Apart from You Leonore H. Dvorkin, The novel is set in 1967 and 1968 first in Mobile Alabama and then at Indiana University in Bloomington However the story is in no way a 1960s political novel Vietnam barely gets mentioned The themes are infidelity sibling rivalry deception self deception separation and miscommunication The two main characters are Elizabeth Nye a 20 year old German major and Brian Petersen the 27 year old history teaching assistant with whom she has a five week affair while she s temporarily separated from her liberal minded fianc Alan Abrams Elizabeth is dishonest and selfish while Brian is naive and idealistic but virtually no one in this story is either all good or all bad That s what makes them people rather than stereotypes Minor and cameo characters include Elizabeth s self indulgent academic father her sexy younger sister a not so merry widowed neighbor Brian s excessively beloved older sister his pined after lost love that woman s life hardened lesbian roommate and a gay friend of Elizabeth s The narrative technique involves the use of several different points of view A given scene may allow the reader to see the same action from starkly contrasting points of view This reinforces the overarching theme of the book which is the unending difficulty of human communication Merchant Vessels of the United States ,1969 *Welcome to the Occupied States of America* Peter Cawdron,2016-04-29 Ashley Kelly is your

typical American teenager or she would be if it weren t for the cluster bomb that crippled her Seven years after the invasion over a hundred million Americans have been displaced by the war with millions more dead Ash has spent seven years learning to walk again and she ll be damned if she s going to lie down for anyone human or otherwise FIRST CONTACT is similar to BLACK MIRROR or THE TWILIGHT ZONE in that the series is based on a common theme rather than common characters This allows these books to be read in any order Technically they re all first as they all deal with how we might initially respond to contact with aliens exploring the social political religious and scientific aspects of First Contact
