Scholarly Bibliography is a compendium of published works on geographical studies of Canada and its various provinces. It includes works on geographical studies of Canada as a whole, on multiple provinces, and on individual provinces. Works covered include books, monographs, atlases, book chapters, scholarly articles, dissertations, and theses. The contents are organized first by region into main chapters, and then each chapter is divided into sections: General Studies, Cultural and Social Geography, Economic Geography, Historical Geography, Physical Geography, Political Geography, and Urban Geography. Each section is further subdivided into specific topics within each main subject. All known publications on the geographical studies of Canada in English, French, and other languages covering all types of geography are included in this bibliography. It is an essential resource for all researchers, students, teachers, and government officials needing information and references on the varied aspects of the environments and human geographies of Canada.

The Geist Atlas of Canada Melissa Edwards, 2006. Oh Canada, a nation of hockey players, trailer park boys, and doughnut shop habitués: a nation that can claim Marshall McLuhan, Pamela Anderson, and Mr. Dressup as among their own. Canada is one complex country, all right, and what better way to document its character than an atlas of Canadian place names as compiled by Geist, the magazine of Canadian ideas and culture? This offbeat yet erudite collection of full-colour maps, many but not all of which have appeared in the magazine since 1995, includes a wide range of clearly Canadian subject matter from all points far and wide. The Meat Map of Canada features T-Bone, Glacier, Yukon, Pork, and Bean Point, Manitoba, and Burgerville, Ontario; the Angst Map of Canada locates Doom Mountain, BC; Dismal Creek, Alberta; and Port Disappointment, Newfoundland; and the Money Map of Canada lists Success, Saskatchewan; Silver Lake, Ontario; and Lac Spendet, Quebec. Each map is accompanied by the stories behind specific place names as well as fast and furious Canadian facts and trivia. The net result is a tongue-in-cheek snapshot of the essential Canadian character in all its quirky glory. Other map subjects include Apocalypse, Art, Atwood, Margaret, Automotive, Beer, Body Parts, Condiments, Doughnuts, Erotica, Gay and Lesbian, Hockey International, Kitchen Implements, Literary, Loudmouths, Malls, Menstrual, Pets, Retail, Sartorial, and World's Largest. With an introduction by Geist editor Stephen Osborne.
