M. Dellamonica,2024-08-06 A scientist unravels magical mysteries on a water world in this portal fantasy adventure of the high seas from an award winning author Marine videographer and biologist Sophie Hansa has spent the past few months putting her knowledge of science to use on the strange world of Stormwrack solving seemingly impossible cases where no solution had been found before When a series of ships within the Fleet of Nations the main governing body that rules a loose alliance of island nation states are sunk by magical sabotage Sophie is called on to find out why While surveying the damage of the most recent wreck she discovers a strange looking creature a fright a wooden oddity born from a banished spell causing chaos within the ship The question is who would put this creature aboard and why The quest for answers finds Sophie magically bound to an abolitionist from Sylvanner her father s homeland Now Sophie and the crew of the Nightjar must discover what makes this man so unique while outrunning magical assassins and villainous pirates and stopping the people responsible for the attacks on the Fleet before they strike again Praise for the Lambda Award nominated Hidden Sea Tales series Dellamonica has created a fascinating and original fantasyscape Seattle Times A M Dellamonica s Hidden Sea Tales series Child of a Hidden Sea 1 A Daughter of No Nation 2 The Nature of a Pirate 3 Pirate of the Far East Stephen Turnbull,2012-01-20 Feared throughout the Far East Japanese pirates were likened to black demons and flood dragons For centuries relations between Japan Korea and China were carried out through a bizarre trinity of war trade and piracy The piracy which combined the other elements in a violent blend of free enterprise is the subject of this original and exciting book Stephen Turnbull vividly recreates the pirates daily lives from legitimate whaling and fishing trips to violent raids He explores the bases and castles used by the pirates and uses eyewitness accounts and original artwork to give stunning descriptions of a vicious and brutal life **The Pirate Hunter** Richard Zacks,2003-05-14 A gripping look at the life of the seventeenth century sea captain and the never before told story of his hunt for the ruthless pirate Robert Culliford A richly detailed nautical thriller combines exciting escapism with thought provoking history James Bamford author of The Puzzle Palace and Body of Secrets A Time Magazine Best Book of the Year Captain Kidd has gone down in history as America s most

ruthless buccaneer fabulously rich burying treasure up and down the eastern seaboard But it turns out that most everyone from novelists to scholars has the story all wrong Captain Kidd was no career cutthroat he was a tough successful New York sea captain who was hired to chase pirates in the 1690s His three year odyssey aboard the aptly named Adventure Galley would pit him against arrogant Royal Navy commanders jealous East India Company captains storms starvation angry natives and above all flesh and blood pirates Captain Kidd himself facing a long forgotten rogue by the name of Robert Culliford who lured Kidd s crew to mutiny not once but twice Through painstaking research author Richard Zacks has pieced together the never before told story of Kidd versus Culliford of pirate hunter versus pirate as they fought each other in an unscripted duel across the oceans of the world One man would hang in the harbor the other would walk away with the treasure The Pirate Hunter delivers something rare an authentic pirate story for grown ups Zacks s detective work here is thoroughly convincing In addition he sets the suspenseful tale of Kidd s downfall within its larger historical context in a manner reminiscent at times of Defoe vividly illustrating the brutalities of life on a seagoing vessel and the chaos of urban society at the end of the seventeenth century The New Yorker Entertaining richly detailed and authoritatively narrated Zacks s account of the life of legendary seaman William Kidd delivers a first rate story The book is cogent and replete with supporting evidence without the heavy handed feel of some scholarly work What really sets the book apart is Zacks s gift as researcher and storyteller Zacks s book is a treasure indeed Publishers Weekly
