of approaches including looking at how to support students to develop the skills they need to read and discuss texts and how to use stories as a pedagogic tool rather than just a way to develop reading skills Examples of teaching French German Japanese Mandarin and Spanish are used throughout but the book draws together resources and strategies for use in teaching all modern foreign languages Supporting students to develop into creative reflective teachers this book offers support for readers to develop their own tasks for their pupils and questions throughout to keep them engaged and encouraging them to critically engage with the content Seemingly daunting articles are made much more approachable for readers with windows on research which provide a summary of relevant research papers with full reference details for follow up [Aesthetic Approaches to Children's Literature](#) Maria Nikolajeva, 2005-05-12 Each chapter includes a short introduction to a specific theoretical approach an example of its application to a literary text a number of activities such as study questions and reading exercises and suggestions for further exploration Contemporary literary theories discussed include semiotics and hermeneutics structuralism and narratology feminist and postcolonial theory psychoanalysis and reader response *The World Through Children's Books* Susan Stan, 2002 The World through Children's Books is a valuable and easy to use tool for librarians teachers and others who seek to promote international understanding through children's literature The annotated bibliography organized geographically by world region and country contains nearly 700 books representing 73 countries Sponsored by the United States Board on Books for Young People USBBY **Teaching Creative and Critical Thinking** Marjorie S. Schiering, 2016-06-07 This workbook contains over sixty activities for learning through play The activities were created by teacher candidates retired educators and student learners They include interdisciplinary activities for first through twelfth grade levels Each activity includes how to implement instructions along with applicable learning standards **Children's Books and Their Creators** Anita Silvey, 1995 Unique in its coverage of contemporary American children's literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations **Pippi Longstocking Lit Link Gr. 4-6** Ruth Solski, 1996-01-01 Pippi is a silly little girl who lives without any grown ups at the edge of the village with a monkey and a horse Novel by Astrid Lingren Reproducible chapter questions plus comprehension questions a story summary author biography creative and cross curricular activities complete with answer key 43 pages *Gender(ed) Identities* Tricia Clasen, Holly Hassel, 2016-08-25 This volume brings together diverse cross disciplinary scholarly voices to examine gender construction in children's and young adult literature It complements and updates the scholarship in the field by creating a rich cohesive examination of core questions around gender and sexuality in classic and contemporary texts By providing an expansive treatment of gender and sexuality across genres eras and national literature the collection explores how readers encounter unorthodox as well as

traditional notions of gender It begins with essays exploring how children s and YA literature construct communities formed by gender ethnicity sexuality and in face to face and virtual spaces Section II s central focus is how gendered identities are formed unpacking how texts for young readers ranging from Amish youth periodicals to the blockbuster Divergent series trace reproduce and shape gendered identity socialization In section III the essential literary function of translating trauma into narrative is addressed in classics like Anne of Green Gables and Pollyanna as well as more recent works Section IV s focus on sexuality and romance encompasses fiction and nonfiction works examining how children s and young adult literature can serve as a regressive progressive and transgressive site for construction meaning about sex and romance Last Section IV offers new readings of paratextual features in literature for children from the classic tale of Cinderella to contemporary illustrated novels The key achievement of this volume is providing an updated range of multidisciplinary and methodologically diverse analyses of critically and commercially successful texts contributing to the scholarship on children s and YA literature gender sexuality and women s studies and a range of other disciplines

*Bullies and Mean Girls in Popular Culture* Patrice A. Oppliger, 2013-10-03 The numerous anti bullying programs in schools across the United States have done little to reduce the number of reported bullying instances One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents bullying and mean girl behavior This book addresses media role models in television film picture books and the Internet in the realm of bullying and relational aggression It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all Young viewers may learn ineffective even dangerous ways of handling aggressive situations Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals They may also feel their experiences are trivialized by comic portrayals Entertainment programming aimed particularly at adolescents often portray adults as incompetent or uncaring and include mean spirited teasing In addition overuse of the term bully and defining all bad behavior as bullying may dilute the term and trivialize the problem
