Plaidoyer impossible pour un vieux président abandonné par les siens Philippe Alexandre,1994

Francotheque: A resource for French studies Gareth Thomas,2014-02-25 Francotheque seeks to provide a French language resource for undergraduate students of French Direct access to contemporary French culture and society is offered through carefully selected authentic texts and a comprehensive overview of France and the French is provided under six broad headings history multicultural society media the arts science and technology the Francophone world through press articles historical documents photographs posters advertisements statistics poems and songs Each section starts with an introduction The authentic texts are accompanied by vocabulary notes and where appropriate explanations filling in cultural background One of the features of the book is the sujets de reflexion which provide pre reading stimulus thus suggesting a particular context of focus from which to approach many of the contexts Harnessing the Holocaust Joan Beth Wolf,2004 Harnessing the Holocaust presents the compelling story of how the Nazi genocide of the Jews became an almost daily source of controversy in French politics Joan Wolf argues that from the Six Day War through the trial of Maurice Papon in 1997 98 the Holocaust developed from a Jewish trauma into a metaphor for oppression and a symbol of victimization on a wide scale Using scholarship from a range of disciplines Harnessing the Holocaust argues that the roots of Holocaust politics reside in the unresolved dilemmas of Jewish emancipation and the tensions inherent in the revolutionary notion of universalism Ultimately the book suggests the Holocaust became a screen for debates about what it means to be French Sexus politicus Christophe Deloire,Christophe Dubois,2012-10-01 Mitterrand entre deux dossiers consacrait beaucoup de temps son harem Chirac nommait ses favorites au gouvernement Ses disparitions nocturnes entra naient l in vitable question de Bernadette Savez vous o est mon mari ce soir C est ainsi en France sexe amour et politique sont indissociables Au XVIIIe si cle la Maintenon et la Pompadour ont r gn sur le coeur et la politique du roi Aujourd hui presque rien n a chang le pouvoir reste obs d par la conqu te des femmes pouses elles font partie des strat gies pr sidentielles ma tresses ou courtisanes elles font parfois trembler l tat La s duction est plus que jamais au coeur du syst me politique et de la course l Elys e Pour la premi re fois d anciens Premiers ministres des ministres pass s ou en fonction des conseillers et des hauts fonctionnaires voquent ce sujet d licat en toute franchise Rien n y manque ballets roses espionnage vendettas pi ges Quant aux services de l tat ils enqu tent sur les candidats La bataille qui m nera l lection pr sidentielle de 2007 sera impitoyable *L'Élysée en péril* Philippe Alexandre,2008-04-23 Sur le th tre en feu de mai 68 des barricades et des cort ges des id es et des chim res des slogans et des refrains de la fureur et de la f te Mais en coulisses loin des regards se joue une tragi com die non moins intense Philippe Alexandre la raconte travers les t moignages de ses cent soixante acteurs Trois pisodes myst rieux sont ici clair s les n gociations clandestines avec la CGT d un inconnu nomm Chirac la fuite Baden du g n ral de Gaulle et sa rupture avec Pompidou Une folle sarabande autour d un pouvoir qui tait prendre Ou ramasser Philippe Alexandre est journaliste Lire
