in as I read and compared the material Questions I have wrestled with in the past persuaded me to read the material more slowly and watch for evidence of timing My over all impression was a growing sense of the presence of Jesus as I made my way through the sequences of the scripture I believe serious bible students and pastors will find your book delightfully informative and inspiring It will prove to be a valuable addition to their libraries and their lives Dr Stanley M Horton Th D Distinguished Professor Emeritus Bible and Theology of Assemblies of God Theological Seminary and Central Bible College Springfield Mo These chapters in the Gospels are prominent and extremely important Your comments and arrangement of the parallel chapters are helpful and very well done Dr Russell K Pier President Emeritus and Founder of Faith School of Theology and presently the Founder and Administrator of Pentecostal Conservative School of the Bible This is an amazing work of detailed research that would intrigue any serious student of the Bible I have read many of the harmonies of the Gospels but nothing that was so focused on these last 10 days in the life of Christ I recommend this to everyone Dr Charles Crabtree President of Zion Bible College Haverhill Ma former Assistant Superintendent of the General Council Assemblies of God It was my privilege to receive a copy of the book The Ten Last Days of Jesus by David Levandusky In my opinion any student of God s Word would benefit from this remarkable tool It clarifies the final days of Christ in a very simple graphic and profound way I believe many will use this special gift to the church of Jesus Christ Pastor Barry Warren Pastor of the Greenfield Missionary and Alliance Church Greenfield Ma Imagine your family sitting in your living room sharing stories of a loved one who had passed away Each memory shared would be accurate but told through the lens of the individual telling it and as each person shares a whole picture of the loved one emerges more complete than any one individual s picture Similarly each Gospel writer gives a unique snapshot of Jesus Pastor Levandusky has done us a great favor by putting the Gospel stories of the most important ten days of the life of Jesus into such a perspective Pastor Larry Riddle Pastor of Moores Corner Church North Leverett Ma for 32 years 1978 Present My dear brother has written an intricate and detailed book of the Last Ten Days of Jesus life that will be a most welcome addition to all Pastors libraries and to the serious student of its word It is an exhaustive work that required much time and labor and I commend my brother in this fine work     The Gospel of Matthew John Nolland,2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel s sources or historical background Nolland places his central focus on the content and method of Matthew s story His work explores Matthew s narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark s presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew s Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on

the latest Greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches Nolland's Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew's presentation of the gospel narrative The Religious Magazine, Or Spirit of the Foreign Theological Journals and Reviews, 1829 **A History of the Holy Bible, etc** Thomas STACKHOUSE (Vicar of Beenham.), 1842

Wright, 2024-08-30 God's Impeccable Lamb The Ultimate Sacrifice For Man's Sin is a uniquely rich and compelling sacred narrative portraying Jesus Christ of Nazareth God's ultimate sacrifice for man's sin Indeed this spirit filled sacred narrative captured the magnificent signs and miracles that Jesus demonstrated on the poor oppressed and downtrodden in bringing release to the sick and disease Dr Wright's chronicle of Jesus teaching and healing and His complete devotion to his Father demonstrates God's love and care for the people of Israel In truth God sent his only son Jesus on a mission to be Israel's deliverer And Jesus faithful obedience to his Father God captured the hearts of the people of Israel Therefore it is also hoped that this sacred narrative God's Impeccable Lamb will capture the hearts of those who read it And their lives would be significantly changed by the ultimate sacrifice their Lord and Savior made on Calvary for the sins of mankind as God's Impeccable Lamb The Church of England Magazine, 1844 Report and speeches at the third annual meeting of the Church Pastoral aid Society May 8 1838 **An Exegetical Summary of John 10-21** Ronald L Trail, 2025-04-04 Each volume in the Exegetical Summaries series works through the original text phrase by phrase English equivalents are provided for all Hebrew and Greek words making this an excellent reference for exegetes of all levels Questions that occur to exegetes as they study the text are stated and then answered by summarizing the ways many scholars have interpreted the text This information should help translators or students in making their own exegetical decisions As a basis for discussion a semi literal translation of the text is given The first question to be answered is the meaning of key words in context Information from standard lexicons is given and then translations of the word are cited from a dozen major Bible versions and from commentaries that offer their own translations of the text Questions about the grammar and discourse structure of the original languages are answered by summarizing the views of many commentators When exegetical disagreements appear in the commentaries and versions the various interpretations are listed This book is not intended to replace the commentaries

that are consulted Rather than being a stand alone commentary this book summarizes many important details of exegesis that should be considered in studying the biblical text
