Utopia Limited Marianne DeKoven, 2004-05-10 The end of the modern and the emergence of the postmodern in 1960s philosophy literature and popular culture **AB Bookman's Weekly**, 1997 *The Philosophy of the Beats* Sharin N. Elkholy, 2012-04-27 The phrase beat generation introduced by Jack Kerouac in 1948 characterized the underground nonconformist youths who gathered in New York City at that time Together these writers artists and activists created an inimitably American cultural phenomenon that would have a global influence In their constant search for meaning the Beats struggled with anxiety alienation and their role as the pioneers of the cultural revolution of the 1960s The Philosophy of the Beats explores the enduring literary cultural and philosophical contributions of the Beats in a variety of contexts Editor Sharin N Elkholy has gathered leading scholars in Beat studies and philosophy to analyze the cultural literary and biographical aspects of the movement including the drug experience in the works of Kerouac and Allen Ginsberg feminism and the Beat heroine in Diane Di Prima s writings Gary Snyder s environmental ethics and the issue of self in Bob Kaufman s poetry The Philosophy of the Beats provides a thorough and compelling analysis of the philosophical underpinnings that defined the beat generation and their unique place in modern American culture **Red Hill Signed Limited Edition** Jamie McGuire, 2013-10 When a deadly outbreak threatens everyone Scarlet Nathan and Miranda seek shelter at the Red Hill ranch as their relationships and instincts for survival are tested in an apocalyptic world *William S. Burroughs & Allen Ginsberg* University of California, Los Angeles. Library, 1998 *Political Perversion* Joshua Gunn, 2020-10-10 When Trump became president much of the country was repelled by what they saw as the vulgar spectacle of his ascent a perversion of the highest office in the land In his bold innovative book Political Perversion rhetorician Joshua Gunn argues that this mean spirited turn in American politics of which Trump is the paragon is best understood as a structural perversion in our common culture on a continuum with infantile and gotcha forms of entertainment meant to engender provocation and sadistic enjoyment Drawing on insights from critical theory media ecology and psychoanalysis Gunn argues that perverse rhetorics dominate not only the political sphere but also our daily interactions with others in person and online From sexting to campaign rhetoric Gunn advances a new way to interpret our contemporary political context that explains why so many of us have difficulty deciphering the appeal of aberrant public figures In this book Trump is only the tip of a sinister rapidly growing iceberg one to which we ourselves unwittingly contribute on a daily basis **William Burroughs** Barry Miles, 2002 Originally published London Virgin 1992 "They Have Killed Papa Dead!" Anthony S. Pitch, 2018-09-11 The assassination of Abraham Lincoln is a central drama of the American experience Its impact is felt to this day and the basic story is known to all Anthony Pitch s thrilling account of the Lincoln conspiracy and its aftermath transcends the mere facts of that awful night during which dashing actor John Wilkes Booth shot Lincoln in the head and would be assassin Lewis Payne butchered Secretary of State William Seward in the bed of his own home They Have Killed Papa Dead transports the reader to one of the most

brehtaking moments in history and reveals much about the stories passions and times of those who shaped this great tragedy Virtually every word of Anthony Pitch s account is based on primary source material quotes from previously unpublished documents diaries letters and journals With an unwavering fidelity to historical accuracy Pitch provides confirmation of threats against the president elect s life as he traveled to Washington by train for his first inauguration and a vivid personal account of John Wilkes Booth being physically restrained from approaching Lincoln at his second inauguration Perhaps most chillingly details come to light about conditions in the special prison where the civilian conspirators accused of participating in the Lincoln assassination endured tortuous conditions in extreme isolation and deprivation hooded and shackled before and even during their military trial Pitch masterfully synthesizes the findings of his prodigious research into a tight gripping narrative that adds important insights to our national story *Code of Federal Regulations* ,2009
