Pkis Aborted Revolt:

The Republican Revolt Nazaruddin Sjamsuddin, 1985 This book deals with the rebellion that occurred in Aceh a province in the northern tip of the Indonesian island of Sumatra in 1953 62 It traces the political stance of the Acehnese a people who are well known for their centuries old independence and heroism in relation to their Central Government in Jakarta Although the main theme of this book is about rebellion it implicitly reveals the political life and behaviour of the Acehnese

From Majapahit and Sukuh to Megawati Sukarnoputri Victor M. Fic, 2003 The Central Thesis Of This Book Maintains That The Need To Preserve Pluralism In Indonesia And The High Price Paid By Its People Anytime Pluralism Had Been Trampled Upon In The Past Are The Two Essential Aspects Of Their Historical Experience This Thesis Is Particularly Relevant For The People Of Indonesia Today As They Are Grappling With The Problems Of National Unity And Transition To A Modern Pluralistic Democracy Two Parts Of This Book Articulate This Thesis Part I Explains The Origin Of The Hindu Buddhist Dualism During The Srivijaya And Sailendra Periods In The VIII IX Centuries And The Process Of Javanization Then Extended This Dualism By Incorporating Into The New Synthesis The Indigenous Ancestral And The Rsi Cults During The Majapahit Period Particularly Under King Wuruk's Rule From 1350 To 1389 This New Pluralism Was Further Extended By Absorbing Elements Of The Kalang Palang Culture And The Bhima Cult Culminating In The Grand Synthesis Of The Core Values Of The Hindu Javanese Culture As Expressed By The Iconography Of Candi Sukuh Erected In 1437 Two Factors Are Identified As Contributing To The Decline And Then Demise Of Majapahit In 1527 First Attempts By China To Build Its Own System Of Dependencies In Southeast Asia By Detaching From Majapahit Its Overseas Territories And Then Its Intervention In The Dynastic Rivalries In Java During The Paregreg Civil War From 1400 To 1406 Second The Penetration Of Islam From The Coastal Areas Of Majapahit Into Its Heartland And The Gradual Establishment Of Its Hegemony Over The Core Values Of The Hindu Javanese Civilization Part II Of The Book Explores The Interaction Of Islam With The Deeply Rooted Substratum Of The Hindu Javanese Values And Then The Absorption Of Islam Into A New Synthesis And A Higher Form Of Pluralism Forged During The Long Process Of The Islamization Of Java And The Javanization Of Islam This New Pluralism Was Further Enriched By Incorporating Various Strands Of Christianity During The Colonial Period In Its Final Form This Pluralism Provided The Social Cohesion And The National Ethos And Consciousness Which Propelled Indonesia Towards Its Statehood And Independence In 1945 Leading To The Establishment Of A Secular State To Accommodate The Imperatives Of This Higher Pluralism Under The State Doctrine Of The Pancasila The Book Then Surveys The Post Independence Period To Show How This Pluralism Fared Under The Successive Regimes Of Sukarno Suharto Habibie Abdurrahman Wahid And How It Fared Under Megawati Sukarnoputri Today The Survey Concludes On A Sobering Note That Most Of The Problems Experienced By These Regimes Had Their Roots In The Violation Of The Pluralistic Nature Of The Indonesian Society In This Context There Is Little Doubt That The Continued Attempts Of Some Islamic Groups Mostly Incited From Abroad To Wage A

Jihad For The Replacement Of The Existing Secular State By An Islamic One Would Plunge The Country Into A Civil War Of The Paregreg Type These Attempts Might Not Succeed Given The Rnilitaryns Staunch Commitment To The Pancasila And The Secular State However The Cost Of Thwarting Them Would Be Very High **Anatomy of the Jakarta Coup, October 1, 1965** Victor M. Victims of the Revolution Nathanael Blake,2025-04-28 This book shows from within the damage that the sexual revolution has caused to our bodies our souls and our sense of joy Quoting extensively from testimonies and reports written by the revolution s most outspoken advocates Nathanael Blake proves that even beyond the question of right and wrong Christian sexual ethics simply provide a better way to love and live The sexual revolution offered happiness and great sex but Americans are increasingly lonely and unhappy and they even report having less and less satisfying sex Rather than providing fulfilling pleasure sexual liberation has created a relational wasteland in which men and women are alienated from each other The promised liberation has made people slaves to desire and has led to pain This is exemplified by the dependence on the violence of abortion which turns the relationships of mother father and child into a lethal battleground of competing selfishness *Victims of the Revolution* is a tour de force passing first through the self destruction of hypersexuality and then through the beauty of the Church s profound teaching on sexuality Christian sexual morals are not a capricious killjoy but are rooted in human nature and direct us toward our good and the good of others They remain the best way to protect and promote human well being there can be no true social justice without the pursuit of sexual righteousness

aftermath Experiments with Marxism-Leninism in Cold War Southeast Asia Matthew Galway, Marc H. Opper, 2022-09-21
 One of the most contentious theatres of the global conflict between capitalism and communism was Southeast Asia. From the 1920s until the end of the Cold War, the region was racked by international and internal wars that claimed the lives of millions and fundamentally altered societies in the region for generations. Most of the 11 countries that compose Southeast Asia were host to the development of sizable communist parties that actively and sometimes violently contested for political power. These parties were the object of fierce repression by European colonial powers post-independence governments and the United States. Southeast Asian communist parties were also the object of a great deal of analysis both during and after these conflicts. This book brings together a host of expert scholars, many of whom are either Southeast Asia based or from the countries under analysis, to present the most expansive and comprehensive study to date on ideological and practical experiments with Marxism-Leninism in Southeast Asia. The bulk of this edited volume presents the contents of these revolutionary ideologies on their own terms and their transformations in praxis by using primary source materials that are free of the preconceptions and distortions of counterinsurgent narratives. A unifying strength of this work is its focus on using primary sources in the original languages of the insurgents themselves. **Arms Control Arrangements for the Far East**

Migration in the Time of Revolution Taomo Zhou, 2019-10-15. *Migration in the Time of Revolution* explores the complex relationship between China and Indonesia from 1945 to 1967, during a period when citizenship identity and political loyalty were in flux. Taomo Zhou examines the experiences of migrants, including youths seeking an ancestral homeland they had never seen and economic refugees whose skills were unwelcome in a socialist state. Zhou argues that these migrants played an active role in shaping the diplomatic relations between Beijing and Jakarta, rather than being passive subjects of historical forces. By using newly declassified documents and oral history interviews, *Migration in the Time of Revolution* demonstrates how the actions and decisions of ethnic Chinese migrants were crucial in the development of post-war relations between China and Indonesia. By integrating diplomatic history with migration studies, Taomo Zhou provides a nuanced understanding of how ordinary people's lives intersected with broader political processes in Asia, offering a fresh perspective on the Cold War's social dynamics. *Lasting Fascinations* Harry A.
