Michigan In a collection of 107 seasonally grouped essays that first appeared in his regular column in the Manitowoc Herald Times Reporter his easy prose is at once rich and satisfyingly restrained While he waxes nearly poetic in some passages he never allows his writing to wallow in cheap sentimentality Instead he lets the life of the Lake his hometown of Two Rivers and adjoining lakeshore communities speak for itself with quietly compelling results On the Pond evokes a sense of place strong enough to take a rightful position alongside the works of the most celebrated American writers With the eye of a writer the soul of an outdoorsman and the heart of a small town boy Ted Rulseh brings home the essence of life next to one of the most fabled of the Great Lakes in all its many moods From the sudden and unpredictable storms of autumn and shrieking winter gales to the tentative warmth of spring and summer s full glory Lake Michigan is revealed as an alternately soothing and tempestuous but never dull neighbor A pleasing chronicle of small town life that manages to hang on amid the relentless march of time and technology this book is also a keenly observant naturalist s journal Let it take you away for a while to a place where gulls wheel above steel gray waves and dune walkers pull their jackets a little tighter Book jacket *Mass Communication* Ralph E. Jimmy Buffett Ryan White, 2017-05-09 A candid compelling and rollicking portrait of the legendary pirate captain of Margaritaville Jimmy Buffett In *Jimmy Buffett: A Good Life All the Way* acclaimed music critic Ryan White has crafted the definitive account of Buffett's rise from singing songs for beer to his becoming a tropical icon and inspiration behind the Margaritaville industrial complex a vast network of merchandise chain restaurants resorts and lifestyle products all inspired by his sunny but disillusioned hit Margaritaville Filled with interviews from friends musicians Coral Reefer Band members and business partners who were there this book is a top down joyride with plenty of side trips and meanderings from Mobile and Pascagoula to New Orleans Key West down into the islands aboard the Euphoria and the Euphoria II and into the studios and onto the stages where the foundation of Buffett's reputation was laid Buffett wasn't always the pied piper of beaches bars and laid back living Born on the Gulf Coast the son of a son of a sailing ship captain Buffett scuffed around New Orleans in the late sixties flunked out of Nashville and a marriage in 1971 and found refuge among the artists dopers shrimpers and genuine characters who'd collected at the end of the road in Key West And it was there in those waning outlaw days at the last American exit where Buffett like Hemingway before him found his voice and eventually brought to life the song that would launch Parrot Head nation And just where is Margaritaville It's wherever it's five o'clock it's wherever there's a breeze and salt in the air and it's wherever Buffett set his bare feet smiled and sang his songs
