Place Among The Nations A:

A Place Among the Nations Binyamin Netanyahu,1993 In a passionate meticulously researched work Israel s most charismatic spokesperson traces the origins history and politics of his country s relationship with the Arab world and the West and offers for the first time his own detailed plan for a real lasting peace in the Middle East

A Place Among the Nations Benjamin Netanyahu,1993 Benjamin Netanyahu traces the origins history and politics of Israel s relationship with the Arab world and the West providing a view of the country s precarious situation among the Arabs and revealing his own plan for peace in the Middle East the hostile target not only of an Arab world more than 500 times its size but of so much of the West He wonders how what he identifies as the only democracy in the Middle East has become the focus of Western criticism of the kind never directed at the surrounding Arab tyrannies He argues against the lies which he feels are levelled against Israel today by using the facts of ancient and modern history to establish his country s case attainable but only if the nature of Middle Eastern politics and the volatile forces within Arab and Islamic society are taken into account He puts forward his plan for an Israeli renewal and calls for sweeping political and economic reforms to enable the Jewish state to achieve a permanent position on the international stage

A Durable Peace Benjamin Netanyahu,2009-10-14 This examination of the Middle East s troubled history traces the origins development and politics of Israel s relationship with the Arab world and the West It argues that peace with the Palestinians will leave Israel vulnerable to Iraq and Iran
