Plain Talk On The Epistles Of John:

Plain Talk on John Manford George Gutzke,1968 *Plain Talk on the Epistles of John* Manford G. Gutzke,1980 Plain Talk on the Epistles of John Manford George Gutzke,1977 **Thru the Bible Vol. 56: The Epistles (1 John)** J. Vernon McGee,1996-08-05 Radio messages from J Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding of the Scripture Now enjoy his personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight Each volume includes introductory sections detailed outlines and a thorough paragraph by paragraph discussion of the text A great choice for pastors and even better choice for the average Bible reader and student Very affordable in a size that can go anywhere it is available as a complete 60 volume series in Old Testament or New Testament sets or individually **The Epistles of John** David E. Hiebert,1991 This commentary on what the author calls a singular irreplaceable gem among the books of the New Testament is written with a balance of theological orthodoxy reverent scholarship and evangelical warmth It is a work which provides the preacher teacher and layman with a clear and concise discussion of the meaning of the biblical text yet never ignores the devotional purpose with which the Apostle John wrote Back cover *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *An exposition of the Epistles of John the apostle, with a new version* William Kelly,1905 **The Publishers' Trade List Annual** ,1877 **Can Christians Prove the Resurrection?** Sandoval Chris Sandoval,Chris Sandoval,2010 Christian apologists like Josh McDowell Norman Geisler and William Lane Craig have claimed that the Resurrection of Jesus is the best proved fact of history As they tell the story the original eyewitnesses of the risen Jesus sacrificed their lives for their faith and people who knew Jesus during his lifetime would have challenged any errors in their testimony Allegedly these and many other lines of historical evidence

prove the Resurrection beyond a reasonable doubt In Can Christians Prove the Resurrection the traditional Christian arguments for the Resurrection are analyzed and critiqued In reality we do not know how most of the apostles met their fates and religious sects like the Kimbanguists and Hasidic Jews have likewise proclaimed miracles and produced martyrs within the lifetimes of eyewitnesses who should have been able to set the record straight These and many other lines of evidence raise copious reasonable doubts regarding the claims of the apologists as this book demonstrates Once all the relevant evidence is examined it becomes clear that there is little likelihood that Jesus of Nazareth arose from the dead or that the Resurrection ever took place *The True History of God's True Church: And Its 2,000-Year War With the Great False Church* Philadelphia Church of God, Gerald Flurry, 2015-04-30 When Jesus Christ founded the New Testament Church He said the gates of hell would not prevail against it He prophesied of seven successive eras it would undergo before His Second Coming and even foretold the predominant character of each History shows that God's true Church though it has gone largely unnoticed has survived through the 20 centuries since that time fulfilling Christ's prophecies in specific detail Now on the cusp of Christ's return this dramatic and miraculous story can be fully told *The Epistles Book Three: Hebrews, James, Peter, John, and Jude* Harold Lerch, 2023-07-15 The epistles in this edition were written by two of Jesus's brothers James and Jude and Peter and John each writing their namesake letters The author of Hebrews is believed to be Paul or Peter Hebrews addresses the Priesthood of Christ who fulfilled the Old Testament laws James the brother of Jesus wrote the Epistle of James to address practical Christian living Peter wrote to the Hebrew Christians that their purpose is encouragement and testimony Peter sets forth the doctrines of grace but foresees the departure from the faith that will culminate during the last days The First Epistle of John was written as from the Father to His little children John treats the sins of a Christian like a child's offense against his Father His second epistle is brief but strong in its message which centers round the truth in its relation to Christian living and that Jesus Christ is Himself the Truth alive His third letter is written to his friends Gaius and Demetrius praising them for sound Christian living John rebuked a third church member Diotrephes who was one of the first examples of domineering ambition in the church The Epistle of Jude was written by Jude another brother of Jesus His message was written against apostasies in the early church so threatening that the Spirit caused Jude to write this letter of warning Jude describes how apostasy leads to sinful living A bonus section is included Revelation Apocalypse in Plain Language **The Gospel according to saint John, with comm. by W.W. How** John (st.), 1878 *Companion to the Bible* Elijah Porter Barrows, 1867 *The Eclectic Review*, 1862 **American Book Publishing Record Cumulative, 1950-1977: Title index** R.R. Bowker Company. Department of Bibliography, 1978 **The Publishers Weekly**, 1882 *Romans: A Model for Bible Study Methods* Lloyd Perry, Calvin Hanson, 1982-06-08 Romans A Model for Bible Study Methods is a unique resource It is both a commentary and study guide full of suggestions and guidelines for individual or group study It includes general study methods for Romans approaches for outlining the letter special study projects and even a comprehensive final exam

This resource is recommended for both pastors and lay leaders anyone who wants a thorough grasp of the book of Romans

Athenaeum and Literary Chronicle ,1857 **New Testament Survey** Robert G. Gromacki,2008-08-01 Before coming to grips with an individual verse or passage in the New Testament Bible students and expositors must understand how it relates to the theme of the book This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse by verse commentary Pictures charts and outlines aid comprehension This classic text which has served students well for many years is now available in paperback The Christian Preacher Edward Williams,1810
