**Business Communication: Rhetorical Situations** Heather

Graves,Roger Graves,2021-03-25 Business and professional communication takes place in a dynamic ever changing environment How can we best help students prepare to communicate in such a challenging environment The pedagogies of the twentieth century lectures quizzes and exams have not kept up to these new demands for student engagement Business Communication Rhetorical Situations supports more interactive and collaborative pedagogies to motivate students Each chapter has two or three cases that challenge students to apply the business communication concepts they are learning to a specific set of circumstances These cases are drawn from real life communication situations and invite students to think through a communication situation and take action After each case challenges and exercises provide more opportunities for students to analyze and reflect on business documents and practice the skills discussed in the case themselves Throughout rhetorical concepts such as audience genre and purpose are central and collaboration and creativity are encouraged

Garner's Modern American Usage Bryan Garner, 2009-08-27 Since first appearing in 1998 Garner's Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases this book authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation Now in the third edition readers will find the Garner's Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout Garner's Modern American Usage 3e is the first usage guide ever to incorporate such a language change index and the judgments are based both on Garner's own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved

Legal Knowledge and Information Systems S. Villata, J. Harašta, P. Křemen, 2020-12-07 The field of legal knowledge and information systems has traditionally been concerned with the subjects of legal knowledge representation and engineering computational models of legal reasoning and the analysis of legal data but recent years have also seen an increasing interest in the application of machine learning methods to ease and empower the everyday activities of legal experts This book presents the proceedings of the 33rd International Conference on Legal Knowledge and Information Systems JURIX 2020 organised this year as a virtual event on 9-11 December 2020 due to restrictions resulting from the Covid 19 pandemic For more than three decades the annual JURIX international conference which now also includes demo papers has provided a platform for academics and practitioners to exchange knowledge about theoretical research and applications in concrete legal use cases A total of 85 submissions by 255 authors from 28 countries were received for the conference and after a rigorous review process 20 were selected for publication as full papers 14 as short papers and 5 as demo papers This selection process resulted in a total acceptance rate of 40% full and short papers and a competitive 23.5% acceptance rate for full papers Topics span from computational models of legal argumentation case based reasoning legal ontologies smart contracts privacy management and evidential reasoning to information extraction from different types of text in legal documents and ethical dilemmas Providing a state of the art overview of developments in the field this book will be of interest to all those working with legal knowledge and information systems

**Encyclopedia of Educational Reform and Dissent** Thomas C. Hunt, James C. Carper, Thomas J. Lasley, II, C. Daniel Raisch, 2010-01-12 Educational reform and to a lesser extent educational dissent occupy a prominent place in the annals of U S education Whether based on religious cultural social philosophical or pedagogical grounds they are ever present in our educational history Although some reforms have been presented as a

remedy for society's ills most programs were aimed toward practical transformation of the existing system to ensure that each child will have a better opportunity to succeed in U.S. society Educational reform is a topic rich with ideas rife with controversy and vital in its outcome for school patrons educators and the nation as a whole With nearly 450 entries these two volumes comprise the first reference work to bring together the strands of reform and reformers and dissent and dissenters in one place as a resource for parents policymakers scholars teachers and those studying to enter the teaching profession Key Features Opens with a historical overview of educational reform and dissent and a timeline of key reforms legislation publications and more Examines the reform or dissent related to education found in theories concepts ideas writings research and practice Addresses how reformers and dissenters become significant culture shaping people and change the way we conduct our lives Key Themes Accountability Biographies Concepts and Theories Curriculum and Instruction Diversity Finances and Economics Government Organizations Advisory Organizations Business and Foundations Organizations Curriculum Organizations Government Organizations Professional Organizations Think Tanks Public Policy Religion and Religious Education Reports School Types Special Needs Technology This authoritative work fills a void in the literature in the vast areas of educational reform and dissent making it a must have resource for any academic library Availability in print and electronic formats provides students with convenient easy access wherever they may be *Report*
