Place Called Heaven:

A Place Called Heaven Gary Wood,2014-07-01 On December 23 1966 eighteen year old Gary Wood was driving with his younger sister Sue along a dark street in their hometown They were heading home singing Christmas songs when Sue spotted an illegally parked tow truck sticking into their lane of traffic Her scream pierced the night only a moment before the car crashed headlong into the obstruction Join Dr Wood as he recaps his miraculous experience of twenty minutes spent in A Place Called Heaven Just before he returned to earth Gary was commissioned by Jesus to make Him real to people wherever he went In the time since he has overcome medical mysteries and the threats of unfriendly bikers all while thanking God for his inspired life [A Place Called Heaven](#) E. M. Bounds,2003-11-01 If heaven is truly a paradise where God dwells we should desire it more than anything on this frail fleeting earth The trials and difficulties of life should each be seen in light of the coming glory of heaven Unfortunately we rarely view things from this perspective Our schedules are filled with the present allowing no time for contemplating or desiring eternity Our incorrect perspective makes us spend our time on the least important things while ignoring those things that are most crucial Take a break from the present and let E M Bounds help you discover A Place Called Heaven Examining virtually all the Scriptures that pertain to heaven Bounds masterfully explains the nature of heaven and our purpose in it Get a taste of heaven here on earth learn a true Christian attitude toward eternity and discover a purer truer life [A Place Called Heaven](#) Richard Sigmund,2004-03-01 Healing Evangelist and child minister Little Richard was in a car accident and was dead for approximately 8 hours During that time he toured heaven He saw mansions memorials Diadem trees vast libraries and the books including the Lamb s Book of Life I saw my name in three inch gold letters outlined with red crimson The angels took him to his appointment with God and he talked to Jesus He was also shown the horror of the other place Jesus told him he had to come back to tell us about that place and a glorious place A Place Called Heaven [A Place Called Heaven](#) A. M. Bridgeman,2013 The idea for this little book whacked me over the head about fifteen years ago I then went on to write and illustrate two more with a similar theme Life of course has a way of sneaking up on the inside lane and overtaking without indicating And so here I am today fifteen years older and more jaded But yes I received another huge whack If I didn t take the plunge now well there really would be no point in touching up the grey This is an easy to read little story that may shed some light whether it be spiritual or neon on what heaven may be like from a child s point of view Hopefully it will bring some comfort if unexpectedly or over a period of time a loved one passes I wanted to share that the imagination is limitless and many more worlds may exist within ours **A Place Called Heaven**

J. Sifon,2022-11-03 Have you ever wondered what you were before you were born or what will happen after you dematerialize away in death from this physical dimension Quite often one part of your mind tells you that after you die you are going to be judged by God and after the judgment you will spend the rest of your existence in an uncomfortable place called hell or a place of pleasure called heaven The question is how exactly did Christ define our existence To understand our true nature we have analyzed many important statements made by Christ concerning this issue This nature reveals our true identities in the spirit what we really are what we are capable of where we came from and where we re heading As spiritual individuals we have also tapped into the realm of the spirit by making it substantial to get answers not just to everything in existence but also to things unheard of In this record the author reflects on his spiritual identity **Hidden Mysteries and the Bible** Dr. Larry Ollison,2024-10-01 Unlock the World s Greatest Mysteries within the Scriptures Is it possible the Holy Bible holds answers to mysteries and questions that civilizations have wondered about for centuries Could it be this Ancient Book

Priesthood Tumisang Mabe ,2024-01-23 The great need of God today are priests that can stand with him enough so that God will bring a revival because the whole society of the human race needs it We live in a world where others don t care anymore for others Where are the priests of the Most High to bring us the counsel of God It is only priesthood that can end the works of the enemy across countries of the world It takes priesthood to see change in circumstances and anytime the priests of light don t stand to take their position then we give way to seducing spirits and devils to confuse our world God gave this world to men but men chose to partner with strange spirits and this is the work of a false priesthood And anytime the devil is invited chaos takes place We need the priests of light to stand up and fight so that the will of the Father will find expression on the earth Priesthood is a work of priests and what priests do is that they offer sacrifices unto God and the sacrifices that priests offer cannot be offered by any person who is not a priest In the bible we read of two types of priesthood the Leviticus priesthood and the Melchizedek priesthood both these priesthood are different but they both offer sacrifices And anytime there is sacrifice an altar is erected or raised Priesthood works by altars without an altar priesthood become absolute A priest is a person of the altar and the product or the outcome of their life will be determined by the spirit of their altar If you are a priest then we will see the workings of your altar through your life **A Place Called Heaven**
